ATTACHMENT I

STATE OF TEXAS §
 § FUNDING AGREEMENT

COUNTY OF BEXAR §

This Funding Agreement (this "Agreement") is hereby made and entered into by and between the CITY OF SAN ANTONIO (hereinafter referred to as "City"), a Texas municipal corporation, acting by and through its City Manager pursuant to Ordinance No. _____ dated _____, and Silver Ventures Inc., as agent for Credit Human Federal Credit Union, a Texas limited liability company, acting by and through its officers, hereto duly authorized.

WHEREAS, in the Fiscal Year 2019 Budget, the City identified the need for a traffic signal in the Broadway Area at Avenue B and Josephine Street;

WHEREAS, the Grantee is providing design and management of improvements for the installation of a traffic signal at Avenue B and Josephine Street; and

WHEREAS, the City has identified Grantee as the appropriate party to contract with for the fulfillment of the public purpose in accordance with all applicable laws of public funding and the authorizing instruments for the public funding; and

WHEREAS, the City has found, by resolution adopted by its City Council, that this Project accomplishes the public purpose of permanent improvements to streets.

NOW THEREFORE, the parties hereto (the "Parties") severally and collectively agree, and by the execution hereof are bound, to the mutual obligations herein contained and to the performance and accomplishment of the tasks hereinafter described.

I. TERM

1.01 This Agreement shall commence on the later of (a) the effective date of the Authorizing Ordinance or (b) the later of the signatures of the two Parties. The Term shall expire upon the earlier to occur of: (a) final payment by the City of all funding under this Agreement, or (b) termination of this Agreement as otherwise provided herein. The Director of Transportation and Capital Improvements may administratively approve extension of agreement term up to an additional year if deemed necessary by City.

II. GENERAL RESPONSIBILITIES OF GRANTEE

2.01 Provided Grantee receives the funding described in Section V of this Agreement, and subject to the other terms and conditions of this Agreement, including, but not limited to, force majeure provisions, Grantee hereby accepts full responsibility for

the performance of all services and activities to complete the Project by December 31, 2019, as described in this Agreement.

2.02 The current budget estimates of the Project are approximately \$500,000. Grantee shall provide all necessary funding for the Project beyond the City's commitment of \$500,000, minus \$15,000 which shall be retained by the City per Section 5.01, for a total of \$485,000. Grantee shall provide evidence to City that all Project funds have been secured prior to the receipt of any funding under this Agreement. City is not responsible for any costs over \$485,000 unless agreed to in writing in the form of an amendment to this Agreement.

2.03 Unless written notification by Grantee to the contrary is received and approved by City, the person listed in Section 23.01 below shall be Grantee's designated representative responsible for the management of this Agreement.

2.04 The Director of Transportation and Capital Improvements (TCI) or designee shall be responsible for the administration of this Agreement on behalf of the City until the completion of the City funded portion of the Project.

2.05 Communications between City and Grantee shall be directed to the designated representatives of each as set forth in paragraphs numbered 2.03 and 2.04 hereinabove.

2.06 A narrative Scope for the Project ("Scope") is attached hereto as Exhibit A.

2.07 The plans and specifications for the Project ("Plans") are attached hereto as Exhibit B. A construction schedule for the Project (the "Schedule") is included as part of Exhibit A. Grantee shall not make any substantial changes to the Plans and Schedule without the prior written approval of City. The approvals given in this Section do not relieve Grantee of the burden of obtaining all necessary governmental approvals, including those provided by City through its relevant development departments and relevant boards and commissions and the State of Texas Commission on Environmental Quality (Article 9102). Nor does City's approval of the Plans release Grantee of the responsibility for the correction of Grantee's mistakes, errors or omissions contained in the Plans, including any mistakes, errors or omissions which may be the result of circumstances unforeseen at the time the Plans were developed or approved.

2.08 A budget for the Project illustrating where City Certificate of Obligation Funds are to be utilized in accordance with this Agreement, as well as illustrating all funding for the entire Project, is attached hereto as Exhibit C.1 (the "Budget").

