

## **Transportation and Mobility Committee Work Plan Outline (081219)**

From Mayor's memo on 2019 - 2021 City Council Committees and Rosters, July 5, 2019:

"Transportation and Mobility Committee shall review plans and projects that are designed to enhance connectivity and mobility of all kinds, including multimodal transportation options, transit improvements, infrastructure maintenance, congestion reduction projects, and airport and air service enhancements."

**Chair: Shirley Gonzales, District 5**

Roberto Trevino, District 1

Melissa Cabello Havrda, District 6

Ana Sandoval, District 7

Clayton Perry, District 10

Assistant City Manager Rod Sanchez is the staff liaison. The committee will receive reports from TCI, Airport and CCDO as well as other departments, agencies and stakeholders. We will coordinate with staff to confirm an agenda schedule outline. The topics and funding sources for consideration include, but are not limited to:
