Interest on the Certificates shall be payable on February 1 and August 1 in each year (each, an *Interest Payment Date*), commencing February 1, 2020, while the Certificates are Outstanding.

SECTION 3: Payment of Certificates – Paying Agent/Registrar. The principal of, premium, if any, and the interest on the Certificates, due and payable by reason of Stated Maturity, redemption, or otherwise, shall be payable to the Holder (hereinafter defined) appearing on the registration and transfer books maintained by the Paying Agent/Registrar (hereinafter defined), in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts, and such payment of principal of and interest on the Certificates shall be without exchange or collection charges to the Holder of the Certificates.

The selection and appointment of U.S. Bank National Association, Houston, Texas, to serve as the initial Paying Agent/Registrar (the *Paying Agent/Registrar*) for the Certificates is hereby approved and confirmed, and the Issuer agrees and covenants to cause to be kept and maintained at the corporate trust office of the Paying Agent/Registrar books and records (the *Security Register*) for the registration, payment and transfer of the Certificates, all as provided herein, in accordance with the terms and provisions of a Paying Agent/Registrar Agreement, attached hereto, in substantially final form, as Exhibit A, and such reasonable rules and regulations as the Paying Agent/Registrar and the Issuer may prescribe. The Issuer covenants to maintain and provide a Paying Agent/Registrar at all times while the Certificates are Outstanding, and any

successor Paying Agent/Registrar shall be (i) a national or state banking institution, or (ii) an association or a corporation organized and doing business under the laws of the United States of America or of any state, authorized under such laws to exercise trust powers. Such Paying Agent/Registrar shall be subject to supervision or examination by federal or state authority and shall be authorized by law to serve as a Paying Agent/Registrar.

The Issuer reserves the right to appoint a successor Paying Agent/Registrar upon providing the previous Paying Agent/Registrar with a certified copy of a resolution or ordinance terminating such agency. Additionally, the Issuer agrees to promptly cause a written notice of this substitution to be sent to each Holder of the Certificates by United States mail, first-class postage prepaid, which notice shall also give the address of the corporate office of the successor Paying Agent/Registrar.

Principal of, premium, if any, and interest on the Certificates, due and payable by reason of Stated Maturity, redemption, or otherwise, shall be payable only to the registered owner of the Certificates (the *Holder* or *Holders*) appearing on the Security Register maintained on behalf of the Issuer by the Paying Agent/Registrar as hereinafter provided: (i) on the Record Date (hereinafter defined) for purposes of paying interest thereon; (ii) on the date of surrender of the Certificates for purposes of receiving payment of principal thereof upon redemption of the Certificates or at the Certificates' Stated Maturity; and (iii) on any other date for any other purpose. The Issuer and the Paying Agent/Registrar, and any agent of either, shall treat the Holder as the owner of a Certificate for purposes of receiving payment and all other purposes whatsoever, and neither the Issuer nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary.

Principal of and premium, if any, on the Certificates shall be payable only upon presentation and surrender of the Certificates to the Paying Agent/Registrar at its corporate trust office. Interest on the Certificates shall be paid to the Holder whose name appears in the Security Register at the close of business on the fifteenth (15th) day of the month next preceding an Interest Payment Date for the Certificates (the *Record Date*) and shall be paid (i) by check sent on or prior to the appropriate date of payment by United States mail, first-class postage prepaid, by the Paying Agent/Registrar, to the address of the Holder appearing in the Security Register; or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested in writing by the Holder at the Holder's risk and expense.

If the date for the payment of the principal of, premium, if any, or interest on the Certificates shall be a Saturday, a Sunday, a legal holiday, or a day on which banking institutions in the city where the corporate trust office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a day. The payment on such date shall have the same force and effect as if made on the original date any such payment on the Certificates was due.

In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a *Special Record Date*) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Issuer. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the *Special Payment Date* - which shall be fifteen (15) days after the

Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION 4: Redemption.

A. Optional Redemption of Certificates. The Certificates having Stated Maturities on and after August 1, 2030 shall be subject to redemption prior to Stated Maturity, at the option of the Issuer, on August 1, 2029 or on any date thereafter, in whole or in part, in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected at random and by lot by the Paying Agent/Registrar) at the redemption price of par plus accrued interest to the date of redemption.

B. Exercise of Redemption Option. At least forty-five (45) days prior to a date set for the redemption of the Certificates (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the Issuer shall notify the Paying Agent/Registrar of its decision to exercise the right to redeem the Certificates, the principal amount of each Stated Maturity to be redeemed, and the date set for the redemption thereof. The decision of the Issuer to exercise the right to redeem the Certificates shall be entered in the minutes of the governing body of the Issuer.

C. Selection of Certificates for Redemption. If less than all Outstanding Certificates of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall select at random and by lot the Certificates to be redeemed, provided that if less than the entire principal amount of a Certificate is to be redeemed, the Paying Agent/Registrar shall treat such Certificate then subject to redemption as representing the number of Certificates Outstanding which is obtained by dividing the principal amount of such Certificate by \$5,000.

D. Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Certificates, the Paying Agent/Registrar shall cause a notice of redemption to be sent by United States mail, first-class postage prepaid, in the name of the Issuer and at the Issuer's expense, to each Holder of a Certificate to be redeemed in whole or in part at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder. This notice may also be published once in a financial publication, journal, or reporter of general circulation among securities dealers in the City of New York, New York (including, but not limited to, *The Bond Buyer* and *The Wall Street Journal*), or in the State of Texas (including, but not limited to, *The Texas Bond Reporter*).

All notices of redemption shall (i) specify the date of redemption for the Certificates, (ii) identify the Certificates to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Certificates, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified, and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that payment of the redemption price for the Certificates, or the

principal amount thereof to be redeemed, shall be made at the corporate trust office of the Paying Agent/Registrar only upon presentation and surrender thereof by the Holder.

If a Certificate is subject by its terms to redemption and has been called for redemption and notice of redemption thereof has been duly given or waived as hereinabove provided, such Certificate (or the principal amount thereof to be redeemed) so called for redemption shall become due and payable, and if money sufficient for the payment of such Certificates (or of the principal amount thereof to be redeemed) at the then applicable redemption price is held for the purpose of such payment by the Paying Agent/Registrar, then on the redemption date designated in such notice, interest on the Certificates (or the principal amount thereof to be redeemed) called for redemption shall cease to accrue, and such Certificates shall not be deemed to be Outstanding in accordance with the provisions of this Ordinance.

E. Transfer/Exchange of Certificates. Neither the Issuer nor the Paying Agent/Registrar shall be required (i) to transfer or exchange any Certificate during a period beginning forty-five (45) days prior to the date fixed for redemption of the Certificates, or (ii) to transfer or exchange any Certificate selected for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Certificate which is subject to redemption in part.

SECTION 5: Execution – Registration. The Certificates shall be executed on behalf of the Issuer by its Mayor or Mayor Pro Tem under its seal reproduced or impressed thereon and attested by its City Clerk. The signature of either of said officers on the Certificates may be manual or facsimile. Certificates bearing the manual or facsimile signatures of individuals who were, at the time of the Certificate Date, the proper officers of the Issuer shall bind the Issuer, notwithstanding that such individuals or either of them shall cease to hold such offices prior to the delivery of the Certificates to the Purchasers (hereinafter defined), all as authorized and provided in Chapter 1201, as amended, Texas Government Code.