2.09 City shall have authority to inspect the Project throughout the construction process to ensure compliance with the Plans and to request copies of construction inspections performed by Grantee and third parties. Grantee shall cause its design professional to provide periodic certifications of construction certifying that construction

has been conducted in compliance with the Plans. Grantee shall submit said certification to the Director of TCI or designee at the completion of the Project construction. Grantee shall notify City and City shall have the right to attend all scheduled construction meetings relating to the Project.

III. COMPLIANCE WITH FEDERAL, STATE AND LOCAL LAWS

3.01 Grantee warrants and represents that it will comply with all federal, state and local laws and regulations and will use all reasonable efforts to ensure said compliance by any and all contractors and subcontractors that may work on the Project.

3.02 Grantee warrants and agrees that all construction work performed pursuant to this Agreement will be procured through a competitive contracting process, will or has been advertised to the public in a legal and appropriate manner, and will or has been awarded to the lowest responsible bidder.

3.03 Plans must conform to Americans with Disabilities Act requirements and must be approved by the Texas Department of Licensing and Regulation before construction may begin. Inspections and final approval shall be the responsibility of Grantee.

3.04 Prevailing Wage Rate and Labor Standards

A. The requirements of Chapter 2258 of the Texas Government Code, entitled "Prevailing Wage Rates," shall apply to this Agreement. Grantee agrees that its construction contractor will comply with City Ordinance No. 71312 and its successors such as Ordinance No. 2008-11-20-1045 and will require subcontractors to comply with City Ordinance 71312 and its successors such as Ordinance No. 2008-11-20-1045 and shall not accept affidavits.

B. In accordance with the provisions of Chapter 2258 and Ordinance No. 2008-11-20-1045, Grantee shall request, and the City will provide Grantee with the appropriate wage determination which includes the general prevailing rate of per diem wages in this locality for each craft or type of workman needed to perform the construction work. The Grantee is required, and shall require its construction contractor and all subcontractors to comply with each updated schedule of the general prevailing rates in effect at the time the Grantee calls for bids for construction of a given phase. The Grantee is further required to cause the latest prevailing wage determination decision to be included in bids and contracts with the Grantee's general contractor and all subcontractors for construction of each phase. Grantee is responsible for and shall collect and monitor weekly certified payrolls and perform site visits to ensure the prevailing wage is being paid to all workmen. City will audit certified payroll records as necessary in accordance with this Agreement.

C. Upon audit of the records and certified payrolls under this section, should the City or its auditors find any violations, the Grantee shall cause its Construction Contractor to forfeit as a penalty to the City \$60.00 for each laborer, workman, or mechanic employed, for each calendar day, or portion thereof, that such laborer, workman or mechanic is paid less than the said stipulated rates for any work done under said contract, by the Contractor or any subcontractor. The establishment of prevailing wage rates in accordance with Chapter 2258, Texas Government Code shall not be construed to relieve the Grantee from its obligation under any federal or state law regarding the wages to be paid to or hours worked by laborers, workmen or mechanics insofar as applicable to the work to be performed under this Agreement.

3.05 Environmental - Construction shall be in accordance with all federal, state, and local environmental requirements including all applicable City construction and development regulations.

3.06 Small Business Economic Development Advocacy Program - Grantee shall comply with all Small/Minority and Woman Owned Business Terms and Conditions as attached hereto as **Exhibit D**.

3.07 Compliance with Certificate of Obligation Covenants – The City's commitment hereunder is funded with Certificates of Obligation, which are obligations the interest on which is excluded from the gross income calculations of the holders thereof for the purpose of determining income tax liability under applicable federal law. Maintaining the eligibility of these funds for this tax treatment requires the City's compliance with applicable federal tax law and regulations, which includes agreements regarding the use of City Certificate of Obligation proceeds and the use and operation of facilities financed with those proceeds. As the expenditure of the City Certificate of Obligation proceeds once delivered to the Grantee, and the use and operation of the completed Project, is under the control of the Grantee, Grantee agrees that it shall not use, or permit the use of, proceeds of the City Certificate of Obligation funds, or earnings thereon, or any other amounts or any property, the acquisition, construction, or improvement of which is to be financed directly or indirectly with proceeds of the City Certificate of Obligation funds or earnings thereon, in a manner which, if used or permitted to be used, respectively, would cause the interest on City Certificates of Obligation to be includable in the gross income of the Certificate of Obligation owners for federal income tax purposes. In addition, purposes which are not permissible include, but are not limited to religious activities, restaurants, cafes, and retail stores.

3.08 No Boycotting of Israel. Texas Government Code §2270.002 provides that a governmental entity may not enter into a contract with a company for goods or services, unless the contract contains a written verification from the company that it:

- (1) does not boycott Israel; and
- (2) will not boycott Israel during the term of the contract.

"Boycott Israel" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

"Company" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of those entities or business associations that exists to make a profit.

By signing this Agreement with the City of San Antonio, Grantee hereby verifies that it does not boycott Israel, and will not boycott Israel during the term of the contract. City hereby relies on Grantee's verification. If found to be false, City may terminate the contract for material breach.

3.09 TEXAS GOVERNMENT CODE § 2252.152
CONTRACTS WITH COMPANIES ENGAGED IN BUSINESS WITH IRAN,
SUDAN, OR FOREIGN TERRORIST ORGANIZATION PROHIBITED

Texas Government Code §2252.152 provides that a governmental entity may not enter into a governmental contract with a company that is identified on a list prepared and maintained under Texas Government Code §2270.0201 or §2252.153 "Listed Companies". Consultant/Contractor hereby certifies that it is not identified on such a list and that it will notify City should it be placed on such a list while under contract with City. City hereby relies on Consultant's/Contractor's certification. If found to be false, or if Consultant/Contractor is identified on such list during the course of its contract with City, City may terminate this Agreement for material breach.

IV. OWNERSHIP, USE OPERATIONS

4.01 Grantee hereby acknowledges that it will construct the Project in a manner consistent with use by the general public.

4.02 Once completed, the City shall be responsible for the operation and maintenance of the Project and all associated costs will be the responsibility of City.

4.03 The Project entails the construction of the certain improvements to the intersection of Avenue B and Josephine Street, including a traffic signal, as more precisely depicted in the Plans.

4.04 When the Project is substantially complete, defined as the stage in the progress of the work when the Project is sufficiently complete in accordance with the Plans so that the City can utilize the Project for its intended use, the City will take

ownership of the Project and will be responsible for its operation, maintenance, and insurance. The contractor will provide a one year warranty for the Project.

V. FUNDING AND ASSISTANCE BY CITY

5.01 City shall reimburse Grantee for all eligible expenses incurred hereunder. Notwithstanding any other provisions of this Agreement, the total of all payments and other obligations made or incurred by City hereunder shall not exceed the sum of \$485,000.

5.02 City shall not be obligated nor liable under this Agreement to any party, other than Grantee and Transportation and Capital Improvements "hereinafter referred to as TCI", for payment of any monies or provision of any goods or services.

5.03 Funding shall consist of reimbursements paid to Grantee for construction costs of the Project, not to exceed \$500,000, minus \$15,000 to be retained by the City, for total funding by City of \$485,000. The City funding provided under this Agreement may only be used for the Project, which is entirely dedicated to public use/public purpose. Any changes to the schedule of values once approved shall be processed and approved as task orders through the portal.

6.05 Prior to reimbursement, City shall have the right to inspect work completed to ensure conformance with the approved Plans. Invoices should include all supporting documentation that costs have been incurred, as required by City.

6.06 City agrees to provide Grantee written notice regarding any expenditure for which Grantee has requested reimbursement under this Agreement which the City reasonably determines to be outside the permissible parameters of this Agreement. Said notice shall provide Grantee thirty (30) days from receipt of said notice to cure the deficiency or refund to the City any sum of money paid by City to Grantee determined to:

- (A) Have not been spent by Grantee strictly in accordance with the terms of this Agreement; or
- (B) Not be supported by adequate documentation to fully justify the expenditure.

6.07 Upon termination of this Agreement, should any expense or charge be subsequently disallowed or disapproved using the same criteria as set out in this Section VI as a result of any auditing or monitoring by City, Grantee shall refund such amount to City within thirty (30) working days of City's written request wherein the amount disallowed or disapproved shall be specified.

12.08 In addition to any other remedies the City may have upon Grantee's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, the City shall have the right to order Grantee to stop work hereunder, and/or withhold any payment(s) which become due to Grantee hereunder until Grantee demonstrates compliance with the requirements hereof.

12.09 Nothing herein contained shall be construed as limiting in any way the extent to which Grantee may be held responsible for payments of damages to persons or property resulting from Grantee's or its subcontractors' performance of the work covered under this Agreement.

12.10 It is agreed that Grantee's insurance shall be deemed primary and non-contributory with respect to any insurance or self insurance carried by the City of San Antonio for liability arising out of operations under this Agreement.

12.11 It is understood and agreed that the insurance required is in addition to and separate from any other obligation contained in this Agreement and that no claim or action by or on behalf of the City shall be limited to insurance coverage provided.

12.12 Grantee and any subcontractors are responsible for all damage to their own equipment and/or property.

12.13 Grantee shall ensure that its general contractor complies with Texas Government Code Chapter 2253 provisions regarding performance and payment bonds on certain Public Works contracts (copies of required bonds must be provided to City prior to the start of construction).

XIII. NONDISCRIMINATION

13.01 As a party to this contract, Grantee understands and agrees to comply with the *Non-Discrimination Policy* of the City of San Antonio contained in Chapter 2, Article X of the City Code and further, shall not discriminate on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity, veteran status, age or disability, unless exempted by state or federal law, or as otherwise established herein.

XIV. CONFLICT OF INTEREST

14.01 Grantee covenants that neither it nor any member of its governing body or of its staff presently has any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required to be performed under this Agreement. Grantee further covenants that in the performance of this Agreement, no persons having such interest shall be employed or appointed as a member of its governing body or of its staff.

14.02 Intentionally deleted

14.03 No member of City's governing body or of its staff who exercises any function or responsibility in the review or approval of the undertaking or carrying out of this Agreement shall:

- (A) Participate in any decision relating to this Agreement which may affect his or her personal interest or the interest of any corporation, partnership, or association in which he or she has a direct or indirect interest;
- (B) Have any direct or indirect interest in this Agreement or the proceeds thereof.

XV. POLITICAL ACTIVITY

15.01 None of the activities performed hereunder shall involve, and no portion of the funds received hereunder shall be used, either directly or indirectly, for any political activity including, but not limited to, an activity to further the election or defeat of any candidate for public office or for any activity undertaken to influence the passage, defeat or final content of local, state or federal legislation.

XVI. RIGHTS TO PROPOSAL AND CONTRACTUAL MATERIAL

16.01 All finished or unfinished reports, documents, data, studies, surveys, charts, drawings, maps, models, photographs, designs, plans, schedules, or other appended documentation to any proposal or contract pertaining specifically to the work included under the Scope of this Agreement, shall, upon receipt, become the property of City (provided that the Grantee shall be entitled to maintain copies of all of the foregoing materials). For purposes of this Agreement, the "contract pertaining specifically to the work included under the Scope of this Agreement" shall mean only the change order relating to the Project under the construction contract entered into between Grantee and its general contractor that relates to the Project and additional work not related to the Project or this Agreement and such "contract pertaining specifically to the work included under the Scope of this Agreement" shall not be deemed to include any portion of such construction contract other than such change order.

XVII. CONTRACTING

17.01 Any work or services contracted hereunder shall be contracted only by written contract or agreement and, unless specific waiver is granted in writing by City, shall be subject by its terms to each and every provision of this Agreement. Compliance by contractors with this Agreement shall be the responsibility of Grantee. Grantee is responsible to ensure that all local, state and federal permits and approvals required for the activities under this Agreement are obtained.

17.02 City shall in no event be obligated to any third party, including any sub-contractor of Grantee, for performance of or payment for work or services.

XVIII. CHANGES AND AMENDMENTS

18.01 Except when the terms of this Agreement expressly provide otherwise, any alterations, additions, or deletions to the terms hereof shall only be by amendment in writing executed by both City and Grantee under authority granted by formal action of the Parties' respective governing bodies.

18.02 It is understood and agreed by the Parties hereto that changes in local, state and federal rules, regulations or laws applicable hereto may occur during the term of this Agreement and that any such changes shall be automatically incorporated into this Agreement without written amendment hereto, and shall become a part hereof as of the effective date of the rule, regulation or law.

XIX. ASSIGNMENTS

19.01 Grantee shall not transfer, pledge or otherwise assign this Agreement, any interest in and to same, or any claim arising thereunder, without first procuring the written approval of City, which approval shall not be unreasonably withheld or delayed after construction of the Project is completed. Any attempt at transfer, pledge or other assignment shall be void *ab initio* and shall confer no rights upon any third person.

XX. SEVERABILITY OF PROVISIONS

20.01 If any clause or provision of this Agreement is held invalid, illegal or unenforceable under present or future federal, state or local laws, including but not limited to the City Charter, City Code, or ordinances of the City of San Antonio, Texas, then and in that event it is the intention of the Parties hereto that such invalidity, illegality or unenforceability shall not affect any other clause or provision hereof and that the remainder of this Agreement shall be construed as if such invalid, illegal or unenforceable clause or provision was never contained herein; it is also the intention of the Parties hereto that in lieu of each clause or provision of this Agreement that is invalid, illegal, or unenforceable, there be added as a part of the Agreement a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

XXI. NON-WAIVER OF PERFORMANCE

21.01 No waiver by either Party of a breach of any of the terms, conditions, covenants or guarantees of this Agreement shall be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee herein contained. Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no waiver, change, modification or discharge by either Party hereto of any provision of this Agreement shall be deemed to have been made or shall be effective unless expressed in writing and signed by the Party to be charged.

21.02 No act or omission of either Party shall in any manner impair or prejudice any right, power, privilege, or remedy available to either Party hereunder or by law or in equity, such rights, powers, privileges, or remedies to be always specifically preserved hereby.

21.03 No representative or agent of City may waive the effect of the provisions of this Article without formal action from the City Council.

If Grantee fails to timely cure such default, City may pursue all remedies available in law or at equity and/or other rights City may have in this Agreement; provided that it is expressly agreed that neither Party hereto shall have the right to seek consequential or punitive damages against the other for any default under this Agreement.

29.02 As long as City Certificate of Obligation funds remain outstanding, the City's failure to perform any required actions under this Agreement shall give rise to Grantee's right, upon 60 days written notice to City, to undertake to perform any such actions and to receive reimbursement from City for the cost of performing such actions. After the City Certificate of Obligation funds have been finally paid, any breach or violation by City to this Agreement of the provisions herein contained shall give rise immediately to the right on the part of Grantee, at its option, upon thirty (30) days' written notice to City, unless such breach or violation is cured prior to the expiration of the notice period, to cancel this Agreement or to seek any remedy which now is or may be provided by law, whether or not stated herein. No waiver by either party of a breach or violation shall be construed or held to be a waiver of any succeeding or preceding breach or violation of the same or any other provision herein contained.

EXHIBIT D
SBEDA ORDINANCE COMPLIANCE PROVISIONS AND COMMITMENT
FORM

**SMALL BUSINESS ECONOMIC DEVELOPMENT
ADVOCACY (SBEDA) PROGRAM
Broadway Area Improvements (Avenue B Signal)**

A. SBEDA Program

City has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2016-05-19-0367 and as amended, also referred to as "SBEDA" or "the SBEDA Program"), which is posted on City's Economic Development (hereafter referred to as "EDD") website page and also is available in hard copy form upon request to City. The SBEDA Ordinance Compliance Provisions contained in this Exhibit 1 are governed by the terms of said Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by City, pursuant to said Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual in effect as of the date of the execution of this Agreement. Unless defined in a contrary manner herein, terms used in this Exhibit 1 shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the SBEDA Policy & Procedure Manual.

B. SBEDA Program Compliance – Affirmative Procurement Initiatives

City has applied the following contract-specific Affirmative Procurement Initiatives to this Agreement. GRANTEE hereby acknowledges and agrees the selected API requirement(s) also shall be extended to any change order or subsequent contract modification and, absent SBO's granting of a waiver, that its full compliance with the following API terms and conditions are material to its satisfactory performance under this Agreement:

M/WBE Subcontracting Program. In accordance with SBEDA Ordinance Section III. D. 2. (d), this contract is being awarded pursuant to the M/WBE Subcontracting Program. GRANTEE agrees that it will require its Contractor to subcontract at least **twenty-six percent (26%)** of the City's appropriation of this project to certified M/WBE firms headquartered or having a Significant Business Presence within the San Antonio Metropolitan Statistical Area (SAMSA).

The Subcontractor / Supplier Utilization Plan that GRANTEE's Contractor submitted to CITY for this contract (or, as appropriate, that it agrees to submit during the price proposal negotiation phase of this contract), and that contains the names of the certified M/WBE Subcontractors to be used by GRANTEE's Contractor on this contract, the respective percentages of the total prime contract dollar value to be awarded and performed by each M/WBE Subcontractor, and documentation including a description of each M/WBE Subcontractor's scope of work and confirmation of each SBE, M/WBE and AABE Subcontractor's commitment to perform such scope of work for an agreed upon dollar amount is hereby attached and incorporated by reference into the material terms of this Agreement. In the absence of a waiver granted by the SBO, the failure of GRANTEE's Contractor to attain this subcontracting goal for M/WBE firm participation in the performance of a Commercially Useful Function under the terms of its contract shall be a material breach and

grounds for termination of the contract with the CITY, and may result in debarment from performing future CITY contracts, withholding of payment for retainage equal to the dollar amount of the underutilization below the agreed upon SBE, M/WBE and AABE subcontracting goal, and/or shall be subject to any other remedies available under the terms of this Agreement for violations of the SBEDA Ordinance, or under any other law.

C. Contract Requirements and Commitment

GRANTEE understands and agrees the following provisions shall be requirements of this Funding Agreement and GRANTEE, in acknowledging these requirements, commits to comply with these provisions.

Waiver Request - GRANTEE may request, for good cause, a full or partial Waiver of **specified subcontracting goal(s)** by submitting the *Respondent/ Vendor Subcontracting Waiver Request* form (available at <http://www.sanantonio.gov/SBO/Forms.aspx>). GRANTEE's Waiver request fully must document Consultant, Sub-Consultant, Contractor, Subcontractor and/or Supplier unavailability despite GRANTEE's good faith efforts to comply with the goal. Such documentation shall include all good faith efforts made by GRANTEE including, but not limited to, which Consultants, Sub-Consultants, Contractors, Subcontractors and/or Suppliers were contacted (with phone numbers, e-mail addresses and mailing addresses, as applicable) and the method of contact.

D. SBEDA Program Compliance – General Provisions

GRANTEE acknowledges and accepts the terms of City's SBEDA Ordinance, as amended, together with all requirements, guidelines and procedures set forth in City's SBEDA Policy & Procedure Manual, are in furtherance of City's efforts at economic inclusion and, moreover, such terms are part of GRANTEE's Scope of Work, as referenced in City's Funding Agreement, forming the basis for a Funding Agreement award and subsequent execution of this Agreement. These SBEDA Ordinance requirements, guidelines and procedures hereby are incorporated by reference into this Agreement and are considered by the Parties hereto to be material terms. GRANTEE's agreement fully to comply with these SBEDA program terms is a material condition for being awarded this Funding Agreement by City. Without limitation, GRANTEE further agrees to the following terms as part of its contract compliance responsibilities under City's SBEDA Program:

1. GRANTEE, through its Contractor, shall cooperate fully with the Small Business Office and other CITY departments in their data collection and monitoring efforts regarding GRANTEE's utilization and payment of Subcontractors, S/M/WBE firms, and HUBZone firms, as applicable, for their performance of Commercially Useful Functions on this contract including, but not limited to, the timely submission of completed forms and/or documentation promulgated by SBO, through the Originating Department, pursuant to the SBEDA Policy & Procedure Manual, timely entry of data into monitoring systems, and ensuring the timely compliance of its subcontractors with this term;
2. GRANTEE, through its Contractor, shall cooperate fully with any CITY or SBO investigation (and shall also

respond truthfully and promptly to any CITY or SBO inquiry) regarding possible non-compliance with SBEDA requirements on the part of GRANTEE or its Contractor, subcontractors or suppliers;

