Re: Request for One (1) – Year Extension
SEP-HEP Application No.: SEP 17-006
20.53 Acre Babcock Road, LLC Tract

Dear Mr. Felts:

On behalf of the owner, Craig Glendenning, please let this letter be his request for an extension of 12-months from the expiration date of the mitigation determination, which was May 8, 2019. It is the intent of the ownership to make the mitigation fee payments within that timeframe.

Thank you for your consideration of this request.

Sincerely,