No Certificate shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Certificate either a certificate of registration substantially in the form provided in Section 8C, executed by the Comptroller of Public Accounts of the State of Texas or his duly authorized agent by manual signature, or a certificate of registration substantially in the form provided in Section 8D, executed by the Paying Agent/Registrar by manual signature, and either such certificate upon any Certificate shall be conclusive evidence, and the only evidence, that such Certificate has been duly certified or registered and delivered.

SECTION 6: Registration – Transfer – Exchange of Certificates – Predecessor Certificates. A Security Register relating to the registration, payment, transfer, or exchange of the Certificates shall at all times be kept and maintained by the Issuer at the corporate trust office of the Paying Agent/Registrar, and the Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of every owner of the Certificates or, if appropriate, the nominee thereof. Any Certificate may, in accordance with its terms and the terms hereof, be transferred or exchanged for Certificates of other authorized denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Certificate to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of

transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender for transfer of any Certificate at the corporate trust office of the Paying Agent/Registrar, the Issuer shall execute and the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Certificates executed on behalf of, and furnished by, the Issuer of authorized denominations and having the same Stated Maturity and of a like interest rate and aggregate principal amount as the Certificate or Certificates surrendered for transfer.

At the option of the Holder, Certificates may be exchanged for other Certificates of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Certificates surrendered for exchange upon surrender of the Certificates to be exchanged at the corporate trust office of the Paying Agent/Registrar. Whenever any Certificates are so surrendered for exchange, the Issuer shall execute, and the Paying Agent/Registrar shall register and deliver new Certificates executed on behalf of, and furnished by, the Issuer to the Holder requesting the exchange.

All Certificates issued upon any transfer or exchange of Certificates shall be delivered at the corporate trust office of the Paying Agent/Registrar, or be sent by United States registered mail to the Holder at his request, risk, and expense and, upon the delivery thereof, the same shall be the valid and binding obligations of the Issuer, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Certificates surrendered upon such transfer or exchange.

All transfers or exchanges of Certificates pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Certificates canceled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Certificates", evidencing all or a portion, as the case may be, of the same debt evidenced by the new Certificate or Certificates registered and delivered in the exchange or transfer therefor. Additionally, the term Predecessor Certificates shall include any Certificate registered and delivered pursuant to Section 21 in lieu of a mutilated, lost, destroyed, or stolen Certificate which shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Certificate.

SECTION 7: Initial Certificate. The Certificates herein authorized shall be issued initially either (i) as a single fully registered Certificate in the total principal amount of \$36,425,000 with principal installments to become due and payable as provided in Section 2 and numbered T-1, or (ii) as one (1) fully registered Certificate for each year of Stated Maturity in the applicable principal amount, interest rate, and denomination and to be numbered consecutively from T-1 and upward (the *Initial Certificate*) and, in either case, the Initial Certificate shall be registered in the name of the Purchasers or the designee thereof. The Initial Certificate shall be the Certificates submitted to the Office of the Attorney General of the State of Texas for approval,

certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the Purchasers. Any time after the delivery of the Initial Certificate to the Purchasers, the Paying Agent/Registrar, upon written instructions from the Purchasers, or the designee thereof, shall cancel the Initial Certificate delivered hereunder and exchange therefor definitive Certificates of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates, and shall be lettered "R" and numbered consecutively from one (1) upward, for transfer and delivery to the Holders named and at the addresses identified therefor; all pursuant to and in accordance with and pursuant to such written instructions from the Purchasers, or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 8: Forms.

A. Forms Generally. The Certificates, the Registration Certificate of Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Certificates shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including insurance legends and any reproduction of an opinion of Co-Bond Counsel) thereon as may, consistent herewith, be established by the Issuer or determined by the officers executing the Certificates as evidenced by their execution thereof. Any portion of the text of any Certificate may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Certificate.

The definitive Certificates shall be printed, lithographed, or engraved, produced by any combination of these methods, or produced in any other similar manner, all as determined by the officers executing the Certificates as evidenced by their execution thereof, but the Initial Certificate submitted to the Attorney General of the State of Texas may be typewritten or photocopied or otherwise reproduced.

If this Certificate is subject to redemption prior to Stated Maturity and is in a denomination in excess of \$5,000, portions of the principal sum hereof in installments of \$5,000 or any integral multiple thereof may be redeemed and, if less than all of the principal sum hereof is to be redeemed, there shall be issued, without charge therefor, to the Holder hereof, upon the surrender of this Certificate to the Paying Agent/Registrar at its corporate trust office, a new Certificate or Certificates of like Stated Maturity and interest rate in any authorized denominations provided in the Ordinance for the then unredeemed balance of the principal sum hereof.

If this Certificate (or any portion of the principal sum hereof) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date this Certificate (or the portion of the principal sum hereof to be redeemed) shall become due and payable, and, if the money for the payment of the redemption price and the interest accrued on the principal amount to be redeemed to the date of redemption is held for the purpose of such payment by the Paying Agent/Registrar, interest shall cease to accrue and be payable hereon from and after the redemption date on the principal amount hereof to be redeemed. If this Certificate is called for redemption, in whole or in part, the Issuer or the Paying Agent/Registrar shall not be required to issue, transfer, or exchange this Certificate within forty-five (45) days of the date fixed for

redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance hereof in the event of its redemption in part.

The Certificates of this series are payable from the levy of an ad valorem tax, within the limitations prescribed by law, upon all taxable property in the Issuer and are additionally payable from and secured by a lien on and pledge of the Pledged Revenues, being a limited amount of the Net Revenues derived from the operation of the Issuer's municipally owned parks, such lien on and pledge of the limited amount of Net Revenues being subordinate and inferior to the lien on and pledge thereof providing for the payment and security of any Revenue Obligations hereafter issued by the Issuer, but prior and superior to the lien on and pledge thereof securing the payment of the currently outstanding Inferior Lien Obligations and any Inferior Lien Obligations hereafter issued by the Issuer. The Issuer has previously authorized the issuance of the Limited Pledge Revenue Obligations that are payable from a lien on and pledge of a limited amount of Net Revenues of the System as described in the ordinances authorizing the issuance of the Limited Pledge Revenue Obligations. In the Ordinance, the Issuer retains the right to issue Revenue Obligations, Additional Limited Pledge Revenue Obligations, and Inferior Lien Obligations without limitation as to principal amount but subject to any terms, conditions, or restrictions as may be applicable thereto under law or otherwise.

Reference is hereby made to the Ordinance, copies of which are on file in the corporate trust office of the Paying Agent/Registrar, and to all of the provisions of which the Holder by his acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the tax levied and the revenues pledged for the payment of the Certificates; the terms and conditions under which the Issuer may issue Revenue Obligations, Additional Limited Pledge Revenue Obligations, and Inferior Lien Obligations; the terms and conditions relating to the transfer or exchange of the Certificates; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holder; the rights, duties, and obligations of the Issuer and the Paying Agent/Registrar; the terms and provisions upon which this Certificate may be redeemed or discharged at or prior to the Stated Maturity thereof, and deemed to be no longer Outstanding thereunder; and for the other terms and provisions specified in the Ordinance. Capitalized terms used herein without definition have the same meanings assigned in the Ordinance.

