WHEREAS, the City has found, by resolution adopted by its City Council, that the programs and services offered by Grantee at the hereinafter-defined and to be completed Project accomplish the public purpose of delivery of parks, recreation and open spaces and provision of community services to City residences and, accordingly, the expenditure of proceeds derived from the sale of bonds authorized at the May 6, 2017 City bond election under Proposition 3 to expand and improve the Project represents a valid expenditure of such bond proceeds; and

to fund its contribution obligations hereunder is authorized by applicable Texas law, including the City's Home Rule Charter and the City voters' approval of Proposition 3 at the May 6, 2017 City bond election, and such contribution shall satisfy in full the City's funding obligation for the project identified in Proposition 3 of the City's May 6, 2017 bond election as "UTSA Athletics Complex"; and

NOW THEREFORE, the Parties hereto (the "Parties") severally and collectively agree, and by the execution hereof are bound, to the mutual obligations herein contained and to the performance and accomplishment of the tasks hereinafter described.

I. TERM

1.01 This Agreement shall commence on the later of (a) the effective date of the Authorizing Ordinance or (b) the later of the signatures of the two Parties. The Term shall expire upon the later to occur of: (a) the date on which all the City Bonds used for Project funds are no longer outstanding, or (b) Twenty five years from the effective date, or (c) termination of this Agreement as otherwise provided herein. The Director of Transportation and Capital Improvements may administratively approve extension of agreement term up to an additional year if deemed necessary by City; provided, however, that the obligations of the Grantee hereunder shall survive until the repayment and discharge by the City of any City Bonds the proceeds from which are used by the City to satisfy its funding obligations hereunder.

II. GENERAL RESPONSIBILITIES OF GRANTEE

2.01 Provided Grantee receives the funding described in Section V of this Agreement, and subject to the other terms and conditions of this Agreement, including, but not limited to, force majeure provisions, Grantee hereby accepts full responsibility for the performance of all services and activities to complete the Project by _____, as described in this Agreement.

2.02 The current budget estimates of the Project are approximately \$44,000,000.00 with a value of the UTSA Facilities to be made available to the City and its residents pursuant to the terms of this Agreement, after completion of the Project, equal to \$90,000,000.00. Grantee shall provide all necessary funding for the Project beyond the City's funding of \$9,800,000.00 (representing the City's \$10,000,000.00 commitment, less \$200,000.00 to be retained by the City per Section 5.01). Grantee shall provide evidence to City that all Project funds in the total amount of \$44,000,000.00 have been secured prior to the receipt of any funding under this Funding Agreement. In the event that the scope of the Project is adjusted downward, the City shall have the option of adjusting its commitment downward accordingly. City is not responsible for any costs over the estimated amount of the City's \$10,000,000.00 commitment to the Project unless agreed to in writing in the form of an amendment to this Funding Agreement. The City shall fund its commitment hereunder from proceeds derived from City Bonds.

2.03 Unless written notification by Grantee to the contrary is received and approved by City, Grantee's _____ shall be Grantee's designated representative responsible for the management of this Agreement.

2.04 The Director of Transportation and Capital Improvements (TCI) or designee shall be responsible for the administration of this Agreement on behalf of the City until the completion of the City funded portion of the Project.

2.05 Communications between City and Grantee shall be directed to the designated representatives of each as set forth in paragraphs numbered 2.03 and 2.04 hereinabove.

2.06 Grantee shall provide to City a narrative Scope for the Project, including a background, project summary and timeline, ("Scope") as Exhibit A.

