Developer shall have sufficient capital, from one or more sources selected by Developer, including but not limited to the financing of the Project, to perform all of its obligations under this Agreement when it needs to have said capital.

- 4.4 NO INCREMENT REVENUE BONDS. Neither the City nor the Board will issue any tax increment revenue bonds to cover any costs directly or indirectly related to Developer's improvement of the TIRZ under this Agreement.
- 4.5 REASONABLE EFFORTS. Each party to this Agreement will cooperate and make reasonable efforts to expedite the subject matter hereof and acknowledge that successful performance of this Agreement requires their continued cooperation.

- 4.8 NO INTERLOCAL AGREEMENTS. Each party to this Agreement understands and agrees that the City is the only participating taxing entity contributing 100% of the tax increment to the TIRZ Fund for this Project, and therefore, no other agreements are necessary with any other public entity to make this Agreement effective.
- 4.9 DEVELOPER BEARS THE RISK. Developer understands and agrees that any expenditure made by Developer in anticipation of reimbursement of TIRZ Funds shall not be, nor shall be construed to be, the financial obligations of the City and/or the TIRZ. Developer bears all risks associated with reimbursement, including, but not limited to incorrect estimates of tax increment, changes in tax rates or tax collections, changes in law or interpretations thereof, changes in market or economic conditions impacting the Public Improvements and Public Infrastructure, changes in interest rates or capital markets, changes in building and development code requirements, changes in City policy, and unanticipated effects covered under legal doctrine of force majeure. The Terms by which eligible Project Costs will be reimbursed are further defined in Article VIII. Compensation to Developer, attached hereto and incorporated herein for all purposes.

ARTICLE VI. DUTIES AND OBLIGATIONS OF DEVELOPER

- 6.1 DISCRETIONARY PROGRAM. Developer agrees that the TIF program is a discretionary program and that the City and the Board have no obligation to extend TIF to Developer. However, the Board has agreed to support the Project, provided Developer satisfies certain terms and conditions, as further provided herein. Developer agrees that as of the Effective Date, they have no vested rights under any regulations, ordinances or laws at the Project Site, and waive any claim to be exempt from applicable provisions of the current City Charter, City Code, City Ordinances, and state or federal laws and regulations.
- 6.2 COMPLIANCE. Developer, Developer's designees or development consultants agree to exercise supervision over the construction of the Public Infrastructure and Public Improvements associated with the Project. Developer agrees to provide, or cause to be provided, all materials, labor and services for completing the Project. - 6.4 COMMENCEMENT OF CONSTRUCTION. From the Effective Date of this Agreement forward, Developer shall not commence any construction on the Project receiving funding under this Agreement, until the plans and specifications have been approved by the appropriate City department and the requirements of all applicable federal, state, and local laws have been met.
- 6.5 PAYMENT BONDS AND PERFORMANCE BONDS. To the extent required by Chapter 2253 of the Texas Government Code, Developer shall cause its general contractor(s) to obtain payment and performance bonds naming the City as beneficiary or obligee of the bonds for construction of the Public Improvements and Public Infrastructure at the Project Site. Said bonds shall be in an amount sufficient to cover only the cost of the construction and completion of the Public Improvements and Public Infrastructure portion of the Project. Developer shall submit copies of the payment and performance bonds to the City's TIF Unit and its contractors; however, Developer must obtain approval of the bonds by the City's Risk Management Department.

subject to this retention, Developer may delegate supervision duties over the construction of all Public Improvements and Public Infrastructure, and cause said construction to be performed, at a minimum, in accordance with all legal requirements detailed in Section 6.2 above, the City Code, and the plans and specifications approved by the appropriate City department, notwithstanding any other provision of this Agreement. The legal requirements set forth in Prevailing Wage, Chapter 2258 of the Texas Government Code shall apply to work on the Project paid for with TIF funds.

- 6.7 DELAYS. Developer is responsible for the Project's construction, which shall be completed no later than December 31, 2023. If the commencement or completion of the Project is delayed by reason(s) beyond the Developer's control (including, without limitation, events of Force Majeure), then at the reasonable discretion of the Director of the City's Neighborhood & Housing Services (or successor) Department, the commencement and completion deadlines set forth in this Agreement may be extended by no more than six (6) months. In the event that Developer does not complete the Project substantially in accordance with the Construction Schedule (or extended schedule), then, in accordance with Article XXII Changes and Amendments of this Agreement, the Parties may extend the deadlines in the Construction Schedule, but not past the expiration of the TIRZ. If the parties cannot reasonably reach an agreement on the extension of the Construction Schedule, or if Developer fails to complete the Project in compliance with the revised Construction Schedule, other than as a result of Force Majeure, this constitutes a material breach.
- 6.8 PAYMENT OF APPLICABLE FEES. Developer is responsible for paying Project construction costs of all applicable permit fees and licenses which have not been lawfully waived to the City and all governmental agencies.
- 6.9 INFRASTRUCTURE MAINTENANCE. As applicable, Developer, at its own expense, shall maintain or cause to be maintained all Public Infrastructure, broadly defined to include a building, highway, road, excavation, and repair work or other project development or improvement, paid for in whole or in part from public funds, without regard to whether the work is done under public supervision or direction, until said dedication to the City and for one year (1) after completion, unless agreed to otherwise with the City. Upon acceptance of a street or drainage improvement for maintenance by the City, Developer shall deliver to the City a one-year extended warranty bond naming the City as the obligee in conformity with Chapter 35, the City's Unified Development Code. The cost of repair, replacement, reconstruction and maintenance for defects in the Public Infrastructure discovered during the first year after Completion disclosed to Developer by the City within a reasonable period of time, but no more than 30 days from the time of discovery, shall be paid by the bond company and shall not be paid out of the TIRZ Fund. After the expiration of the one-year extended warranty bond, the cost of the repair, replacement, reconstruction and maintenance of Public Infrastructure dedicated to the City shall be the responsibility of the City.
- a. Following completion of any Public Infrastructure or Public Improvements so dedicated to the public (if any), Developer, their agents, employees, and contractors