This Certificate, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register upon presentation and surrender at the corporate trust office of the Paying Agent/Registrar, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by the Holder hereof, or his duly authorized agent, and thereupon one or more new fully registered Certificates of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued to the designated transferee or transferees.

The Issuer and the Paying Agent/Registrar, and any agent of either, shall treat the Holder hereof whose name appears on the Security Register: (i) on the Record Date as the owner hereof for purposes of receiving payment of interest hereon; (ii) on the date of surrender of this Certificate as the owner hereof for purposes of receiving payment of principal hereof at its Stated Maturity or its redemption, in whole or in part; and (iii) on any other date as the owner hereof for all other purposes, and neither the Issuer nor the Paying Agent/Registrar, or any such agent of either, shall

be affected by notice to the contrary. In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a *Special Record Date*) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Issuer. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the *Special Payment Date* – which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, covenanted, and represented that all acts, conditions, and things required to be performed, exist, and be done precedent to the issuance of this Certificate in order to render the same a legal, valid, and binding obligation of the Issuer have been performed, exist, and have been done, in regular and due time, form, and manner, as required by the laws of the State of Texas and the Ordinance, and that the issuance of the Certificates does not exceed any constitutional or statutory limitation; and that due provision has been made for the payment of the principal of, premium if any, and interest on the Certificates by the levy of a tax and collection of Pledged Revenues as aforestated. In case any provision in this Certificate or any application thereof shall be deemed invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby. The terms and provisions of this Certificate and the Ordinance shall be construed in accordance with and shall be governed by the laws of the State of Texas.

The Issuer, at its sole discretion, may appropriate the Pledged Revenue Amount and deposit it into the Certificate Fund as provided in Section 14 hereof. To provide for the payment of the Debt Service Requirements on the Certificates being (i) the interest on the Certificates and (ii) a sinking fund for their redemption at Stated Maturity or a sinking fund of two percent (2%) (whichever amount shall be the greater), there shall be and there is hereby levied for the Fiscal Year commencing October 1, 2019 and each succeeding year thereafter while the Certificates or any interest thereon shall remain Outstanding, a sufficient tax, within the limitations prescribed by law, on each one hundred dollars' (\$100) valuation of taxable property in the Issuer, adequate to pay such Debt Service Requirements, full allowance being made for delinquencies and costs of collection; said tax shall be assessed and collected each year and applied to the payment of the Debt Service Requirements, and the same shall not be diverted to any other purpose. The taxes so levied and collected shall be paid into the Certificate Fund and are thereafter pledged to the payment of the Certificates. The Governing Body hereby declares its purpose and intent to provide and levy a tax legally and fully sufficient to pay the said Debt Service Requirements, it having been determined that the existing and available taxing authority of the Issuer for such purpose is adequate to permit a legally sufficient tax in consideration of all other outstanding indebtedness.

The amount of taxes to be provided annually for the payment of the principal of and interest on the Certificates shall be determined and accomplished in the following manner:

A. Prior to the date the Governing Body establishes the annual tax rate and passes an ordinance levying ad valorem taxes each year, the Governing Body shall determine:

(1) the amount of Debt Service Requirements to become due and payable on the Certificates between the Collection Date for the taxes then to be levied and the Collection Date for the taxes to be levied during the next succeeding calendar year;

(2) the amount on deposit in the Certificate Fund after: (i) deducting therefrom the total amount of Debt Service Requirements to become due on Certificates prior to the Collection Date for the ad valorem taxes to be levied; and (ii) adding thereto the amount of the Pledged Revenue Amount, if any, to be appropriated and allocated during such year to

pay such Debt Service Requirements, if any, prior to the Collection Date for the ad valorem taxes to be levied; and

(3) the amount of Pledged Revenue Amount, if any, appropriated and set aside for the payment of the Debt Service Requirements on the Certificates between the Collection Date for the taxes then to be levied and the Collection Date for the taxes to be levied during the next succeeding Fiscal Year.

B. If Texas law is amended at any time while the Certificates are outstanding and unpaid such that the pledge of the ad valorem taxes and Pledged Revenues granted by the Issuer is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the registered owners of the Certificates the perfection of the security interest in this pledge, the Issuer agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code and enable a filing to perfect the security interest in this pledge to occur.

SECTION 13: Revenue Fund. The Issuer covenants and agrees that there shall, from time to time be deposited into a special fund or account designated as "City of San Antonio, Texas, Pledged Revenue Fund" (the *Revenue Fund*) previously created, established, and maintained by the Issuer amounts whose sum shall not exceed, in the aggregate, \$1,000 which shall constitute the Pledged Revenue Amount. The amounts on deposit in the Revenue Fund shall be pledged and appropriated to the extent required to the payment of the amounts required to be deposited in the Certificate Fund.

Pledged Revenues, and income earned thereon, in the Revenue Fund in excess of the amounts required to fully discharge and satisfy the foregoing requirements may be used for any lawful purpose.

SECTION 14: Deposits to Certificate Fund – Surplus Certificate Proceeds. The Issuer covenants and agrees to cause to be deposited in the Certificate Fund prior to a principal and interest payment date for the Certificates, from the Pledged Revenues in the Revenue Fund, any Pledged Revenue Amount appropriated during any Fiscal Year.

Accrued interest, if any, received from the Purchasers of the Certificates shall be deposited in the Certificate Fund and ad valorem taxes levied and collected shall be deposited in the Certificate Fund. In addition, any surplus proceeds, along with any investment income thereon, from the sale of the Certificates not expended for authorized purposes shall be deposited in the Certificate Fund, and such amounts so deposited shall reduce the sum otherwise required to be deposited in the Certificate Fund from ad valorem taxes or Pledged Revenues.

SECTION 15: Security of Funds. All money on deposit in the funds for which this Ordinance makes provision (except any portion thereof as may be at any time properly invested as provided herein) shall be secured in the manner and to the fullest extent required by the laws of the State of Texas for the security of public funds, and money on deposit in such funds shall be used only for the purposes permitted by this Ordinance.

SECTION 16: Remedies in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas, the Issuer covenants and agrees particularly that in the event the Issuer: (i) defaults in the payments to be made to the Certificate Fund; or (ii) defaults in the observance or performance of any other of the covenants, conditions, or obligations set forth in this Ordinance, the Holders of any of the Certificates shall be entitled to seek a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the Governing Body of the Issuer and other officers of the Issuer to observe and perform any covenant, condition, or obligation prescribed in this Ordinance.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. The specific remedies herein provided shall be cumulative of all other existing remedies and the specification of such remedies shall not be deemed to be exclusive.

