FINDINGS:

- a. The request for landmark designation was initiated by the property owner.
- b. **HISTORIC CONTEXT:** The structure at 1115 W Kings Hwy is a one-story, single-family Craftsman home built in 1926 for Francisca D. Davis and Catalena D. Hart. It is located in the Beacon Hill Area neighborhood conservation district (NCD-5) of City Council District 1. Mark Mendoza is the current owner. West Kings Hwy was originally called Fowler; it changed to its current name c. 1924. The block on which the subject structure sits is included in 1911 Sanborn maps as Fowler; the address 1115 W Kings Hwy first appears on the 1931 Sanborn Fire Insurance map. The subject structure shares the block with other Craftsman homes of the same era, a style characteristic of this area in the Beacon Hill neighborhood. According to newspaper archive research, the area where Beacon Hill is now located was originally platted by Nicholson, Furnish, and Smith in 1908 and was an addition to Fox's Beacon Hill, originally platted in 1907. Heavy advertisement in newspapers followed for the addition. The area was frequently referred to as the "Queen Suburb" in these advertisements. The land where 1115 W Kings Hwy is located is part of the originally platted Beacon Hill Addition subdivision.
- c. **SITE CONTEXT:** The structure at 1115 W Kings Hwy is a one-story, single-family Craftsman home built in 1926. It is located in the Beacon Hill Area neighborhood conservation district (NCD-5) of City Council District 1. The block is bounded on the south by W Kings Hwy, the west by Capitol Ave, the north by W Gramercy Pl, and the east by Michigan Ave. Houses on the block have deep setbacks with sidewalks setback far from the street. An unpaved alley runs east to west along the north edge of the parcel.
- d. **ARCHITECTURAL DESCRIPTION:** The house has a cross-gabled composition shingle roof with wide eaves, brackets, and exposed rafter tails, and is clad in clapboard with a battered foundation. The fascia is perforated with a dashed pattern. It has a closed front-facing closed gable with an intersecting porch roof over an inset concrete porch that wraps around the southeast corner of the house. It has a full concrete driveway that runs along the east side of the parcel and ends next to a rear addition. The home has modern windows. There is a modern shed in the northwest corner of the parcel. The house has two old-growth trees, one east of the rear addition and one in front of the three ganged windows at the front of the house. Character-defining features of 1115 W Kings Hwy include wide eaves with exposed rafter tails, closed front-facing gables, recessed porch, and clapboard siding with battered foundation.
- e. **EVALUATION:** In order to be eligible for historic landmark designation, properties shall meet at least three (3) of the 16 criteria listed. Staff evaluated the structure against all 16 criteria and determined that it was consistent with UDC sec. 35-607(b):
 5. **5. Its embodiment of distinguishing characteristics of an architectural style valuable for the study of a period, type, method of construction, or use of indigenous materials;** as an example of the Craftsman style;
 11. **It is distinctive in character, interest or value: strongly exemplifies the cultural, economic, social, ethnic, or historical heritage of San Antonio, Texas or the United States;** This structure represents the

architectural design, detail work, form, and craftsmanship that is consistent with the homes built during the development period of the neighborhood.

13. It bears an important and significant relationship to other distinctive structures, sites, or areas, either as an important collection of properties or architectural style or craftsmanship with few intrusions, or by contributing to the overall character of the area according to the plan based on architectural, historic or cultural motif; The structure is part of the eligible historic district of Beacon Hill and would be considered contributing were the neighborhood to pursue designation. Additionally, 1115 W Kings Hwy was part of the original Beacon Hill Addition subdivision.

- f. The City offers a tax incentive for the substantial rehabilitation of historic properties because historic landmarks possess cultural and historical value and contribute to the overall quality and character of the City and its neighborhoods. If historic designation is approved, rehabilitation and restoration work may be eligible for this incentive. State and Federal tax incentives are also available for properties listed on the National Register of Historic Places and provide substantial relief for rehabilitation projects.
- g. If the HDRC approves the Finding of Historic Significance, then the recommendation for designation is submitted to the zoning commission. The zoning commission will schedule a hearing and then forward its recommendation to the City Council. City Council has the ultimate authority to approve the historic designation zoning overlay.
- h. Per UDC Sec. 35-453, once the commission makes a recommendation for designation, property owners must receive a written approval (a Certificate of Appropriateness) for any exterior work until the City Council makes their final decision.

