Program Description

The Texas State Library and Archives Commission (TSLAC) supports a statewide interlibrary loan program to help assure that Texans will have access to shared library resources to meet learning and information needs.

The Interlibrary Loan Lending Reimbursement Program helps support Texas libraries with partial reimbursements for direct, out-of-pocket costs associated with participating in statewide resource sharing such as staff time, postage, courier, and shipping material costs.

The reimbursements apply to lends made during TSLAC's SFY2019, September 1, 2018 – July 31, 2019. While dispersed after the end of SFY2019, the reimbursement payments do need to be applied to costs associated with resource sharing costs expended *during* SFY2019. **Please discuss this program with your legal entity's accounting office so they are aware this is federal money and, if approved, to expect the payment after the end of the state fiscal year (August 31, 2019).**

Additional information is available online at <https://www.tsl.texas.gov/ld/ill2019>.

Award Information

The reimbursements are sub awards (or pass through awards) of the Grants to States program from the Texas State Library and Archives Commission's federal funder, Institute of Museum and Library Services (IMLS).

Federal Award Identification Number (FAIN): LS-00-18-0044-18

Catalog of Federal Domestic Assistance (CFDA) Number: 45.310

Eligible participants will receive a reimbursement of \$9.00 per lend provided to other Texas libraries through the Navigator ILL system between **September 1, 2018 – July 31, 2019**.

Eligibility Information

Public libraries, through their governing authority (city, county, board, or district), are eligible to apply for a reimbursement payment through this program.

Texas academic libraries that have agreed to lend materials to Texas public libraries are also eligible for reimbursement payments based on the number of lends made to Texas Navigator libraries in SFY2019.

Libraries must lend items to other Texas public libraries during SFY2019 using OCLC's Navigator system to be eligible for a reimbursement. OCLC will provide Navigator lending statistics to TSLAC for calculating reimbursements.

Before receiving payment, the library's legal entity (city, county, library board, school) must have a DUNS® Number and current, active System for Award Management (SAM) registration. If the entity's SAM registration is not active and current at the time of the award, payment cannot be dispersed. More information here: <https://www.grants.gov/web/grants/applicants/organization-registration.html>

Libraries' legal entities must also have an Active Direct Deposit Account and Texas Identification Number.

State agencies will be asked for additional information by TSLAC's grants accountant.

There is no requirement for cost sharing, matching funds, or cost participation with this program.

Subrecipient further agrees to cooperate fully with said representatives in the conduct of the audit or investigation and agrees to provide access to all records requested necessary to conduct the audit and/or investigation. Subrecipient will ensure that this clause concerning the authority to audit funds received indirectly by Sub-Contractors through Subrecipient, and the requirement to cooperate, is included in any sub-grant awarded.

II. ENFORCEMENT

- A. Remedies for noncompliance. If Subrecipient materially fails to comply with any term of the contract, whether stated in a state or federal statute or regulation, an assurance, in a state plan or application, a notice of award, or elsewhere, TSLAC may take one or more of the following actions, or impose other sanctions, as appropriate in the circumstances:
1. Temporarily withhold cash payments pending correction of the deficiency by the Subrecipient, or more severe enforcement action by TSLAC;
 2. Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance;
 3. Wholly or partly suspend or terminate the current contract for the Subrecipient's program;
 4. Withhold further awards for the program; or
 5. Take other remedies that may be legally available.
- B. Hearings, appeals. In taking an enforcement action, TSLAC will provide the Subrecipient an opportunity for such hearing, appeal, or other administrative proceeding to which the Subrecipient is entitled under any statute or regulation applicable to the action involved.
- C. Effects of suspension and termination. Costs of Subrecipient resulting from obligations incurred by the Subrecipient during a suspension or after termination of an award are not allowable unless TSLAC expressly authorized in the notice of suspension or termination, or subsequently. Other Subrecipient costs during suspension or after termination that are necessary, and not reasonably avoidable, are allowable if:
1. The costs resulting from obligations that were properly incurred by the Subrecipient before the effective date of suspension or termination are not in anticipation of it and, in the case of a termination, are non-cancelable; and,
 2. The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.
- D. Relationship to Debarment and Suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude Subrecipient from being subject to "Debarment and Suspension" under Executive Order 12549 (see UGMS Part III, Subpart C, Sec 35) and state law.