SECTION 17: Additional Obligations. The Issuer expressly reserves the right to hereafter issue Revenue Obligations, Additional Limited Pledge Revenue Obligations, and Inferior Lien Obligations without limitation as to principal amount, but subject to any terms, conditions or restrictions applicable thereto under law or otherwise.

Revenue Obligations, Additional Limited Pledge Revenue Obligations, and Inferior Lien Obligations, if issued, may be payable, in whole or in part, from Net Revenues (without impairment of the obligation of contract with the Holders of the Limited Pledge Revenue Obligations or the Certificates) upon such terms and conditions as the Governing Body may determine. Additional Limited Pledge Revenue Obligations, if issued and payable, in whole or in

part from Pledged Revenues (as defined in the same or similar terms as the term Pledged Revenues is defined in this Ordinance), shall not, in any event, be construed as payable from the Pledged Revenues required by this Ordinance to be budgeted and appropriated for the payment of the Certificates and interest thereon. Any Inferior Lien Obligations hereafter issued shall be payable from and secured by a lien on and pledge of certain surplus revenues of the System that is subordinate and inferior to the lien on and pledge of the Net Revenues securing the payment of the currently outstanding Limited Pledge Revenue Obligations or any Revenue Obligations or Additional Limited Pledge Revenue Obligations hereafter issued by the Issuer.

SECTION 18: Special Covenants. The Issuer hereby further covenants that:

A. it has the lawful power to pledge the Pledged Revenues supporting the Certificates and has lawfully exercised this power under the laws of the State of Texas, including power existing under Chapter 1502, as amended, Texas Government Code; the Certificate of Obligation Act of 1971, as amended; Texas Local Government Code Section 271.041 through Section 271.064; and Section 98 of the Issuer's Home Rule Charter; and

B. other than for the payment of the currently outstanding Limited Pledge Revenue Obligations, the Inferior Lien Obligations, and the Certificates, the Net Revenues have not in any manner been pledged to the payment of any debt or obligation of the Issuer.

SECTION 19: Notices to Holders – Waiver. Wherever this Ordinance provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and sent by United States mail, first-class postage prepaid, to the address of each Holder appearing in the Security Register at the close of business on the business day next preceding the mailing of such notice.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Certificates or Holders. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 20: Cancellation. All Certificates surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Paying Agent/Registrar, shall be promptly canceled by it and, if surrendered to the Issuer, shall be delivered to the Paying Agent/Registrar and, if not already canceled, shall be promptly canceled by the Paying Agent/Registrar. The Issuer may at any time deliver to the Paying Agent/Registrar for cancellation any Certificates previously certified or registered and delivered which the Issuer may have acquired in any manner whatsoever, and all Certificates so delivered shall be promptly canceled by the Paying Agent/Registrar. All canceled Certificates held by the Paying Agent/Registrar shall be destroyed as directed by the Issuer.

SECTION 21: Mutilated, Destroyed, Lost, and Stolen Certificates. If: (i) any mutilated Certificate is surrendered to the Paying Agent/Registrar, or the Issuer and the Paying Agent/Registrar receive evidence to their satisfaction of the destruction, loss, or theft of any Certificate; and (ii) there is delivered to the Issuer and the Paying Agent/Registrar such security or indemnity as may be required to save each of them harmless, then, in the absence of notice to the Issuer or the Paying Agent/Registrar that such Certificate has been acquired by a bona fide purchaser, the Issuer shall execute and, upon its request, the Paying Agent/Registrar shall register and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Certificate, a new Certificate of the same Stated Maturity and interest rate and of like tenor and principal amount, bearing a number not contemporaneously Outstanding.

In case any such mutilated, destroyed, lost, or stolen Certificate has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Certificate, pay such Certificate. Upon the issuance of any new Certificate or payment in lieu thereof, under this Section, the Issuer may require payment by the Holder of a sum sufficient to cover any tax or other governmental charge imposed in relation thereto and any other expenses (including attorney's fees and the fees and expenses of the Paying Agent/Registrar) connected therewith. Every new Certificate issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Certificate shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost, or stolen Certificate shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Certificates. The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost, or stolen Certificates.

SECTION 22: Sale of the Certificates – Approval of Purchase Contract – Use of Proceeds – Official Statement Approval. The Certificates authorized by this Ordinance are hereby sold by the Issuer to Citigroup Global Markets Inc., Dallas, Texas, as the authorized representative of a group of underwriters (the *Purchasers*), having all the rights, benefits, and obligations of a Holder, in accordance with the provisions of a Purchase Contract, dated August 13, 2019, attached hereto as Exhibit B and incorporated herein by reference as a part of this Ordinance for all purposes. The Initial Certificate shall be registered in the name of Citigroup Global Markets Inc. The pricing and terms of the sale of the Certificates are hereby found and determined to be the most advantageous reasonably obtainable by the City. Each Authorized Official is hereby authorized and directed to execute the Purchase Contract for and on behalf of the Issuer and as the act and deed of this Governing Body, and in regard to the approval and execution of the Purchase Contract, the Governing Body hereby finds, determines, and declares that the representations, warranties, and agreements of the Issuer contained in the Purchase Contract are true and correct in all material respects and shall be honored and performed by the Issuer. Delivery of the Certificates to the Purchasers shall occur as soon as practicable after the adoption of this Ordinance, upon payment therefor in accordance with the terms of the Purchase Contract.

Furthermore, the Issuer hereby ratifies, confirms, and approves in all respects: (i) the Issuer's prior determination that the Preliminary Official Statement was, as of its date, "deemed final" in accordance with the Rule (hereinafter defined); and (ii) the use and distribution of the Preliminary Official Statement by the Purchasers in connection with the public offering and sale

of the Certificates. The final Official Statement, being a modification and amendment of the Preliminary Official Statement to reflect the terms of sale, referenced in the Purchase Contract (together with such changes approved by any Authorized Official), shall be and is hereby in all respects approved, and the Purchasers are hereby authorized to use and distribute the final Official Statement, dated August 13, 2019, in the reoffering, sale and delivery of the Certificates to the public. The Mayor and City Clerk are further authorized and directed to manually execute and deliver for and on behalf of the Issuer copies of the Official Statement in final form as may be required by the Purchasers, and such final Official Statement in the form and content manually executed by said officials shall be deemed to be approved by the Governing Body and constitute the Official Statement authorized for distribution and use by the Purchasers. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the date of payment for and delivery of the Certificates.

Proceeds from the sale of the Certificates shall be applied as follows:

A. The Issuer received a reoffering premium from the sale of the Certificates of \$7,566,718.55, which is hereby allocated by the Issuer in the following manner: (i) \$121,695.46 shall be used to pay costs of issuance and contingency amount; (ii) \$130,023.09 shall be used to pay the Purchasers' discount; and (iii) \$7,315,000.00 shall be deposited into the special construction account or accounts as described in subsection B below.

B. \$43,740,000.00 (representing \$36,425,000.00 of principal and \$7,315,000.00 of the reoffering premium) shall be deposited into the special construction account or accounts created for the projects to be constructed with the proceeds of the Certificates. This special construction account shall be established and maintained at the Issuer's Depository and shall be invested in accordance with the provisions of Section 10 of this Ordinance. Interest earned on the proceeds of the Certificates pending completion of construction of the projects financed with such proceeds shall be accounted for, maintained, deposited, and expended as permitted by the provisions of Chapter 1201, as amended, Texas Government Code, or as required by any other applicable law. Thereafter, such amounts shall be expended in accordance with Section 14 of this Ordinance.