RECOMMENDATION:

Staff recommends approval of a finding of historic significance and that the Historic and Design Review Commission should recommend approval for the landmark designation of 1115 W Kings Hwy to the Zoning Commission and to the City Council based on findings a through e.

West Kings Hwy was originally called Fowler; it changed to its current name c. 1924.¹ The block on which the subject structure sits is included in 1911 Sanborn maps as Fowler;² the address 1115 W Kings Hwy first appears on the 1931 Sanborn Fire Insurance map.³ The 1934 map shows the addition of a rear garage, a pattern that extends down the block and many of which are still extant.⁴ The subject structure shares the block with other Craftsman homes of the same era, a style characteristic of this area in the Beacon Hill neighborhood.

The home's first residents were widows Francisca Davis and Catalena Hart, who purchased two lots in 1925,⁵ and built the home c. 1925-6.⁶ Davis and Hart sold the property to Anna M. Steele in 1936.⁷ Steele retained the property through four marriages: Eugene Steel,⁸ Edward H. Bowman,⁹ James Mason,¹⁰ and Peter Clifford Langan.¹¹ Steele's son, Eugene R. Steele, sold the property to Joe Bird in 1991.¹² The property changed hands several times in the 1990s and 2000s; the current owner purchased it in 2017.¹³

Beacon Hill is one of several unique neighborhoods that evolved during San Antonio's first great expansion, starting in the 1850s until the Great Depression. By 1890, electric trolleys that carried passengers to San Pedro Springs Park had influenced the development of the city's first new subdivisions to the north, including Beacon Hill. 1115 W Kings Hwy – Beacon Hill Neighborhood

Mark Mendoza

1115 W Kings Hwy – Beacon Hill Neighborhood

Our home was built in the 1920's. We uncovered several documents that list different dates with one being 1926 and the other 1929. The home shows historical significance being a Bungalow style home. Bungalows were very popular during this era and shows very distinctive turn of the century architecture. Beacon Hill played an important part during the growth of the city and carries a unique history. Beacon Hill was one of the first platted subdivisions in the city and it was built around the railways and electric railways that carried residents into Beacon Hill through the very early growth stages of the city. Beacon Hill played a very important role for the city of San Antonio as previously mentioned with setting a precedent of great architecture and boosting the economy with Mid-Town Business District.

The difference between the 2014 appraised value and the 2019 appraised value is 300.71%. This percentage information is required by Tax Code section 25.19(b-1).

The governing body of each unit decides whether or not property taxes will increase. The appraisal district only determines the value of your property. "The Texas Legislature does not set the amount of your local taxes. Your property tax burden is decided by your locally elected officials, and all inquiries concerning your taxes should be directed to those officials."

If you qualified your home for a 65 and older or disabled person exemption for school taxes, the school taxes on that home cannot increase as long as you own and live in that home. The tax ceiling is the amount that you pay in the year that you qualified for the 65 and older or disabled person exemption. The school taxes on your home may not go above the amount of the ceiling, unless you improve the home (other than normal repairs and maintenance). This situation may also apply to the county, junior college district, and some cities.

TO HAVE AND TO HOLD the above described property, together with the rights, privileges and appurtenances thereto belonging unto the said Trustee, and to his substitutes or successors forever. And Grantors do hereby bind themselves, their heirs, executors, administrators and assigns to warrant and ever defend the said premises unto the said Trustee, his substitutes or successors and assigns forever, against the claim, or claims, of all persons claiming or to claim the same or any part thereof.

This conveyance, however, is made in TRUST to secure payment of one Promissory note of even date herewith in the principal sum of forty-one thousand dollars and no cents (\$41,000.00) Executed by Grantors, payable to the order of Miguel F. Bustamante In the city of San Antonio, Bexar County, Texas, as follow, to wit: bearing interest as therein stipulated, providing for acceleration of maturity and for attorney's fees;

Should Grantors do and perform all of the covenants and agreements herein contained, and make prompt payment of said indebtedness as the same shall become due and payable, then this conveyance shall become null and void and of no further force and effect, and shall be released at the expense of Grantors, by the holder thereof, hereinafter called Beneficiary.

Grantor covenant and agree as follows:

That they are lawfully seized of said property, and have the right to convey the same ; that said property is free from all liens and encumbrances, except as herein provided.

VOL 7348 PG 0206

To protect the title and possession of said property and to pay when due all taxes and assessments now existing or hereafter levied or assessed upon said property including improvements hereafter made a part of the realty.

To keep the improvements on said property in good repair and condition, and not to permit any waste thereof ; to keep said buildings occupied so as not to impair the insurance carried thereon.

To keep and insure all improvements now or hereafter created upon said property against loss or damage by fire and wind-storm, and any other hazard or hazards as may be reasonably required from time to time by Beneficiary during the term of the indebtedness hereby secured, to the extent of the original amount of the indebtedness hereby secured, or to the extent of the full insurable value of said improvements, whichever is the lesser, in such Insurance Company or Companies as may be approved by Beneficiary, and to deliver to Beneficiary the policies of such insurance having attached to said policies such mortgage indemnity clause as Beneficiary shall direct; to deliver; to deliver renewals of such policies to Beneficiary at least Ten (10) days before such insurance policies shall expire; any proceeds which Beneficiary may receive under any such policies may be applied by Beneficiary, at his option, to reduce the indebtedness hereby secured, whether then matured or to mature in the future, and in such manner as Beneficiary may elect, or Beneficiary may permit Grantors to use said proceeds to repair or replace all improvements damages or destroyed and covered by said policy.

That in the event Grantors shall fail to keep the improvements to the property hereby conveyed in good repair and condition, or to pay promptly when due all taxes and assessments, as foreshaid , or to preserve the prior lien of this Deed of Trust on said property, or to keep the buildings and improvements insured, as foreshaid, or to deliver the policy or policies, of insurance or the renewal thereof to Beneficiary, as foreshaid, then Beneficiary may, at his option, but without being required to do so, make such repairs, pay such taxes and assessments, purchase any tax title thereon, remove any prior liens, and prosecute any suits in relation to the preservation of the prior lien of this Deed of Trust on said property, or insure and keep insured the improvements thereon in an amount not to exceed that above stipulated; that any sums which may be so paid out by Beneficiary and all sums paid for insurance premiums, as foreshaid, including the costs, expenses and attorney's fees paid in any suit affecting said property when necessary to protect the lien hereof shall bear interest from dates of such payments at the rate stated in said note and shall be paid by Grantors to Beneficiary upon demand, at the same place at which said note is payable, and shall be deemed a part of the debt hereby secured and recoverable as such in all respects.

That in the event of default payment of any installment, principal or interest, of the note hereby secured, in accordance with the terms thereof, or of a breach of any of the covenants herein contained to be performed by Grantors, then and in any of such events Beneficiary may elect, Grantors hereby expressly waiving presentment and demand for payment, to declare the entire principal indebtedness hereby secured with all interest accrued thereon and all other sums hereby secured immediately due and payable, and in the event of default in the payment of said indebtedness when due or declare due, it shall thereupon, or at any time thereafter, be the duty of