2.07 Grantee shall provide to City its plans and specifications for the Project, including a construction schedule, ("Plans") and such Plans shall be subject to the review and approval of City, acting in its capacity as grantor under this Funding Agreement. After approval by City, the Plans shall be attached and incorporated into this Funding Agreement as Exhibit B and Grantee shall not make any substantial changes to the Plans without the prior written approval of City. The approvals given in this Section do not relieve Grantee of the burden of obtaining all necessary governmental approvals, including those provided by City through its relevant development departments and relevant boards and commissions and the State of Texas Commission on Environmental Quality (Article 9102). Nor does City's approval of the Plans release Grantee of the responsibility for the correction of Grantee's mistakes, errors or omissions contained in the Plans, including any mistakes, errors or omissions which may be the result of circumstances unforeseen at the time the Plans were developed or approved.

2.08 Grantee shall provide to City a Budget for the Project illustrating where City Bond funds are to be utilized in accordance with this agreement, as well as illustrating all funding for the entire Project if applicable as Exhibit C.

2.09 City shall have authority to inspect the Project throughout the construction process to ensure compliance with the Scope and Plans and to request copies of construction inspections performed by Grantee and third parties. Grantee shall cause its design professional to provide periodic certifications of construction certifying that construction has been conducted in compliance with the Plans. Grantee shall submit said certification to the Director of TCI or designee at the completion of the Project construction. Grantee shall notify City and City shall have the right to attend all scheduled construction meetings. Grantee shall provide City with a copy of the Certificate of Occupancy upon completion of the Project.

2.10 Beginning on January 31, of the year following the opening of the Facility, and on each succeeding January 31 throughout the Term of the Agreement, Grantee shall provide Director of TCI or designee an annual report ("Annual Report"). The Annual Report shall include the following:

2.10.1 Description of all activities that occurred during the previous calendar year that were available to the general public, including activity dates, estimated attendance, days and hours that the Project improvements are open to the general public, and the rules and regulations for use.

2.10.2 Evidence of insurance coverage, with City as additional insured, as outlined in Section 12 below or in the alternative the statutory/constitutional insurance requirements imposed on UTSA.

2.10.3 Description of all maintenance activities, including routine capital and any deferred maintenance, for the previous calendar year and planned maintenance activities for the upcoming calendar year.

2.11 Unless written notification by Grantee to the contrary is received and approved by City, Grantee's President shall be Grantee designated representative responsible for the management of this Funding Agreement and the point of contact for City on all matters regarding this Funding Agreement.

III. COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS

3.01 Grantee warrants and represents that it will comply with all Federal, State and Local laws and regulations and will use all reasonable efforts to ensure said compliance by any and all contractors and subcontractors that may work on the Project.

3.02 To the extent applicable, Grantee agrees to abide by Chapters 252 of the Texas Local Government Code, and Chapters 2254 and 2269 of the Texas Government Code or other open competitive contracting processes which are advertised to the public in a legal and appropriate manner.

3.03 Plans must conform to Americans with Disabilities Act requirements and must be approved by the Texas Department of Licensing and Regulation before construction may begin. Inspections and final approval shall be the responsibility of Grantee.

3.04 Prevailing Wage Rate and Labor Standards

A. The requirements of Chapter 2258 of the Texas Government Code, entitled "Prevailing Wage Rates," shall apply to this Funding Agreement. Grantee agrees that its construction contractor will comply with City Ordinance No. 71312 and its successors such as Ordinance No. 2008-11-20-1045 and will require

subcontractors to comply with City Ordinance 71312 and its successors such as Ordinance No. 2008-11-20-1045 and shall not accept affidavits.

B. In accordance with the provisions of Chapter 2258 and Ordinance No. 2008-11-20-1045, Grantee shall request upon advertisement of construction bids, and the City will provide Grantee with the appropriate wage determination which includes the general prevailing rate of per diem wages in this locality for each craft or type of workman needed to perform the construction work. The Grantee is required, and shall require its construction contractor and all subcontractors to comply with each updated schedule of the general prevailing rates in effect at the time the Grantee calls for bids for construction of a given phase. The Grantee is further required to cause the latest prevailing wage determination decision to be included in bids and contracts with the Grantee's general contractor and all subcontractors for construction of each Phase. Grantee is responsible for and shall collect and monitor weekly certified payrolls and perform site visits to ensure the prevailing wage is being paid to all workmen. City will audit certified payroll records as necessary in accordance with this Funding Agreement.