- will not interfere with reasonable use of all such public works by the general public, except for drainage retention improvements. In accordance with the Construction Schedule, Developer shall use their best efforts to dedicate (or grant a public easement to) to such Public Infrastructure or Public Improvements where applicable to the appropriate taxing entity (as determined by the City), at no additional expense to the City or TIRZ.
- b. The requirements of this Agreement cannot be waived or modified in any way by an engineer, employee, or City official or its subordinate agency with responsibility for inspecting or certifying public infrastructure. The actions of a city employee or agent do not work an estoppel against the City under this contract or the Unified Development Code.
- 6.10 QUARTERLY STATUS AND COMPLIANCE REPORTS. Upon the commencement and throughout the duration of the construction of the Project, Developer shall submit to the City's TIF Unit Project Status Reports (See Sections 3.16), on a quarterly basis or, as requested by the City, in accordance with the requirements of this Agreement and of the Status Report Form, attached hereto as **Exhibit E**. - 7.2 PLEDGE OF FUNDS. The City and the Board pledge to use available Tax Increment funding from increment levied and collected from the Project Site (whether or not owned by Developer), as reimbursement to Developer for approved and eligible Project Costs, up to the Maximum Reimbursement Amount or for ten (10) consecutive tax years starting with the initial Annual Tax Reimbursement (as defined in 8.1 below), subject to the terms and conditions herein, priority of payment schedule, and termination of the TIRZ.

ARTICLE VIII. COMPENSATION TO DEVELOPER

- 8.1 Annual Real Property Tax Reimbursement. Subject to the terms and conditions of this Agreement and the Payment Conditions (defined below), for each tax year commencing with the Initial Reimbursement Tax Year, and then continuing annually for a total of ten (10) consecutive tax years throughout the remainder of the Term of this Agreement or until the Maximum Reimbursement Amount is disbursed, whichever comes first, City and TIRZ shall provide Developer, following submission of a tax invoice by Developer indicating full payment of all taxes owed by Developer on the Project, an annual grant for the Term of this Agreement.

- (a) The amount of the annual grant (the "Annual Incremental Property Tax Reimbursement") shall be equal to one hundred percent (100%) of:

- (i) The actual amount of real property taxes paid to City with respect to the Project Site for the immediately preceding Tax Year, *less* the amount of real property taxes paid to City with respect to the Project Site for the tax year ending in 2019 (the "Base Year").

- a. The "Initial Reimbursement Tax Year" shall be defined as the first tax year immediately following the tax year in which actual Project completion occurs, for which reimbursement under this section can be sought.

- (b) Payment of the Annual Incremental Property Tax Reimbursement to Developer shall occur in accordance with the following conditions (collectively, the "Payment Conditions"):

- (i) For each tax year during the Term of this Agreement, City and TIRZ shall pay the Annual Incremental Property Tax Reimbursement to Developer provided the City has deposited funds into the TIF for that particular tax year, pursuant to Section 311.013 of the Texas Tax Code. The City and the Developer recognize that the Annual Incremental Property Tax Reimbursement will be paid to Developer after the tax year in which the taxes were paid. Therefore, if the Agreement is not otherwise terminated for cause or because the Maximum Reimbursement Amount was met, the tenth and final Annual Incremental

Property Tax Reimbursement will be paid following the expiration of ten (10) years.

- (ii) For any particular tax year during the Term of this Agreement, if no tax increment is realized within the TIRZ, then the TIRZ shall defer payment of the Annual Incremental Property Tax Reimbursement that is due to Developer under this Article, during that tax year.
- (iii) For any particular tax year during the Term of this Agreement, if insufficient tax increment is realized within the TIRZ to permit the full payment of the Annual Incremental Property Tax Reimbursement due to Developer under this Article, the TIRZ shall pay as much of the Annual Incremental Property Tax Reimbursement to Developer, as possible, and the TIRZ shall defer payment of any unpaid balance of the Annual Incremental Property Tax Reimbursement due to Developer under this Article during that tax year.
- (iv) It is expressly agreed that all deferred Annual Incremental Property Tax Reimbursements (the “Deferred Amounts Due”) shall accrue without interest and shall be payable at the earliest reasonable opportunity to Developer by the TIRZ upon the availability of tax increment in the Tax Increment Fund during the Term of this Agreement.
- (v) The Developer acknowledges that unless the TIRZ is extended, payments will cease upon termination of the TIRZ and reconciliation of all accounts. Should the TIRZ terminate, CITY may consider at the request of Developer, to extend the term of the TIRZ. The decision to extend the TIRZ term of the Annual Incremental Property Tax Reimbursement is at the sole discretion of the CITY.
- (vi) The Developer understands and agrees that any expenditure made by the Developer in anticipation of reimbursement from tax increments shall not be, nor shall be construed to be, financial obligations of the City or the TIRZ. The Developer shall bear all risks associated with reimbursement, including, but not limited to: incorrect estimates of tax increment, changes in tax rates or tax collections, changes in state law or interpretations thereof, changes in market or economic conditions impacting the Project, changes in interest rates or capital markets, changes in building and development code requirements, changes in City policy, and/or unanticipated effects covered under legal doctrine of force majeure.
- (vii) Any and all amounts payable by the TIRZ under this Agreement are payable solely from the TIRZ Tax Increment Fund, and no claim for payment of any amount outside of this contribution shall be made, claimed or permitted against any other funds, properties, assets or the general credit of the TIRZ and/or the City.