SECTION 23: Covenants to Maintain Tax-Exempt Status.

A. Definitions. When used in this Section, the following terms have the following meanings:

Code means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

Computation Date has the meaning set forth in Section 1.148-1(b) of the Regulations.

Gross Proceeds means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Certificates.

Investment has the meaning set forth in Section 1.148-1(b) of the Regulations.

Nonpurpose Investment means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Certificates are invested and which is not acquired to carry out the governmental purposes of the Certificates.

Rebate Amount has the meaning set forth in Section 1.148-1(b) of the Regulations.

Regulations means any proposed, temporary, or final Income Tax Regulations issued pursuant to sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Certificates. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

Yield of:

- (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and
- (2) the Certificates means the combined yield on the Bonds, the Certificates, and the Notes, treating them as a single issue and as calculated pursuant to section 1.148-4 of the Regulations.

B. Not to Cause Interest to Become Taxable. The Issuer shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Certificate to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the Issuer receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Certificate, the Issuer shall comply with each of the specific covenants in this Section.

C. No Private Use or Private Payments. Except to the extent it will not cause the Certificates to become "private activity bonds" within the meaning of section 141 of the Code and the Regulations and rulings thereunder, the Issuer shall at all times prior to the last Stated Maturity of Certificates:

- (1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Certificates, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or

any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Certificates or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the Issuer or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

D. No Private Loan. Except to the extent it will not cause the Certificates to become "private activity bonds" within the meaning of section 141 of the Code and the Regulations and rulings thereunder, the Issuer shall not use Gross Proceeds of the Certificates to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

E. Not to Invest at Higher Yield. Except to the extent it will not cause the Certificates to become "arbitrage bonds" within the meaning of section 148 of the Code and the Regulations and rulings thereunder, the Issuer shall not at any time prior to the final Stated Maturity of the Certificates directly or indirectly invest Gross Proceeds in any Investment, if as a result of such investment the Yield on any Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, materially exceeds the Yield of the Certificates.

F. Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the Issuer shall not take or omit to take any action which would cause the Certificates to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

G. Information Report. The Issuer shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

H. Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The Issuer shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six (6) years after the day on which the last Outstanding Certificate is discharged. However, to the extent permitted by law, the Issuer may

commingle Gross Proceeds of the Certificates with other money of the Issuer, provided that the Issuer separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the Issuer shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The Issuer shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Certificates until six (6) years after the final Computation Date.

(3) As additional consideration for the purchase of the Certificates by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the Issuer shall pay to the United States out of the Certificate Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Certificates equals: (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The Issuer shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

I. Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the Issuer shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Certificates, enter into any transaction that reduces the amount required to be paid to the United States pursuant to subsection H of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Certificates not been relevant to either party.

J. Certificates Not Hedge Bonds.

(1) The Issuer reasonably expects to spend at least eighty-five percent (85%) of the spendable proceeds of the Certificates within three (3) years after such Certificates are issued.

(2) Not more than fifty percent (50%) of the proceeds of the Certificates will be invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of four (4) years or more.

K. Elections. The Issuer hereby directs and authorizes any Authorized Official or the City Attorney, either or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Certificates, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document. Such elections shall be deemed to be made on the Closing Date.

SECTION 24: Control and Custody of Certificates. The Mayor of the Issuer shall be and is hereby authorized to take and have charge of all necessary orders and records pending investigation by the Attorney General of the State of Texas and shall take and have charge and control of the Certificates pending their approval by the Attorney General of the State of Texas, the registration thereof by the Comptroller of Public Accounts of the State of Texas and the delivery of the Certificates to the Purchasers.

Furthermore, any Authorized Official, individually or any combination of them, are hereby authorized and directed to furnish and execute such documents relating to the Issuer and its financial affairs as may be necessary for the issuance of the Certificates, the approval of the Attorney General of the State of Texas and their registration by the Comptroller of Public Accounts of the State of Texas and, together with the Issuer's Co-Financial Advisors, Co-Bond Counsel, and the Paying Agent/Registrar, make the necessary arrangements for the delivery of the Initial Certificate to the Purchasers and, when requested in writing by the Purchasers, the initial exchange thereof for definitive Certificates.

SECTION 25: Satisfaction of Obligation of Issuer. If the Issuer shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Certificates, at the times and in the manner stipulated in this Ordinance, then the pledge of taxes levied and the lien on and pledge of the Pledged Revenues under this Ordinance and all covenants, agreements, and other obligations of the Issuer to the Holders shall thereupon cease, terminate, and be discharged and satisfied.

Certificates, or any principal amount(s) thereof, shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when: (i) money sufficient to pay in full such Certificates or the principal amount(s) thereof at Stated Maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent; and/or (ii) Government Securities shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Securities mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any money deposited therewith, if any, to pay when due the principal of and interest on such Certificates, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof for the Certificates. In the event of a defeasance of the Certificates, the Issuer shall deliver a

certificate from its financial advisor, the Paying Agent/Registrar, independent accounting firm, or another qualified third party concerning the deposit of cash and/or Government Securities to pay, when due, the principal of, redemption premium (if any), and interest due on any defeased Certificates. To the extent applicable, if at all, the Issuer covenants that no deposit of money or Government Securities will be made under this Section and no use made of any such deposit which would cause the Certificates to be treated as arbitrage bonds within the meaning of section 148 of the Code (as defined in Section 23 hereof).

Any money so deposited with the Paying Agent/Registrar, and all income from Government Securities held in trust by the Paying Agent/Registrar, or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Certificates, or any principal amount(s) thereof, or interest thereon with respect to which such money has been so deposited shall be remitted to the Issuer or deposited as directed by the Issuer. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Certificates and remaining unclaimed for a period of three (3) years after the Stated Maturity of the Certificates, or applicable redemption date of the Certificates, such money was deposited and is held in trust to pay shall upon the request of the Issuer be remitted to the Issuer against a written receipt therefor, subject to the unclaimed property laws of the State of Texas.

Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem defeased Certificates that is made in conjunction with the payment arrangements specified in clause (i) or (ii) above shall not be irrevocable, provided that: (1) in the proceedings providing for such defeasance, the Issuer expressly reserves the right to call the defeased Certificates for redemption; (2) gives notice of the reservation of that right to the owners of the defeased Certificates immediately following the defeasance; (3) directs that notice of the reservation be included in any redemption notices that it authorizes; and (4) at the time of the redemption, satisfies the conditions of clause (i) or (ii) above with respect to such defeased debt as though it was being defeased at the time of the exercise of the option to redeem the defeased Certificates, after taking the redemption into account in determining the sufficiency of the provisions made for the payment of the defeased Certificates.

SECTION 26: Printed Opinion. The Purchasers' obligation to accept delivery of the Certificates is subject to their being furnished a final opinion of Norton Rose Fulbright US LLP and Kassahn & Ortiz, P.C., as Co-Bond Counsel, approving certain legal matters as to the Certificates, said opinion to be dated and delivered as of the date of initial delivery and payment for such Certificates. Printing of a true and correct copy of said opinion on the reverse side of each of said Certificates, with appropriate certificate pertaining thereto executed by facsimile signature of the City Clerk of the Issuer is hereby approved and authorized.

SECTION 27: CUSIP Numbers. CUSIP numbers may be printed or typed on the definitive Certificates. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Certificates shall be of no significance or effect as regards the legality thereof, and neither the Issuer nor attorneys approving said Certificates as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Certificates.

SECTION 28: Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

SECTION 29: Ordinance a Contract – Amendments – Outstanding Certificates. The Issuer acknowledges that the covenants and obligations of the Issuer herein contained are a material inducement to the purchase of the Certificates. This Ordinance shall constitute a contract with the Holders from time to time, be binding on the Issuer and its successors and assigns, and it shall not be amended or repealed by the Issuer so long as any Certificate remains Outstanding except as permitted in this Section. The Issuer may, without the consent of or notice to any Holders, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the Issuer may, with the written consent of Holders holding a majority in aggregate principal amount of the Certificates then Outstanding affected thereby, amend, add to, or rescind any of the provisions of this Ordinance; provided, however, that, without the consent of all Holders of Outstanding Certificates, no such amendment, addition, or rescission shall: (1) extend the time or times of payment of the principal of, premium, if any, and interest on the Certificates, reduce the principal amount thereof, the redemption price therefor, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of, premium, if any, or interest on the Certificates; (2) give any preference to any Certificate over any other Certificate; or (3) reduce the aggregate principal amount of Certificates required for consent to any such amendment, addition, or rescission.

SECTION 30: Benefits of Ordinance. Nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon any person other than the Issuer, Co-Bond Counsel, the Paying Agent/Registrar, the Purchasers, and the Holders, any right, remedy, or claim, legal or equitable, under or by reason of this Ordinance or any provision hereof, this Ordinance and all its provisions being intended to be and being for the sole and exclusive benefit of the Issuer, Co-Bond Counsel, the Paying Agent/Registrar, the Purchasers, and the Holders.

SECTION 31: Inconsistent Provisions. All ordinances, orders, or resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict, and the provisions of this Ordinance shall be and remain controlling as to the matters contained herein.

SECTION 32: Governing Law. This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 33: Severability. If any provision of this Ordinance or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Ordinance and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Governing Body hereby declares that this Ordinance would have been enacted without such invalid provision.

SECTION 34: Incorporation of Preamble Recitals. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Ordinance for all purposes and are adopted as a part of the judgment and findings of the Governing Body of the Issuer.

SECTION 35: Authorization of Paying Agent/Registrar Agreement. The Governing Body of the Issuer hereby finds and determines that it is in the best interest of the Issuer to authorize the

execution of a Paying Agent/Registrar Agreement pertaining to the registration, exchange, transferability, and payment of the Certificates. A copy of the Paying Agent/Registrar Agreement is attached hereto, in substantially final form, as Exhibit A and is incorporated by reference to the provisions of this Ordinance.

SECTION 36: Book-Entry-Only System. The Certificates shall initially be registered so as to participate in a securities depository system (the *DTC System*) with the Depository Trust Company, New York, New York, or any successor entity thereto (*DTC*), as set forth herein. Each Stated Maturity of the Certificates shall be issued (following cancellation of the Initial Certificate described in Section 7) in the form of a separate single definitive Certificate. Upon issuance, the ownership of each such Certificate shall be registered in the name of Cede & Co., as the nominee of DTC, and all of the Outstanding Certificates shall be registered in the name of Cede & Co., as the nominee of DTC. The Issuer and the Paying Agent/Registrar are authorized to execute, deliver, and take the actions set forth in such letters to or agreements with DTC as shall be necessary to effectuate the DTC System, including the Letter of Representations attached hereto as Exhibit C (the *Representation Letter*).

With respect to the Certificates registered in the name of Cede & Co., as nominee of DTC, the Issuer and the Paying Agent/Registrar shall have no responsibility or obligation to any broker-dealer, bank, or other financial institution for which DTC holds the Certificates from time to time as securities depository (a *Depository Participant*) or to any person on behalf of whom such a Depository Participant holds an interest in the Certificates (an *Indirect Participant*). Without limiting the immediately preceding sentence, the Issuer and the Paying Agent/Registrar shall have no responsibility or obligation with respect to: (i) the accuracy of the records of DTC, Cede & Co., or any Depository Participant with respect to any ownership interest in the Certificates; (ii) the delivery to any Depository Participant or any other person, other than a registered owner of the Certificates, as shown on the Security Register, of any notice with respect to the Certificates, including any notice of redemption; or (iii) the delivery to any Depository Participant or any Indirect Participant or any other Person, other than a Holder of a Certificate, of any amount with respect to principal of, premium, if any, or interest on the Certificates. While in the DTC System, no person other than Cede & Co., or any successor thereto, as nominee for DTC, shall receive a bond certificate evidencing the obligation of the Issuer to make payments of principal, premium, if any, and interest pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks or drafts being mailed to the Holder, the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

In the event that: (i) the Issuer determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter; (ii) the Representation Letter shall be terminated for any reason; or (iii) DTC or the Issuer determines that it is in the best interest of the beneficial owners of the Certificates that they be able to obtain certificated Certificates, the Issuer shall notify the Paying Agent/Registrar, DTC, and DTC Participants of the availability within a reasonable period of time through DTC of bond certificates, and the Certificates shall no longer be restricted to being registered in the name of Cede & Co., as nominee of DTC. At that time, the Issuer may determine that the Certificates shall be registered in the name of and deposited

with a successor depository operating a securities depository system, as may be acceptable to the Issuer, or such depository's agent or designee, and if the Issuer and the Paying Agent/Registrar do not select such alternate securities depository system then the Certificates may be registered in whatever name or names the Holders of Certificates transferring or exchanging the Certificates shall designate, in accordance with the provisions hereof.

Notwithstanding any other provision of this Ordinance to the contrary, so long as any Certificate is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Certificate and all notices with respect to such Certificate shall be made and given, respectively, in the manner provided in the Representation Letter.

SECTION 37: Public Meeting. It is officially found, determined, and declared that the meeting at which this Ordinance is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Ordinance, was given, all as required by Chapter 551, as amended, Texas Government Code.

SECTION 38: Unavailability of Authorized Publication. If, because of the temporary or permanent suspension of any newspaper, journal, or other publication, or, for any reason, publication of notice cannot be made meeting any requirements herein established, any notice required to be published by the provisions of this Ordinance shall be given in such other manner and at such time or times as in the judgment of the Issuer or of the Paying Agent/Registrar shall most effectively approximate such required publication and the giving of such notice in such manner shall for all purposes of this Ordinance be deemed to be in compliance with the requirements for publication thereof.

SECTION 39: No Recourse Against Issuer Officials. No recourse shall be had for the payment of principal of, premium, if any, or interest on any Certificate or for any claim based thereon or on this Ordinance against any official of the Issuer or any person executing any Certificate.