C. Upon audit of the records and certified payrolls under this section, should the City or its auditors find any violations, the Grantee shall cause its Construction Contractor to forfeit as a penalty to the City \$60.00 for each laborer, workman, or mechanic employed, for each calendar day, or portion thereof, that such laborer, workman or mechanic is paid less than the said stipulated rates for any work done under said contract, by the Contractor or any subcontractor. The establishment of prevailing wage rates in accordance with Chapter 2258, Texas Government Code shall not be construed to relieve the Grantee from its obligation under any federal or state law regarding the wages to be paid to or hours worked by laborers, workmen or mechanics insofar as applicable to the work to be performed under this Funding Agreement.

3.05 Environmental - Construction shall be in accordance with all Federal, State, and local environmental requirements including all City applicable construction and development regulations.

3.06 Small Business Economic Development Advocacy Program - Grantee shall comply with all Small/Minority and Woman Owned Business Terms and Conditions as attached hereto as **Exhibit D**.

3.07 Compliance with Bond Covenants – The City's commitment hereunder is funded with City Bonds, which are obligations the interest on which is excluded from the gross income calculations of the holders thereof for the purpose of determining income tax liability under applicable federal law. Maintaining the eligibility of the City Bonds for this tax treatment requires the City's compliance with applicable federal tax law and regulations, which includes agreements regarding the use of City Bonds' proceeds and the use and operation of facilities financed with those proceeds. As the expenditure of the City Bonds' proceeds once delivered to the Grantee, and the use and operation of the completed Project, is under the control of the Grantee, Grantee agrees that it shall not use,

or permit the use of, proceeds of the City Bonds, or earnings thereon, or any other amounts or any property, the acquisition, construction, or improvement of which is to be financed directly or indirectly with proceeds of the City Bonds or earnings thereon, in a manner which, if used or permitted to be used, respectively, would cause the interest on City Bonds to be includable in the gross income of the bond owners for federal income tax purposes. In addition, purposes which are not permissible include, but are not limited to religious activities, restaurants, cafes, and retail stores.

IV. OWNERSHIP, USE OPERATIONS

4.01 Grantee hereby acknowledges that it will construct the Project in a manner consistent with use by the general public, and consistent with the Roadrunner Athletic Foundation Memos from Gene Dawson, Jr. to Lisa Campos dated January 24th, March 19th, and May 29th, 2019. Grantee hereby agrees that the operating hours of the facility will facilitate frequent use by the general public and that the scheduling of use, rules and regulations, and other operational practices will not unreasonably limit access by the general public to use and enjoy the Project improvements. Further, Grantee shall not employ, nor allow others to employ, discriminatory practices in the use of the Project improvements. Grantee hereby agrees that the programs and use described herein will continue for the Term of this Funding Agreement. For the avoidance of doubt, the schedule of dedicated public use of the UTSA Facilities after completion of the Project is attached hereto as Exhibit E and incorporated herein by reference for all purposes.

4.02 Grantee shall be responsible for the operation and maintenance of the Project facility and all associated costs will be the responsibility of Grantee.

4.03 The Project improvements to the UTSA athletic complex in accordance with the Plans shall be continuously operated during the entire term that the City Bonds issued to finance the City's contribution to the Project remain outstanding.

4.04 For the entire term that the City Bonds remain outstanding, Grantee shall operate the UTSA Facilities continuously and in a manner that accomplishes on the City's behalf the public purposes that form basis for the City's contribution to the Project. Grantee shall satisfy this obligation by assuring that, for the duration immediately hereinbefore specified, the UTSA Facilities benefited by the Project once the Project is completed, as a ratio of all services provided at the completed UTSA Facilities, shall be at least proportionate to the percentage of the total Project cost funded by the City (assuming a City commitment of \$10,000,000.00 and an overall Facility value, after Project completion, of \$90,000,000.00).