- (viii) Any fees associated with the administration of the TIRZ shall take priority of payment over Developer's reimbursement.
- (c) Obligation to Pay Taxes. It is understood that Developer shall continue to pay all taxes owed on the Project Site as required by law. Taxes owed shall be determined by the Bexar County Appraisal District. Prior to the City disbursing TIRZ funds under this Agreement, Developer must provide to City evidence indicating that all taxes owed by Developer on the Project Site have been paid in full for the tax year for which payment of the Annual Incremental Property Tax Reimbursement is sought, subject to Developer's right to protest taxes as permitted by law. If, during the Term of this Agreement, Developer allows its ad valorem taxes due on the Project Site to become delinquent and fails to timely and properly follow the legal procedures for the protest and/or contest of the taxing value, then the City and TIRZ's remedies under this Agreement shall apply.
- 8.2 MAXIMUM REIMBURSEMENT OF DEVELOPER. Following the Board's authorization, Developer shall receive total reimbursements for Public Improvements and Public Infrastructure, as specified in Section 5.3 of this Agreement, up to the Maximum Reimbursement Amount on eligible improvement amounts. Developer understands that any amendments to the Maximum Reimbursement Amount herein are prohibited and any request for further incentives beyond this set amount shall require a new application.
- 8.3 PROCESSING OF PAYMENT REQUESTS. Board-authorized reimbursements of Available Tax Increment shall be made solely to Developer, and shall not be unreasonably denied provided that the City has no active claim for reimbursement under this section.
- 8.4 PRIORITY OF PAYMENT. The Parties agree that the TIRZ Fund will reimburse Developer for Projects Costs in the order of priority of payment for the TIRZ.
- 8.5 SOURCE OF FUNDS. The sole source of the funds to reimburse Developer shall be the Tax Increment levied and collected on the Project Site.
- 8.6 INVALID PAYMENTS. If any payment to Developer is held invalid, ineligible, illegal or unenforceable under applicable federal, state or local laws, then and in that event, Developer shall repay such payment in full to the City for deposit into the TIRZ Fund.
- 8.7 PAYMENTS. For the avoidance of doubt, the parties to this Agreement hereby acknowledge and agree that portions of the Project Site may be owned by parties other than Developer, and notwithstanding the same, the Available Tax Increment attributable to the portion of the Project Site owned by a party other than Developer shall still be paid to Developer.

9.4 RIGHT TO REVIEW. The City reserves the right to review the insurance requirements during the effective period of this Agreement and to modify insurance coverages and their limits when deemed necessary and prudent by the City’s Risk Manager based upon changes in statutory law, court decisions, or circumstances surrounding this Agreement. In no instance shall the City allow modification whereupon the City may incur increased risk.

9.5 REQUESTS FOR CHANGES. The City shall be entitled, upon request and without expense to receive copies of the policies, declaration page and all endorsements as they apply to the limits required by the City, and may require the deletion, revision, or modification of particular policy term, condition, limitation, or exclusion (except where policy provisions are established by law or regulation binding upon either of the Parties, or the underwriter of any such policies). Developer and/or Developer’s contractor shall comply with any such request and shall submit a copy of the replacement certificate of insurance to City within ten (10) days of the requested change. Developer and/or Developer’s contractor shall pay any costs incurred resulting from said changes. All notices under this Article shall be given to the City and the Board at the addresses listed under Section 17.1 of this Agreement.

9.6 REQUIRED PROVISIONS AND ENDORSEMENTS. Developer agrees that with respect to the above required insurance, all insurance contract policies, and Certificate(s) of Insurance will contain the following provisions:

- a. Name the City and its officers, officials, employees, volunteers, and elected representative as additional insureds as respects operations and activities of, or on behalf of, the named insured subject to this Agreement, with the exception of the workers’ compensation and professional liability policies;
- b. Provide for an endorsement that the “other insurance” clause shall not apply to the City of San Antonio if the City is an additional insured shown on the policy;
- c. Employers’ liability policies will provide a waiver of subrogation in favor of the City; and,
- d. Provide thirty (30) calendar days advance written notice directly to City at the same addresses listed in this Article of any suspension, cancellation, non-renewal or material change in coverage, and not less than ten (10) calendar days advance written notice for non-payment of premium.

9.7 CANCELLATIONS AND NON-RENEWAL. Within five (5) calendar days of a suspension, cancellation, non-renewal, or material change in coverage, Developer and or Developer’s

contractor shall provide a replacement Certificate of Insurance and applicable endorsements to City at the same address listed in Section 17.1 of this Agreement. City shall have the option to suspend Developer or Developer's contractor's performance should there be a lapse in coverage at any time during this Agreement. Failure to provide and to maintain the required insurance shall constitute a breach of this Agreement and the City may exercise any and all available legal remedies.

- 9.8 CITY'S REMEDIES. In addition to any other remedies the City may have upon Developer and/or Developer's contractor for the failure to provide and maintain insurance or policy endorsements to the extent and within the time required, the City shall have the right, to order Developer to stop work, and/or withhold any payment(s), which become due until Developer and/or Developer's contractor demonstrates compliance with the requirements.
- 9.9 RESPONSIBILITY FOR DAMAGES. Nothing in the Agreement shall be construed as limiting in any way the extent to which Developer and/or Developer's contractor may be held responsible for payments of damages to persons or property resulting from Developer's or its subcontractors' performance of the work covered under this Agreement.
- 9.10 PRIMARY INSURANCE. Developer's insurance, Developer's design consultants' insurance, and/or Developer's contractor's insurance, each as the case may be, shall be deemed primary with respect to any insurance or self-insurance carried by the City for liability arising under this Agreement.
- 9.11 DEVELOPER'S OBLIGATION. Developer agrees to obtain all insurance coverage with minimum limits of not less than the limits delineated under Section 9.3 of this Article from each general contractor of Developer and Certificate of Insurance and Endorsements that names the Developer and the City as an additional insured; provided, however, that the professional liability coverage shall be provided by Developer's design consultants. It is understood and agreed that the insurance required is in addition to and separate from any other obligation in the Agreement. Developer and any general contractors are responsible for all damages to their own equipment and/or property. Developer must provide City current proof of insurance for all projects and applicable contracts and agreements executed pursuant to Agreement.
- 9.12 "ALL RISK". At all times during the performance of construction, Developer and their contractor shall maintain in full force and effect builder's "All Risk" insurance policies covering such construction. The Builder's Risk Policies shall be written on an occurrence basis and on a replacement cost basis, insuring 100% of the insurable value of construction improvements.

ARTICLE X. WORKERS COMPENSATION INSURANCE COVERAGE

- 10.1 Developer shall comply with applicable Texas law related to worker's compensation.

ARTICLE XI. TERMINATION AND RECAPTURE

- 11.1 TERMINATION. For purposes of this Agreement, termination means the expiration of the term as provided by Article II, herein. In addition, the City and/or the Board may terminate this Agreement in the following manners: (1) Termination without Cause pursuant to Section 11.2, (2) Termination for Cause pursuant to Section 11.3, and (3) Termination by law pursuant to Section 11.4.
- 11.2 TERMINATION WITHOUT CAUSE. This Agreement may be terminated by mutual consent and a written agreement of the Parties. In such case, the Parties shall agree upon the reason(s) of such termination, the termination conditions, any proposed pay-back plan of disbursed funds, and the proposed effective date of such termination.
- 11.3 TERMINATION FOR CAUSE/DEFAULT. Upon written notice (a “Notice of Default”) providing adequate identification of Developer’s failure to comply with any material term or condition of this Agreement (a “Default”), which must be provided in accordance with **Article XVII. Notice of this Agreement**, the City and/or the Board shall have the right to terminate this Agreement for cause, in whole or in part, if Developer fails to: cure such Default within any applicable notice and cure period.
- 11.3.1 NOTICE OF DEFAULT. After sending a written Notice of Default, the City will not distribute TIRZ funds to Developer until the default is cured.
- 11.3.2 CURE. Upon written Notice of Default resulting from a Default, such Default will be cured within sixty (60) calendar days from the date of the Notice of Default (the “Cure Period”). In the case of Default, which cannot with due diligence be cured within such Cure Period, at the reasonable discretion of the Director of the City’s Neighborhood & Housing Services (or successor) Department, the Cure Period may be extended provided that Developer will immediately upon receipt of Notice of Default advise the City and the Board of Developer’s intent to cure such Default within the extended period granted. If there are no reasonable means to cure the Default, Developer shall be informed of that conclusion and the facts leading to that conclusion in the Notice of Default. Said Notice of Default may also serve as a notice of termination of this Agreement (“Notice of Termination”).
- 11.3.3 FAILURE TO CURE. In the event Developer fails to cure a Default within the Cure Period (or extended period), the City and the Board may, upon issuance to Developer of a written Notice of Termination, terminate this Agreement in whole or in part. Such notification shall include the reasons for such termination, the effective date of such termination; and, in the case of partial termination, the portion of the Agreement to be terminated.
- 11.3.4 REMEDIES UPON DEFAULT. In the event of a termination pursuant to Section 11.3 for cause, the Parties shall have the right to seek any remedy in law to

which they may be entitled, in addition to termination and repayment of funds, if a Party defaults under the material terms of this Agreement. Only in the event of a termination pursuant to this Section 11.3 for cause, the City and Board shall have the right to recapture all the disbursed funds pursuant to this Agreement and the Developer shall repay all disbursed funds to the TIRZ Fund.