SECTION 40: Continuing Disclosure Undertaking.

Undertaking means the Issuer's continuing disclosure undertaking, described in subsections B through E below, hereunder accepted and entered into by the Issuer for the purpose of compliance with the Rule.

B. Annual Reports.

The Issuer shall file annually with the MSRB (1) within six (6) months after the end of each Fiscal Year of the Issuer ending in or after 2019, financial information and operating data with respect to the Issuer of the general type included in the final Official Statement authorized by Section 22 of this Ordinance, being the information described in Exhibit D hereto, and (2) if not provided as part such financial information and operating data, audited financial statements of the Issuer, when and if available. Any financial statements so to be provided shall be (i) prepared in accordance with the accounting principles described in Exhibit D hereto, or such other accounting principles as the Issuer may be required to employ from time to time pursuant to state law or regulation, and (ii) audited, if the Issuer commissions an audit of such financial statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within such period, then the Issuer shall file unaudited financial statements within such period and audited financial statements for the applicable Fiscal Year to the MSRB, when and if the audit report on such financial statements becomes available. Under current Texas law, including, but not limited to, Chapter 103, as amended, Texas Local Government Code, the Issuer must have its records and accounts audited annually and shall have an annual financial statement prepared based on the audit. The annual financial statement, including the auditor's opinion on the statement, shall be filed in the office of the City Clerk within one hundred eighty (180) days after the last day of the Issuer's Fiscal Year. Additionally, upon the filing of this financial statement and the annual audit, these documents are subject to the Texas Open Records Act, as amended, Texas Government Code, Chapter 552.

If the Issuer changes its Fiscal Year, it will file notice of such change (and of the date of the new Fiscal Year end) with the MSRB prior to the next date by which the Issuer otherwise would be required to provide financial information and operating data pursuant to this Section.

C. Notice of Certain Events.

The Issuer shall file notice of any of the following events with respect to the Certificates to the MSRB in a timely manner and not more than ten (10) business days after occurrence of the event:

- (1) principal and interest payment delinquencies;

- (2) non-payment related defaults, if material;
- (3) unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) substitution of credit or liquidity providers, or their failure to perform;
- (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Certificates, or other material events affecting the tax status of the Certificates;
- (7) modifications to rights of Holders of the Certificates, if material;
- (8) Certificate calls, if material, and tender offers;
- (9) defeasances;
- (10) release, substitution, or sale of property securing repayment of the Certificates, if material;
- (11) rating changes;
- (12) bankruptcy, insolvency, receivership, or similar event of the Issuer, which shall occur as described below;
- (13) the consummation of a merger, consolidation, or acquisition involving the Issuer or the sale of all or substantially all of its assets, other than in the ordinary course of business, the entry into of a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (14) appointment of a successor or additional paying agent/registrar or the change of name of a paying agent/registrar, if material;
- (15) incurrence of a Financial Obligation of the Issuer, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Issuer, any of which affect security holders, if material; and
- (16) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Issuer, any of which reflect financial difficulties.

For these purposes, (a) any event described in the immediately preceding paragraph (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent,

or similar officer for the Issuer in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer, and (b) the Issuer intends the words used in the immediately preceding paragraphs (15) and (16) and the definition of Financial Obligation in this Section to have the same meanings as when they are used in the Rule, as evidenced by SEC Release No. 34-83885, dated August 20, 2018.

The Issuer shall file notice with the MSRB, in a timely manner, of any failure by the Issuer to provide financial information or operating data in accordance with this Section by the time required by this Section.

D. Limitations, Disclaimers, and Amendments.

The Issuer shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the Issuer remains an “obligated person” with respect to the Certificates within the meaning of the Rule, except that the Issuer in any event will give notice of any deposit that causes the Certificates to be no longer Outstanding.

The provisions of this Section are for the sole benefit of the holders and beneficial owners of the Certificates, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Issuer undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Issuer’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The Issuer does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Certificates at any future date.

UNDER NO CIRCUMSTANCES SHALL THE ISSUER BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, WHETHER NEGLIGENT OR WITH OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR *MANDAMUS* OR SPECIFIC PERFORMANCE.

No default by the Issuer in observing or performing its obligations under this Section shall constitute a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the Issuer under federal and state securities laws.

The provisions of this Section may be amended by the Issuer from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Issuer, but only if (i) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Certificates in the primary offering of the Certificates in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (ii) either (a) the holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Certificates consent to such amendment or (b) a person that is unaffiliated with the Issuer (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the holders and beneficial owners of the Certificates. The Issuer may also repeal or amend the provisions of this Section if the SEC amends or repeals the applicable provisions of the Rule or any court of final jurisdiction enters judgment that such provisions of the Rule are invalid, and the Issuer also may amend the provisions of this Section in its discretion in any other manner or circumstance, but in either case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling Certificates in the primary offering of the Certificates, giving effect to (a) such provisions as so amended and (b) any amendments or interpretations of the Rule. If the Issuer so amends the provisions of this Section, the Issuer shall include with any amended financial information or operating data next provided in accordance with this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

E. Information Format – Incorporation by Reference.

The Issuer information required under this Section shall be filed with the MSRB through EMMA in such format and accompanied by such identifying information as may be specified from time to time thereby. Under the current rules of the MSRB, continuing disclosure documents submitted to EMMA must be in word-searchable portable document format (PDF) files that permit the document to be saved, viewed, printed, and retransmitted by electronic means and the series of obligations to which such continuing disclosure documents relate must be identified by CUSIP number or numbers.

Financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document) available to the public through EMMA or filed with the SEC.

F. General Policies and Procedures Concerning Compliance with the Rule.

Because the issuance of the Certificates is subject to the provisions of the Rule and because the potential “underwriters” in a negotiated sale of the Certificates or the initial purchasers in a competitive sale of the Certificates may be subject to MSRB rules and regulations with respect to such sale (including certain due diligence and suitability requirements, among others), the Issuer

hereby adopts the General Policies and Procedures Concerning Compliance with the Rule (the *Policies and Procedures*), attached hereto as Exhibit E, with which the Issuer shall follow to assure compliance with the Undertaking. The Issuer has developed these Policies and Procedures for the purpose of meeting its requirements of the Undertaking and, in connection therewith, has sought the guidance from its internal staff charged with administering the Issuer's financial affairs, its co-municipal or financial advisors, its legal counsel (including its Co-Bond Counsel), and its independent accountants (to the extent determined to be necessary or advisable). The Policies and Procedures can be amended at the sole discretion of the Issuer and any such amendment will not be deemed to be an amendment to the Undertaking. Each Authorized Official is hereby authorized to amend the Policies and Procedures as a result of a change in law, a future issuance of indebtedness subject to the Rule, or another purpose determined by the Authorized Official to be necessary or desirable for or with respect to future compliance with the Undertaking.

SECTION 41: Further Procedures. The officers and employees of the Issuer are hereby authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the corporate seal and on behalf of the Issuer all such instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the initial sale and delivery of the Certificates, the Paying Agent/Registrar Agreement, the Purchase Contract, and the Official Statement. In addition, prior to the initial delivery of the Certificates, any Authorized Official and Co-Bond Counsel are hereby authorized and directed to approve any technical changes or corrections to this Ordinance or to any of the instruments authorized and approved by this Ordinance necessary in order to (i) correct any ambiguity or mistake or properly or more completely document the transactions contemplated and approved by this Ordinance and as described in the Official Statement, (ii) obtain a rating from any of the national bond rating agencies, or (iii) obtain the approval of the Certificates by the Office of the Attorney General of the State of Texas. In case any officer of the Issuer whose signature shall appear on any certificate shall cease to be such officer before the delivery of such certificate, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 42: Ancillary Bond Contracts. Though such parties may be identified, and the entry into a particular form of contract may be authorized herein, pursuant to Chapter 1371, and any other applicable law, the Governing Body, hereby delegates to each Authorized Official other than the Mayor the authority to independently select the counterparty to any agreement with any paying agent/registrar, rating agency, securities depository, or any other contract that is determined by an Authorized Official (other than the Mayor), the City's Co-Financial Advisors, or the City's Co-Bond Counsel to be necessary or incidental to the issuance of the Bonds as long as each of such contracts has a value of less than the amount referenced in Section 2252.908 of the Texas Government Code (collectively, the Ancillary Bond Contracts); and, as necessary, to execute the Ancillary Bond Contracts on behalf and as the act and deed of the City. As a result of such delegation, the provisions of Section 2252.908, as amended, Texas Government Code, are not applicable to the Ancillary Bond Contracts pursuant to 1 Texas Administrative Code Sec. 46.1(c).

SECTION 43: Construction of Terms. If appropriate in the context of this Ordinance, words of the singular number shall be considered to include the plural, words of the plural number

shall be considered to include the singular, and words of the masculine, feminine or neuter gender shall be considered to include the other genders.

SECTION 44: City's Consent to Provide Information and Documentation to the Texas MAC. The Municipal Advisory Council of Texas (the *Texas MAC*), a non-profit membership corporation organized exclusively for non-profit purposes described in section 501(c)(6) of the Code and which serves as a comprehensive financial information repository regarding municipal debt issuers in Texas, requires provision of written documentation regarding the issuance of municipal debt by the issuers thereof. In support of the purpose of the Texas MAC and in compliance with applicable law, the City hereby consents to and authorizes any Authorized Official, the City's Co-Bond Counsel, and/or the City's Co-Financial Advisor to provide to the Texas MAC information and documentation requested by the Texas MAC relating to the Certificates; provided, however, that no such information and documentation shall be provided prior to the Closing Date. This consent and authorization relates only to information and documentation that is a part of the public record concerning the issuance of the Certificates.

SECTION 45: Effective Date. The effective date of this Ordinance shall be governed by the provisions of Section 1-15 of the City Code of San Antonio, Texas. This Ordinance shall take effect immediately if passed by eight (8) affirmative votes; otherwise, this Ordinance shall take effect ten (10) days from the date of passage.

EXHIBIT E

GENERAL POLICIES AND PROCEDURES CONCERNING COMPLIANCE WITH THE RULE

I. Capitalized terms used in this Exhibit have the meanings ascribed thereto in Section 40 of the Ordinance. *Certificates* refer to the Certificates that are the subject of the Ordinance to which this Exhibit is attached.

II. As a capital markets participant, the Issuer is aware of its continuing disclosure requirements and obligations existing under the Rule prior to February 27, 2019, the effective date of the most recent amendment to the Rule (the *Effective Date*), and has implemented and maintained internal policies, processes, and procedures to ensure compliance therewith. Adherence to these internal policies, processes, and procedures has enabled underwriters in non-exempt negotiated sales and initial purchasers in non-exempt competitive sales to comply with their obligations arising under various MSRB rules and regulations concerning due diligence and findings of suitability, among other matters, regarding the Issuer's compliance with the Rule.

III. The Issuer is aware that the Rule was amended as of the Effective Date (the *Rule Amendment*) and has accommodated this amendment by adding subparagraphs (15) and (16) to Section 40C of the Ordinance, which provisions are a part of the Undertaking.

IV. The Issuer is aware that "participating underwriters" (as such term is defined in the Rule) of the Certificates must make inquiry and reasonably believe that the Issuer is likely to comply with the Undertaking and that the standards for determining compliance have increased over time as a result of, among others, the United States Securities and Exchange Commission's Municipalities Continuing Disclosure Cooperation Initiative and regulatory commentary relating to the effectiveness of the Rule Amendment.

V. The Issuer now establishes the following general policies and procedures (the *Policies and Procedures*) for satisfying its obligations pursuant to the Undertaking, which policies and procedures have been developed based on the Issuer's informal policies, procedures, and processes utilized prior to the Effective Date for compliance with the Issuer's obligations under the Rule, the advice from and discussions with the Issuer's internal senior staff (including staff charged with administering the Issuer's financial affairs), its co-municipal or financial advisors, its legal counsel (including Co-Bond Counsel), and its independent accountants, to the extent determined to be necessary or advisable (collectively, the *Compliance Team*):

1. the Chief Financial Officer (the *Compliance Officer*) shall be responsible for satisfying the Issuer's obligations pursuant to the Undertaking through adherence to these Policies and Procedures;
2. the Compliance Officer shall establish reminder or "tickler" systems to identify and timely report to the MSRB, in the format thereby prescribed from time to time, the Issuer's information of the type described in Section 40B of the Ordinance;

6/20/19

Item No. 39B

3. the Compliance Officer shall promptly determine the occurrence of any of the events described in Section 40C of the Ordinance;
4. the Compliance Officer shall work with external consultants of the Issuer, as and to the extent necessary, to timely prepare and file with the MSRB the annual information of the Issuer and notice of the occurrence of any of the events referenced in Clauses 2 and 3 above, respectively, the foregoing being required to satisfy the terms of the Undertaking;
5. the Compliance Officer shall establish a system for identifying and monitoring any Financial Obligations, whether now existing or hereafter entered into by the Issuer, and (upon identification) determining if such Financial Obligation has the potential to materially impact the security or source of repayment of the Certificates;
6. upon identification of any Financial Obligation meeting the materiality standard identified in Clause 5 above, the Compliance Officer shall establish a process for identifying and monitoring any Issuer agreement to covenants, events of default, remedies, priority rights, or other similar terms under such Financial Obligation;
7. the Compliance Officer shall establish a process for identifying the occurrence of any default, event of acceleration, termination event, modification of terms, or other similar events under the terms of any Financial Obligation, the occurrence of any of which reflect financial difficulties of the Issuer; and
8. the Compliance Officer shall annually review these Policies and Procedures with the remainder of the Compliance Team, make any modifications on an internal document retained by the Compliance Officer and available to any "participating underwriter" (as defined in the Rule), if requested, and on the basis of this annual review (to the extent determined to be necessary or desirable), seek additional training for herself or himself, as well as other members of the Issuer's internal staff identified by the Compliance Officer to assist with the Issuer's satisfaction of the terms and provisions of the Undertaking.