the Trustee, or his successor or substitute as hereinafter provided, at the request of Beneficiary(which request is hereby conclusively presumed), to enforce this trust; and after advertising the time, place and terms of the sale of the above described and conveyed property, then subject to the lien hereof, at public auction in accordance with such notices on the first Tuesday in any month between the hours of ten o'clock a.m. and four o'clock p.m., to the highest bidder for cash, selling all of the property as an entirety or in such parcels as the Trustee acting may elect, and make due conveyance to the purchaser or Purchasers, with general warranty binding Grantors, their heirs and assigns; and out of the money arising from such sale, the Trustee acting shall pay first, all of the expenses of advertising the sale and making the conveyance, including a commission of five percent (5%) to himself, which commission shall be due and owing in addition to the Attorney's fees provided for in said note, and then to Beneficiary the full amount of principal, interest, Attorney's fees and other charges due and unpaid on said note and all other indebtedness secured hereby, rendering the balance of the sales price, if any, to Grantors, their heirs or assigns; and all prerequisites to said sale shall be presumed to have been performed, and such sale and conveyance shall be conclusive against Grantors, their heirs and assigns.

It is agreed that in the event a foreclosure hereunder should be commenced by the Trustee, or his substitute or successor, Beneficiary may at any time before the sale of said property direct the said Trustee to abandon the sale, and may then institute suit for the collection of said note, and for the foreclosure of this Deed of Trust lien; it is further agreed that if Beneficiary should institute a suit for the collection thereof, and for a foreclosure of this Deed of Trust lien, that he may at any time before the entry of a final judgment in said suit dismiss the same, and require the Trustee, his substitute or successor to sell the property in accordance with the provisions of this Deed of Trust.

Beneficiary, if he is the highest bidder, shall have the right to purchase at any sale of the property, and to have the amount for which such property is sold credited on the debt then owing.

Beneficiary in any event is hereby authorized to appoint a substitute Trustee, to act instead of the Trustee named herein without other formality than the designation on writing of a substitute or successor trustee; and the authority hereby conferred shall extend to the appointment of other successor and substitute trustees successively until the indebtedness hereby secured has been paid in full, or until said property is sold hereunder, and each substitute and successor trustee shall succeed to all of the rights and powers of the original trustee named herein.

In the event any sale is made of the above described property, or any portion thereof, under the terms of this Deed of Trust, Grantors, their heirs and assigns, shall forthwith upon the making of such a sale surrender and deliver possession of the property so sold to the purchaser at such sale, and in the event of their failure to do so they shall thereupon from and after the making of such sale be and continue as tenants at will of such purchaser, and in the event of their failure to surrender possession of said property upon demand, the purchaser, his heirs or assigns, shall be entitled to institute and maintain an action for forcible detainer of said property in the Justice of the Peace Court in the Justice Precinct in which such property, or any part thereof, is situated.

It is agreed that the lien hereby created shall take precedence over and be a prior lien to any other lien of any character whether vendor's, materialmen's or mechanic's lien hereafter created on the above described property, and in the event the proceeds of the indebtedness secured hereby as set forth herein are used to pay off and satisfy any liens heretofore existing on said property, then Beneficiary is, and shall be, subrogated to all of the rights, liens, and remedies of the holders of the indebtedness so paid.

It is further agreed that if Grantors, their heirs or assigns, while the owner of the hereinabove described property, should commit an act of bankruptcy, or authorize the filing of a voluntary petition in bankruptcy, or should an act of bankruptcy be committed and involuntary proceedings instituted or threatened, or should the property hereinabove described be taken over by a Receiver for Grantors, their heirs or assigns, the note hereinabove described shall, at the option of Beneficiary, immediately become due and payable, and the acting Trustee may then proceed to sell the same under the provisions of the Deed of Trust.

As further security for the payment of the hereinabove described indebtedness, Grantors hereby transfer, assign, and convey onto Beneficiary all rents issuing or to hereafter issue from said real property, and in the event of any default in the payment of said note or hereunder, Beneficiary, his agent or representative, is hereby authorized, at his option, to collect said rents, or if such property is vacant to rent the same and collect the rents, and apply the same, less the reasonable cost and expenses of collection thereof, to the payment of said indebtedness, whether then matured or to mature in the future, and in such manner as Beneficiary may elect.