3. GRANTEE, through its Contractor shall permit the SBO, upon reasonable notice, to undertake inspections as necessary including, but not limited to, contract-related correspondence, records, documents, payroll records, daily logs, invoices, bills, cancelled checks, and work product, and to interview Subcontractors and workers to determine whether there has been a violation of the terms of this Agreement;
4. GRANTEE, through its Contractor, shall notify the SBO, in writing on the Change to Utilization Plan form, through the Originating Department, of any proposed changes to GRANTEE's Subcontractor /Supplier Utilization Plan for this contract, with an explanation of the necessity for such proposed changes, including documentation of Good Faith Efforts made by GRANTEE's Contractor to replace the Subcontractor / Supplier in accordance with the applicable Affirmative Procurement Initiative. All proposed changes to the Subcontractor / Supplier Utilization Plan including, but not limited to, proposed self-performance of work by GRANTEE's Contractor of work previously designated for performance by Subcontractor or supplier, substitutions of new Subcontractors, terminations of previously designated Subcontractors, or reductions in the scope of work and value of work awarded to Subcontractors or suppliers, shall be subject to advanced written approval by the Originating Department and the SBO.
5. GRANTEE shall immediately notify the Originating Department and SBO of any transfer or assignment of its contract with the CITY, as well as any transfer or change in its ownership or business structure.
6. GRANTEE shall retain all records of its Subcontractor payments for this contract for a minimum of four years or as required by state law, following the conclusion of this contract or, in the event of litigation concerning this contract, for a minimum of four years or as required by state law following the final determination of litigation, whichever is later.
7. In instances wherein the SBO determines that a Commercially Useful Function is not actually being performed by the applicable S/M/WBE or HUBZone firms listed in a GRANTEE's Subcontractor / Supplier Utilization Plan, the GRANTEE shall not be given credit for the participation of its S/M/WBE or HUBZone Subcontractor(s) or joint venture partner(s) toward attainment of S/M/WBE or HUBZone firm utilization goals, and the GRANTEE and its listed S/M/WBE firms or HUBZone firms may be subject to sanctions and penalties in accordance with the SBEDA Ordinance.
8. GRANTEE acknowledges that the CITY will not execute a contract or issue a Notice to proceed for this project until the GRANTEE's Contractor for this project have registered and/or maintained active status in the CITY's Centralized Vendor Registration System (CVR), and GRANTEE's Contractor has represented to CITY which primary commodity codes each Subcontractor will be performing under for this contract. CITY recommends all Subcontractors to be registered in the CVR.

For more information please see link: <http://www.sanantonio.gov/SBO/Compliance>

E. Violations, Sanctions and Penalties

In addition to the above terms, GRANTEE acknowledges and agrees it is a violation of the SBEDA Ordinance and shall be deemed to have committed a material breach of this Agreement if GRANTEE:

1. fraudulently obtains, retains, attempt to obtain, or aids another in fraudulently obtaining, retaining, or attempting to obtain or retain Certification status as an SBE, MBE, WBE, M/WBE, HUBZone firm, Emerging M/WBE, or ESBE for purposes of benefitting from the SBEDA Ordinance;
2. willfully falsifies, conceals or covers up by a trick, scheme or device, a material fact or makes any false, fictitious or fraudulent statements or representations, or makes use of any false writing or document, knowing the same to contain any false, fictitious or fraudulent statements or entries pursuant to the terms of the SBEDA Ordinance;
3. willfully obstructs, impedes or attempts to obstruct or impede any authorized official or employee investigating the qualifications of a business entity which has requested Certification as an S/M/WBE or HUBZone firm;
4. fraudulently obtains, attempts to obtain or aids another person fraudulently obtaining or attempting to obtain public monies to which the person is not entitled under the terms of the SBEDA Ordinance; and
5. makes false statements to any entity that any other entity is or is not certified as an S/M/WBE for purposes of the SBEDA Ordinance.

Any person of entity violating the provisions of this **clause** shall be subject to the provisions of Section III. E. 13. of the SBEDA Ordinance and any other penalties, sanctions and remedies available under law including, but not limited to:

1. Suspension of contract
2. Withholding of funds
3. Rescission of contract based upon a material breach of contract pertaining to S/M/WBE Program compliance
4. Refusal to accept a response or proposal
5. Disqualification of GRANTEE or other business firm from eligibility for providing goods or services to the City for a period not to exceed two years (upon City Council approval).

F. Commercial Nondiscrimination Policy Compliance

As a condition of entering into this Agreement, GRANTEE represents and warrants it has complied with, throughout the course of this solicitation and contract award process and will continue to comply with, City's Commercial Nondiscrimination Policy, as described under

Section III. C. 1. of the SBEDA Ordinance. As part of such compliance, GRANTEE shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation or, on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring or commercial treatment of Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s), Suppliers vendors or commercial customers, nor shall GRANTEE retaliate against any person for reporting instances of such discrimination. GRANTEE shall provide equal opportunity for Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s), Suppliers and vendors to participate in all of GRANTEE's public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this **clause** shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in City's Relevant Marketplace. GRANTEE understands and agrees a material violation of this **clause** shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of GRANTEE from participating in City contracts or other sanctions. This **clause** is not enforceable by or for the benefit of, and creates no obligation to, any third party. GRANTEE's certification of its compliance with this Commercial Nondiscrimination Policy, as submitted to City pursuant to the solicitation for this Agreement, hereby is incorporated into the material terms of this Agreement. GRANTEE shall incorporate this Commercial Nondiscrimination Policy clause into each of its Consultant(s), Sub-Consultant(s), Contractor(s) Subcontractor(s) and Supplier agreements entered into pursuant to City contracts.

G. Prompt Payment

Upon execution of this Agreement, GRANTEE shall be required to submit to City accurate progress payment information with each invoice, with regard to each of its Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s) and Suppliers, including HUBZone Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s) and Suppliers, to ensure GRANTEE's reported subcontract participation is accurate. GRANTEE shall pay its Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s) and Suppliers in compliance with Chapter 2251, Texas Government Code (known as the "Prompt Payment Act") within ten (10) days of receipt of payment from City. In the event of GRANTEE's noncompliance with these prompt payment provisions, no new City contracts shall be issued to GRANTEE until City's audit of previous subcontract payments is complete and payments are verified to be in accordance with the specifications of the Agreement.

H. Definitions

Affirmative Procurement Initiatives (hereafter referred to as "API") – refers to various Small Business Enterprise, Minority Business Enterprise, and/or Women Business Enterprise (hereafter referred to as "S/M/WBE") Program tools and Solicitation Incentives that are used to encourage greater prime contract and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. (For full descriptions of these and other S/M/WBE program tools, see Section III. D. of Attachment A to the SBEDA Ordinance).

Centralized Vendor Registration System (hereafter referred to as “CVR”) – refers to a mandatory electronic system wherein City requires all prospective Consultants, Sub-Consultants, Contractors and Subcontractors ready, willing and able to sell goods or services to City to register. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices and for receiving payments from City. The CVR-assigned identifiers also are used by City’s Goal Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE (as defined herein) firms by Industry or commodity codes and for establishing annual aspirational Goals and contract-by-contract Subcontracting Goals.

Certification or “Certified” – refers to the process by which City’s Small Business Office (hereafter referred to as “SBO”) staff determines a firm to be a bona-fide small, minority-, women-owned or emerging small business enterprise. Emerging Small Business Enterprises (hereafter referred to as “ESBEs”) automatically are eligible for Certification as SBEs. Any firm may apply for multiple Certifications covering each and every status category (e.g., SBE, ESBE, MBE, or WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, City accepts any firm that is certified by local government entities and/or other organizations identified herein that have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in this Ordinance in Section III.E.6 of Attachment A.

Commercially Useful Function – means a S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of a distinct element of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm also must be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it actually is performing, the S/M/WBE credit claimed for its performance of the work and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation when, in similar transactions in which S/M/WBE firms do not participate, there is no such role performed. The use of S/M/WBE firms by GRANTEE to perform such “pass-through” or “conduit” functions that are not commercially useful shall be viewed by City as fraudulent, if GRANTEE attempts to obtain credit for such S/M/WBE participation towards the satisfaction of S/M/WBE participation goals or other API participation requirements. As such, under such circumstances where a commercially useful function is not actually performed by the S/M/WBE firm, GRANTEE shall not be given credit for the participation of its S/M/WBE Consultant(s), Sub-Consultant(s), Contractor(s), Subcontractor(s), Suppliers or joint venture partner towards attainment of S/M/WBE utilization goals, and GRANTEE and S/M/WBE firm may be subject to sanctions and penalties in accordance with the SBEDA Ordinance.

Good Faith Efforts – means the documentation of GRANTEE's intent to comply with S/M/WBE Program Goals and procedures including, but are not limited to, the following:

(1) documentation reflecting GRANTEE's commitment to comply with SBE or M/WBE Program Goals as established by the GSC for a particular contract; or