V. FUNDING AND ASSISTANCE BY CITY

5.01 City shall reimburse Grantee for all eligible expenses incurred hereunder. Notwithstanding any other provisions of this Agreement, the total of all funding

obligations made or incurred by City hereunder shall not exceed the sum of \$10,000,000.00.

5.02 City shall not be obligated nor liable under this Agreement to any party, other than Grantee and Transportation and Capital Improvements "hereinafter referred to as TCI", for payment of any monies or provision of any goods or services.

5.03 Funding shall consist of reimbursements paid to Grantee for construction cost of the Project, not to exceed \$9,800,000 with \$200,000 to be retained by the City, for total City commitment of \$10,000,000. The City funding provided under this Funding Amendment may only be used for the portions of the Project which are dedicated to public use/public purpose. No City funds may be used for Grantee's personal office space or other non-public aspects of the Project

5.04 Except as otherwise set forth herein, it is further expressly understood and agreed by City and Grantee that this Agreement in no way obligates City's General Fund monies or any other monies or credits of City.

VI. RECEIPT, DISBURSEMENT AND ACCOUNT OF FUNDS BY GRANTEE

6.01 Grantee agrees to maintain readily identifiable records that shall provide accurate, current, separate, and complete disclosure of the status of any funds received pursuant to this Agreement. Grantee further agrees:

6.04 All requests for reimbursement shall be submitted through the COSA PRIMElink. Grantee shall sign a Business Level Agreement and ensure that all of its employees or representatives utilizing PRIMElink sign and comply with an Individual User Agreement. Such requests for reimbursement shall be completed on PRIMElink

and/or utilizing forms and instructions approved by TCI. Prior to the initial request for reimbursement, Grantee must submit a schedule of values for payment to be approved by TCI, which approval shall not be unreasonably withheld, conditioned, or delayed. Any changes to the schedule of values once approved shall be processed and approved as task orders through the portal.

6.05 Prior to reimbursement, City shall have the right to inspect work completed to ensure conformance with the approved Plans. Invoices should include all supporting documentation that costs have been incurred, as required by City.

6.06 City agrees to provide Grantee written notice regarding any expenditure for which Grantee has requested reimbursement under this Agreement which the City reasonably determines to be outside the permissible parameters of this Agreement. Said notice shall provide Grantee thirty (30) days from receipt of said notice to cure the deficiency or refund to the City any sum of money paid by City to Grantee determined to:

- (A) Have not been spent by Grantee strictly in accordance with the terms of this Agreement; or
- (B) Not be supported by adequate documentation to fully justify the expenditure.

6.07 Upon termination of this Agreement, should any expense or charge be subsequently disallowed or disapproved using the same criteria as set out in this Section VI as a result of any auditing or monitoring by City, Grantee shall refund such amount to City within thirty (30) working days of City's written request wherein the amount disallowed or disapproved shall be specified.

VII. ALLOWABLE EXPENDITURES

7.01 Upon preparation of a construction plan and budget by Grantee, Grantee shall submit said budget to City for approval of any costs to be paid from funds received hereunder. Costs shall be considered allowable only if so approved in Grantee's construction budget, or otherwise approved in advance by City in writing, and incurred directly and specifically in the performance of and in compliance with this Agreement and with all applicable city, state and federal laws; regulations and ordinances affecting Grantee's operations hereunder. Procurements and/or purchases which must be approved pursuant to the terms of this Agreement shall be conducted entirely in accordance with all applicable terms, provisions and requirements hereof.

the Parties hereto that in lieu of each clause or provision of this Agreement that is invalid, illegal, or unenforceable, there be added as a part of the Agreement a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

21.01 No waiver by either Party of a breach of any of the terms, conditions, covenants or guarantees of this Agreement shall be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee herein contained. Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option.