- 11.4 TERMINATION BY LAW. If any applicable state or federal law or regulation is enacted or promulgated which prohibits the performance of the duties herein, or, if any law is interpreted to prohibit such performance, this Agreement shall automatically terminate as of the effective date of such prohibition.
- 11.5 RECAPTURE. Only in the event of a termination pursuant to Section 11.3 for cause, the City and/or the Board, shall have the right to recapture all disbursed funds made under this Agreement and Developer shall repay disbursed funds as requested by the City and/or the Board in the said Notice of Termination within sixty (60) days from the effective date of the Notice of Termination. All recaptured funds made under this Agreement shall be deposited into the Midtown TIRZ.
- 11.6 CLOSE-OUT. Regardless of how this Agreement is terminated, Developer will effect an orderly transfer to City or to such person or entity as the City may designate, at no additional cost to the City, copies of all completed or partially completed documents, records, or reports, produced as a result of or pertaining to this Agreement, regardless of storage medium, if so requested by the City, or shall otherwise retain such documents, records or reports in accordance with Article XIV. Records. Only in the event of a termination pursuant to Section 11.3 for cause, reimbursements due to Developer will be conditioned upon delivery of all such documents, records, or reports, if requested by the City. Within ninety (90) calendar days of the effective date of completion, or termination or expiration of this Agreement, Developer shall submit to City and/or the Board all requests for reimbursements in accordance with Section 6.12 above through the effective date of termination. Only in the event of a termination pursuant to Section 11.3 for cause, failure by Developer to submit requests for reimbursements within said ninety (90) calendar days shall constitute a waiver by Developer of any right or claim to collect Available Tax Increment that Developer may be otherwise eligible for pursuant to this Agreement.

ARTICLE XII. INDEMNIFICATION

- 12.1 **DEVELOPER** covenants and agrees **TO FULLY INDEMNIFY AND HOLD HARMLESS**, the **CITY** (and the elected officials, employees, officers, directors, and representatives of the **CITY**), and the **BOARD** (and the officials, employees, officers, directors, and representatives of the **BOARD**), individually or collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties, proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including but not limited to, personal injury or death and property damage, made upon the **CITY**, and/or upon the **BOARD**, directly or indirectly arising out of, resulting from or related to **DEVELOPER**, any agent, officer,

director, representative, employee, consultant or subcontractor of DEVELOPER, and their respective officers, agents, employees, directors and representatives while in the exercise of the rights or performance of the duties under this AGREEMENT, all without however, waiving any governmental immunity available to the CITY and/or the BOARD, under Texas Law and without waiving any defenses of the parties under Texas Law. IT IS FURTHER COVENANTED AND AGREED THAT SUCH INDEMNITY SHALL APPLY EVEN WHERE SUCH COSTS, CLAIMS, LIENS, DAMAGES, LOSSES, EXPENSES, FEES, FINES, PENALTIES, ACTIONS, DEMANDS, CAUSES OF ACTION, LIABILITY AND/OR SUITS ARISE IN ANY PART FROM THE NEGLIGENCE OF CITY, THE ELECTED OFFICIALS, EMPLOYEES, OFFICERS, DIRECTORS AND REPRESENTATIVES OF CITY, UNDER THIS AGREEMENT.

- 12.2 It is the EXPRESS INTENT of the parties to this AGREEMENT, that the INDEMNITY provided for in this section, is an INDEMNITY extended by DEVELOPER to INDEMNIFY, PROTECT and HOLD HARMLESS, the CITY, and the BOARD, from the consequences of the CITY'S and/or the Board's OWN NEGLIGENCE, provided however, that the INDEMNITY provided for in this section SHALL APPLY only when the NEGLIGENT ACT of the City and/or Board is a CONTRIBUTORY CAUSE of the resultant injury, death, or damage, and shall have no application when the negligent act of the City and/or the Board is the sole cause of the resultant injury, death, or damage. DEVELOPER further AGREES TO DEFEND, AT ITS OWN EXPENSE and ON BEHALF OF THE CITY AND/OR THE BOARD AND IN THE NAME OF THE CITY AND IN THE NAME OF THE BOARD, any claim or litigation brought against the CITY and its elected officials, employees, officers, directors, volunteers and representatives, in connection with any such injury, death, or damage for which this INDEMNITY shall apply, as set forth above.

ARTICLE XIII. LIABILITY

- 13.1 DEVELOPER. As between the City, the Board, and Developer, Developer shall be solely responsible for compensation payable to any employee, contractor, or subcontractor of the Developer, and none of Developer's employees, contractors, or subcontractors will be deemed to be employees, contractors, or subcontractors of the City or the Board as a result of the Agreement.
- 13.2 CITY AND BOARD. To the extent permitted by Texas law, no director, officer, employee or agent of the City or the Board be personally responsible for any liability arising under or growing out of this Agreement.

ARTICLE XIV. RECORDS

- 14.1 RIGHT TO REVIEW. Following reasonable, written notice to the Developer, the City reserves the right to conduct, at its own expense, examinations, during regular business hours, the books and records related to this Agreement including such items as contracts, paper, correspondence, copy, books, accounts, billings and other information related to the performance of the Developer's services hereunder. The City also reserves the right to perform any additional audits relating to Developer's services, provided that such audits are related to those services performed by Developer under this Agreement. These examinations shall be conducted at the offices maintained by Developer.
- 14.2 PRESERVATION OF RECORDS. All applicable records and accounts of the Developer relating to this Agreement, together with all supporting documentation, shall be preserved and made available in Bexar County, Texas by the Developer throughout the term of this Agreement and for twelve (12) months after the termination of this Agreement, and then transferred for retention to the City at no cost to the City upon request. During this time, at Developer's own expense, may require that any or all of such records and accounts be submitted for audit to the City or to a Certified Public Accountant selected by the City within thirty (30) days following written request.
- 14.3 DISCREPANCIES. Should the City discover errors in the internal controls or in the record keeping associated with the Project, Developer shall be notified of such errors and the Parties shall consult on what steps may be necessary to correct such discrepancies within a reasonable period of time, not to exceed sixty (60) days after discovery. The Board shall be informed of the action taken to correct such discrepancies.
- 14.4 OVERCHARGES. If it is determined as a result of such audit that Developer has overcharged for the cost of the Public Improvements and Public Infrastructure, then such overcharges shall be immediately returned to the TIRZ Fund and become due and payable with interest at the maximum legal rate under applicable law from the date the City paid such overcharges. In addition, if the audit determined that there were overcharges of more than 2% of the greater of the budget or payments to Developer for the year in which the discrepancy occurred, and the TIRZ Fund is entitled to a refund as a result of such overcharges, then Developer shall pay the cost of such audit.

ARTICLE XV. NON-WAIVER

- 15.1 ACTIONS OR INACTIONS. No course of dealing on the part of the City, the Board, or the Developer nor any failure or delay by the City, the Board, or the Developer in exercising any right, power, or privilege under this Agreement shall operate as a waiver of any right, power or privilege owing under this Agreement.
- 15.2 RECEIPT OF SERVICES. The receipt by the City of services from an assignee of the Developer shall not be deemed a waiver of the covenant(s) in this Agreement against assignment or an acceptance of the assignee or a release of the Developer from further performance by Developer of the covenant(s) contained in this Agreement. No provision of this Agreement shall be deemed waived by the City unless such waiver is in writing,

and approved by the City through an ordinance passed and approved by its City Council.

ARTICLE XVI. ASSIGNMENT

- 16.1 ASSIGNMENT BY CITY. The City and/or Board may assign their rights and obligations under this Agreement to any governmental entity the City creates, without prior consent of Developer. If the City and/or Board assign their rights and obligations under this Agreement then the City and/or the Board shall provide Developer written notice of assignment within thirty (30) days of such assignment.
- 16.2 ASSIGNMENT BY DEVELOPER. Subject to Section 16.5 hereof, this Agreement is not assignable without written consent by the Board, as evidenced by Board Resolution, nor without written consent of City, as evidenced by the passage of a City Ordinance approving such assignment. This Agreement shall only be assigned after a qualified purchaser or assignee specifically agrees to assume all of the obligations of the Developer under this Agreement. Any other attempt to assign the Agreement shall not relieve Developer from liability under this Agreement and shall not release Developer from performing any of the terms, covenants and conditions herein. Developer shall be held responsible for all funds received under this Agreement.
- 16.3 WORK SUBJECT TO AGREEMENT. Any work or services referenced herein shall be by written contract or agreement and, unless the City grants specific waiver in writing, such written contract or agreement shall be subject by its terms, insofar as any obligation of the City is concerned, to each and every provision of this Agreement. Compliance by Developer's contractor and/or subcontractors with this Agreement shall be the responsibility of Developer.
- 16.4 NO THIRD PARTY OBLIGATION. The City and/or the Board shall in no manner be obligated to any third party except for permitted assignments pursuant to Sections 16.2, including any contractor, subcontractor, or consultant of the Developer, for performance of work or services under this Agreement.
- 16.5 LENDING INSTITUTIONS. Any restrictions in this Agreement on the transfer or assignment of the Developer's interest in this Agreement shall not apply to and shall not prevent the assignment of this Agreement to a lending institution or other provider of capital in order to obtain financing for the Project. Developer shall provide written notice to the City of all such assignments to a lending or other provider of capital. In no event, shall the City and/or the Board be obligated in any way to the aforementioned financial institution or other provider of capital. The City shall only issue a check or other form of payment to Developer or its permitted assignee.
- 16.6 WRITTEN INSTRUMENT. Each transfer or assignment to which there has been consent, pursuant to Section 16.2 above, shall be by instrument in writing, in form reasonably satisfactory to the Board, and shall be executed by the transferee or assignee who shall agree in writing, for the benefit of the City and the Board, to be bound by and to perform the terms, covenants and conditions of this Agreement. Four executed copies of such written instrument shall be delivered to the TIF Unit. Failure to obtain, the Board's

consent by resolution, or failure to comply with the provisions herein first, shall prevent any such transfer or assignment from becoming effective. In the event the Board approves the assignment or transfer of this Agreement, Developer shall be released from such duties and obligations.

- 16.7 NO WAIVER. Except as set forth in Section 16.3 of this Agreement, the receipt by the City of services from an assignee of the Developer shall not be deemed a waiver of the covenants in this Agreement against assignment or an acceptance of the assignee or a release of further observance or performance by Developer of the covenants contained in this Agreement. No provision of this Agreement shall be deemed waived by the City unless such waiver is in writing, and approved by City Council in the form of a duly passed ordinance.
- 16.8 SUCCESSORS AND ASSIGNS. This Agreement shall be binding on the parties hereto and their permitted successors and assigns.

Whenever any notice is required to be given by applicable law or this Agreement, a written waiver thereof, signed by the Person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

ARTICLE XVIII. CONFLICT OF INTEREST

- 18.1 CHARTER AND ETHICS CODE PROHIBITIONS. The Charter of the City of San Antonio and the City of San Antonio Code of Ethics prohibit a City officer or employee, as those terms are defined in Section 2-52 of the Code of Ethics, from having a direct or indirect financial interest in any contract with the City. An officer or employee has a “prohibited financial interest” in a contract with the City or in the sale to the City of land, materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale:
- a. a City officer or employee; his or her spouse, sibling, parent, child or other family member within the first degree of consanguinity or affinity;
 - b. an entity in which the officer or employee, or his or her parent, child or spouse directly or indirectly owns (i) 10 percent or more of the voting stock or shares of the entity, or (ii) 10 percent or more of the fair market value of the entity; or
 - c. an entity in which any individual or entity listed above is (i) a subcontractor on a City contract, (ii) a partner or (iii) a parent or subsidiary entity.
- 18.2 CERTIFICATION. Pursuant to the subsection above, Developer warrants and certifies, and this Agreement is made in reliance thereon, that by contracting with the City, Developer does not cause a City employee or officer to have a prohibited financial interest in the Contract. Developer further warrants and certifies that it has tendered to the City a Contracts Disclosure Statement in compliance with the City’s Ethics Code.

ARTICLE XIX. INDEPENDENT CONTRACTORS

- 19.1 NO AGENCY. All Parties expressly agree that in performing their services, the Board and Developer at no time shall be acting as agents of the City and that all consultants or contractors engaged by the Board and/or Developer respectively shall be independent contractors of the Board and/or the Developer. The Parties hereto understand and agree that the City and the Board shall not be liable for any claim that may be asserted by any third party occurring in connection with services performed by Developer, under this Agreement unless any such claim is due to the fault of the City.
- 19.2 NO AUTHORITY. The Parties further understand and agree that no party has authority to bind the others or to hold out to third parties that it has the authority to bind the others.

ARTICLE XX. TAXES

- 20.1 DUTY TO PAY. Developer shall pay, on or before the respective due dates, to the appropriate collecting authority all applicable Federal, State, and local taxes and fees which are now or may be levied upon the TIRZ Property, the Developer or upon the Developer’s business conducted on the TIRZ Property or upon any of the Developer’s property used in connection therewith, including employment taxes; subject to Developer’s right to protest taxes in accordance with applicable law. Developer shall maintain in current status all Federal, State, and local licenses and permits required for

the operation of the business conducted by the Developer.

ARTICLE XXI. PREVAILING WAGES

- 21.1 The TIF Program is a discretionary program, and it is the policy of the City that the requirements of Chapter 2258 of the Texas Government Code, entitled “Prevailing Wage Rates,” will apply to TIF Development Agreements. Developer agrees that the Developer will comply with City Ordinance No. 71312 and its successors such as Ordinance No. 2008-11-20-1045 and will require subcontractors to comply with City Ordinance 71312 and its successors such as Ordinance No. 2008-11-20-1045 and shall not accept affidavits.
- 21.2 In accordance with Chapter 2258, Texas Government Code, and Ordinance No. 2008-11-20-1045, a schedule of the general prevailing rate of per diem wages in this locality for each craft or type of workman needed to perform this Agreement for the Public Improvements and Public Infrastructure is included as **Exhibit F**, and made a part of this Agreement. Developer is required, and shall require their subcontractors to comply with each updated schedule of the general prevailing rates in effect at the time the Developer calls for bids for construction of the Approved TIRZ Work.
- 21.3 Developer is further required to cause the latest prevailing wage determination decision to be included in bids and contracts for the Public Improvements and Public Infrastructure with the Developer’s general contractor for construction of the Project. The Developer shall forfeit as a penalty to the City \$60.00 for each laborer, workman, or mechanic employed, for each calendar day, or portion thereof, that such laborer, workman or mechanic is paid less than the said stipulated rates for any work done under said contract, by Developer or any general contractor under the Developer. The establishment of prevailing wage rates in accordance with Chapter 2258, Texas Government Code shall not be construed to relieve the Developer from its obligation under any Federal or State Law regarding the wages to be paid to or hours worked by laborers, workmen or mechanics insofar as applicable to the work to be performed under this Agreement.

ARTICLE XXII. CHANGES AND AMENDMENTS

- 22.1 ORDINANCE AND ORDER REQUIRED. Except when the terms of this Agreement expressly provide otherwise, any alterations, additions, or deletions to the terms hereof shall be by amendment in writing executed by the City, the Board and the Developer and evidenced by passage of a subsequent City ordinance.
- 22.2 CONSTRUCTION SCHEDULE. Notwithstanding the above, the Construction Schedule may be amended, as evidenced by approval of the Director of the City’s Neighborhood & Housing Services (or successor) Department or his or her designee. In the event an

amendment to the Construction Schedule as stated in Section 5.1 will result in a material change to this Agreement, then such amendment shall comply with the requirements of Section 22.1, above. No change under this section may result in an increase in the maximum contribution of the City. Developer may rely on the determination of the Director of the City's Neighborhood & Housing Services (or successor) Department or his or her designee, in coordination with the Office of the City Attorney, whether a change in the Construction Schedule would result in a material change to the overall Project requirements.

- 22.3 AUTOMATIC INCORPORATION OF LAWS. Changes in local, state and federal rules, regulations or laws applicable to the Board's and the Developer's services under this Agreement may occur during the term of this Agreement and any such changes shall be automatically incorporated into this Agreement without written amendment to this Agreement, and shall become a part as of the effective date of the rule, regulation or law.

ARTICLE XXIII. SEVERABILITY

- 23.1 If any clause or provision of this Agreement is held invalid, illegal or unenforceable under present or future federal, state or local laws, then said clause or provision shall not affect any other clause or provision, and the remainder of this Agreement shall be construed as if such clause or provision was never contained herein. It is also the intent of the Parties that in lieu of each invalid, illegal, or unenforceable provision, there be added as a part of this Agreement a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

ARTICLE XXIV. LITIGATION EXPENSES

- 24.1 City policy on litigation is that, except to the extent prohibited by law, persons who are engaged in litigation or adversarial proceedings related to TIF against the City are ineligible to obtain or continue the use of TIF as principals or participants for the duration of the litigation. A principal or participant includes the TIF applicants and the TIF applicant's developers, partners, affiliates, sponsors, payroll employees, or relatives of the first degree of consanguinity. Accordingly, the City shall not consider a project proposing the use of TIF, designate a TIRZ, enter into any TIRZ contracts or agreements with, or authorize or make any TIRZ payment to persons engaged in litigation or adversarial proceedings related to TIF with the City. Ineligible persons shall be excluded from participating as either participants or principals in all TIRZ projects during the term of their litigation.
- 24.2 During the term of this Agreement, if Developer files or pursues an **adversarial proceeding** regarding this Agreement against the City and /or the Board, without first engaging in good faith mediation of the dispute, then all access to funding provided hereunder shall be withheld and Developer will be ineligible for consideration to receive any future tax increment funding while any adversarial proceedings remains unresolved.
- 24.3 Under no circumstances will the Available Tax Increment received under this Agreement

be used, either directly or indirectly, to pay costs or attorney fees incurred in any **adversarial proceeding** against the City, the Board or any other public entity. Nothing contained in this Article shall effect or otherwise affect the indemnity provisions contained in Article XII. above.

- 24.4 Nothing contained in this Article XXIV shall be deemed to apply to the right to protest taxes in accordance with applicable law, and, Developer and its partners, affiliates, sponsors, payroll employees, and relatives of the first degree of consanguinity shall have the right to protest taxes in accordance with applicable law as to the Project Site or any other property without violating the terms, provisions and conditions of this Agreement.

ARTICLE XXV. LEGAL AUTHORITY

- 25.1 Each person executing this Agreement on behalf of each Party, represents, warrants, assures, and guarantees that s/he has full legal authority to execute this Agreement on behalf of the City, the Board, and/or Developer, respectively and to bind the City, the Board, and/or Developer, to all the terms, conditions, provisions, and obligations of this Agreement.

ARTICLE XXVI. VENUE AND GOVERNING LAW

- 26.1 THIS AGREEMENT SHALL BE CONSTRUED UNDER AND IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS.
- 26.2 Venue and jurisdiction arising under or in connection with this Agreement shall lie exclusively in Bexar County, Texas. Any legal action or proceeding brought or maintained, directly or indirectly, as a result of this Agreement shall be heard and determined in Bexar County, Texas.

ARTICLE XXVII. PARTIES' REPRESENTATIONS

ARTICLE XXVIII. CAPTIONS

- 28.1 All captions used in this Agreement are only for the convenience of reference and shall not be construed to have any effect or meaning as to the agreement between the Parties to this Agreement.

ARTICLE XXIX. LICENSES/CERTIFICATIONS

- 29.1 Developer warrants and certifies that, to their knowledge, any person providing services hereunder has the requisite training, license, and/or certification to provide said services and meets the competence standards promulgated by all other authoritative bodies, as applicable to the services provided herein.

ARTICLE XXX. NONDISCRIMINATION AND SECTARIAN ACTIVITY

- 30.1 Developer understands and agrees to comply with the Non-Discrimination Policy of the City of San Antonio contained in Chapter 2, Article X of the City Code, and further shall use reasonable efforts to ensure that no person shall, on the ground of race, color, national origin, religion, sex, age, gender (to include transgender), sexual orientation, veteran status or disability, be excluded from participation in, be denied the benefits of, be subjected to discrimination under, or be denied access to any program or activity funded in whole or in part under Agreement.

ARTICLE XXXI. ENTIRE AGREEMENT

- 31.1 NO CONTRADICTIONS. This written Agreement embodies the final and entire Agreement between the Parties hereto and may not be contradicted by evidence of prior, contemporaneous, or subsequent oral agreements of the Parties.
- 31.2 INCORPORATION OF EXHIBITS. Each exhibit referenced below shall be incorporated herein for all purposes as an essential part of this Agreement, which governs the rights and duties of the parties, except that if there is a conflict between an Exhibit and a provision of this Agreement, the provision of this Agreement shall prevail over the Exhibit.