The collection of said rents by Beneficiary shall not constitute a waiver of his right to accelerate the maturity of said indebtedness nor of his right to proceed with the enforcement of this Deed of Trust.

It is agreed that an exemption or extension, may be made at the time of payment of all, or any part, of the indebtedness secured hereby, and that any part of the above described real property may be released lien without altering or affecting the priority of the lien created by this Deed of Trust in favor of any junior encumbrancer, mortgagee or purchaser, or any persons acquiring an interest in the property hereby conveyed, or any part thereof; it being the intention of the parties hereto to preserve this lien on the property herein described and all improvements thereon, and that may be hereafter constructed thereon, first and superior to any liens that may be placed or thereon, or that may be fixed, given or imposed by law thereon after the execution of this instrument, notwithstanding any such extension of the time of payment, or the release of a portion of said property from this lien.

In the event any portion of the said indebtedness hereinabove describes cannot be lawfully secured by this Deed of Trust lien on said real property, it is agreed that the first payments made on said indebtedness shall be applied to the discharge of that portion of said indebtedness.

Beneficiary shall be entitled to receive any and all sums which may become payable to Grantors for the condemnation of the hereinabove described real property, or any part thereof, or public or quasi-public use, or by virtue of private sale in lieu thereof, and any sums which may be

ROL 7348 PG 0209

awarded or become payable to Grantors for damages caused by public works or construction on or near the said property. All such sums are hereby assigned to Beneficiary, who may, after deducting therefrom all expenses actually incurred, including attorney's fees, release same to Grantors or apply the same to the reduction indebtedness hereby secured, whether then matured or to mature in the future, or on any money obligation hereunder, as and in such manner as Beneficiary may elect. Beneficiary shall not be, in any event, or circumstances, liable or responsible for failure to collect, or exercise diligence in the collection of, any such sums.

It is stipulated and agreed that the lien created by this instrument is secondary and inferior to the lien securing the unpaid balance of that certain \$41,000.00 indebtedness described in and secured by a Deed of Trust of record in Volume____, pages____ of the Deed of Trust records of Bexar County, Texas, which indebtedness the Grantors herein have not assumed, but which the Beneficiary herein is obligated to pay as and when due, and as provided in the hereinbefore mentioned Deed, and in the event said Beneficiary fails to pay when due any installment or installments falling due thereon, then, so long as Grantors herein are not in default in the payment of the \$40,300.00 Note hereby secured, or in default on the performance of the covenants of this Deed of Trust, Grantors herein shall have the right to pay any such delinquent installment or installments and receive credit upon the \$41,000.00 Note hereby secured for all sums so paid, and in such manner as Grantors may direct, as of the date of such payment.

Nothing herein or in said note contained shall ever entitle Beneficiary, upon the rising of any contingency, whatsoever, to receive or collect interest in excess of the highest rate allowed by the State of Texas on the principal indebtedness hereby secured or on any money obligation hereunder and in no event shall Grantor be obligated to pay interest thereon in excess of such rate.

If this Deed of Trust is executed by only one person or by a corporation the plural reference to Grantors shall be held to include the singular, and all of the covenants and agreements herein undertaken to be performed by and the rights conferred upon the respective Grantor named herein, shall be binding upon and inure to the benefit of not only said parties respectively but also their respective heirs, Executor, Administrators, Grantees, Successors and Assigns.

In the event the Beneficiary in this Deed of Trust should fail to make when due any deposit to the tax and insurance reserve fund provided for under the provisions of the Deed of Trust securing the payment of said \$41,000.00 Note, the so long as Grantors herein are not in default in the payment of the \$41,000.00 Note hereby secured, or in the performance of the covenants of this Deed of Trust, said Grantors shall have the right to make such delinquent deposit or deposits and receive credit therefor upon the tax and insurance reserve fund provided for in this Deed of Trust, in such manner as Grantors herein may direct, as of the date of such deposit.

Grantors expressly represent that this Deed of Trust and the note hereby secured are given for the following purpose, to wit:
