## **003 BACKGROUND**

### **OBJECTIVE**

The City of San Antonio (City) seeks to establish a multi-jurisdictional contract to purchase specialized software used to manage traffic operations at signalized intersections and control pedestrian hybrid beacons.

The City will be the primary procurement entity for the contract and will make the resulting contract from this solicitation available to interested public entities. The City will manage the contract and will have sole ability to alter or amend the contract. Interested parties will have the ability to utilize the services and pricing from the resulting contract through the establishment of negotiated contract agreements made directly with awarded Contractor(s), and may require modification of terms and conditions to meet the respective entity's ordinances, rules and regulations.

All contract transactions will occur directly between Contractor(s) and each public entity (the City or Interested Parties) individually, and neither the City nor any interested party shall be liable for any acts, liabilities, damages, etc. incurred by any other entity.

### **BACKGROUND**

The City of San Antonio has over 1,400 signalized intersections and 26 lane control signals that utilize the Siemens NextPhase (version 1.7.7c) for operations.

The City has over 1,400 Model 2070 controllers. The existing controllers meet the following requirements:

The Model 2070L controller complies with the Transportation Electrical Equipment Specifications (TEES), dated 2002, including Errata 1 (2003) and Errata 2 (2004). The Model 2070L controllers were delivered with the following options:

- 2070-1B Central Processing Unit (CPU) module.
- 2070-2A Field Input/Output (I/O) module (C1 and C11 connectors).
- 2070-3B Front Panel (8 line display).
- 2070-4B (3.5 Amp) Power Supply.

The City's communications network consists mostly of wireless (i.e. LTE) connections with some fiber optic cable connections mostly in the downtown area.

The City deployed the Kimley-Horn KITS software in 2015 and it is fully operational. The Kimley-Horn KITS software has 1,409 signalized intersections (includes test cabinets) under control.

The City of San Antonio has implemented transit signal priority on some corridors using the Prioritor function within NextPhase version 1.7.7c. The request for the TSP is made through the KITS central software after a message is received from the VIA Metropolitan Transit central software. Contractor shall provide the same operation, or better operation than described above.

The City has been using Siemens NextPhase since 2008, at which time they also began using the Model 2070 controller, at approximately 1,275 signalized intersections. The Siemens NextPhase controller software is considered to be "end of life." The controller hardware will be upgraded as needed and will continue to be used until it has reached the end of its useful life. The City of San Antonio uses the Kimley-Horn software KITS to manage their signalized intersections.

For the purposes of this procurement, the software that is procured for installation on the traffic signal controller hardware will be called "software". Any use of the word firmware shall also mean "software".

## **004 SCOPE OF SERVICE**

### **SCOPE OF SERVICES**

#### **4.1 Project Requirements**

The City has compiled a comprehensive list of functional and technical requirements that the software Contractor will provide. Those requirements are identified in Attachment E as the Requirements Traceability Matrix (RTM). The RTM provides an extensive list of functionality that is identified as either mandatory or desired. All mandatory requirements shall be met as part of this project. The City intends to achieve as many of the desired requirements as possible while balancing cost with best value.

#### **4.2 Support for National Transportation Communication for ITS Protocol (NTCIP)**

##### **4.2.1 General**

The local controller software shall comply with all NTCIP standard documents. Compliance shall be to the currently approved or recommended version(s) of the relevant NTCIP standards on the date of the initial acceptance of the software by the City.

The controller software must be able to implement nationally defined NTCIP messages called for in the requirements traceability matrix.

##### **4.2.2 Documentation**

The software shall be supplied with full documentation. Documentation shall include electronic and hard copy. The electronic copy shall be provided on a flash drive, DVD, or CD-ROM. The documentation shall include all NTCIP standard Management Information Bases (MIBs) and extensions, developer-specific MIBs, and all Simple Network Management Protocol (SNMP) and Simple Mail Transfer Protocol (SMTP) data elements. All MIBs shall be provided in American Standard Code for Information Exchange (ASCII) format using ASN.1 notation.

##### **4.2.3 MIB Extensions**

Contractor shall clearly define all MIB extensions. Primarily, all extensions shall be accomplished by the following methods:

4.2.3.1 Extending the capabilities of existing standard features.

4.2.3.2 Defining new data elements or features under a developer-specific MIB extension.

To the extent possible, the replacement of a partially complete feature with a complete custom feature should be avoided.

##### **4.2.4 Support of NTCIP Standards, Amendments and Revisions**

Contractor shall address any proposed revisions or draft amendments to the required NTCIP MIBs available during the initial procurement stage and the impact on the proposed software's NTCIP compliance and/or ability to meet the functional requirements of this specification. The initial procurement stage shall be extended from the date of release of this specification to one (1) year beyond the initial acceptance of the software by the City.

##### **4.2.5 Object Range Values**

All objects required by these specifications shall support all values within their standardized ranges, unless otherwise approved by the City. A size, range, or enumerated listing indicated in the object's SYNTAX field or through descriptive text in the object's DESCRIPTION field of the relevant standard defines the standardized range.

Contractor shall prepare a table of object range values for each object in NTCIP Standards 1201

and 1202 and identify any variances from the standard ranges that are required to meet this specification.

#### **4.2.6 NTCIP Standards**

Contractor shall define an entire NTCIP stack and identify the NTCIP, or other standards that will be required at each level to meet the specifications contained in this document. For each NTCIP standard, Contractor shall complete a profile implementation conformance statement (PICS) identifying each required object. All mandatory objects identified in the standards shall be included in the PICS.

As a minimum, the software shall comply with the following standards:

##### General

- 4.2.6.1.1 NTCIP 1101 v01.12 - NTCIP Simple Transportation Management Framework
- 4.2.6.1.2 The software shall comply with Conformance Level 2
- 4.2.6.1.3 NCTIP 1102: 2004 – NTCIP Octet Encoding Rules (OER)
- 4.2.6.1.4 NTCIP 1103 v01 - NTCIP Transportation Management Protocols (TMP)
- 4.2.6.1.5 The software shall include support for the “Simple Fixed Message Protocol” (SFMP)
- 4.2.6.1.6 NTCIP 8004 v01 - NTCIP Structure and Identification of Management Information (SMI)

##### Information Level

- 4.2.6.1.7 NTCIP 1201v03 – NTCIP Global Objects (GO) Definitions
- 4.2.6.1.8 NTCIP 1202:2005 – NTCIP Object Definitions for ASC
- 4.2.6.1.9 The software shall fully implement all mandatory objects of all mandatory and optional conformance groups defined in this standard

##### Application Level

- 4.2.6.1.10 NTCIP 2303:2001 v01.06 – NTCIP AP-FTP
- 4.2.6.1.11 NTCIP 2301: v02 - NTCIP AP-STMf

##### Transport Level

- 4.2.6.1.12 NTCIP 2201:2003 - NTCIP TP-Transportation Transport Profile
- 4.2.6.1.13 NTCIP 2202:2001 - NTCIP TP-Internet (UDP/IP) Transport Profile

##### Subnetwork Level

- 4.2.6.1.14 NTCIP 2101:2001 - NTCIP SP-PMPP/RS232
- 4.2.6.1.15 NTCIP 2104:2003 – NTCIP SP-Ethernet

Contractors are required to identify and comply with any additional NTCIP or other standards necessary to meet the specifications of this document.

#### **4.3 Possible Database Conversions**

The City may be interested in acquiring additional services for providing database conversions. There are three categories or classes of database conversions, which are simple, moderate, and complex. An example of a simple intersection would be a 2 phase operation, such as the intersection of Blanco Road at Cadillac Way. An example of a moderate intersection would be an eight phase operation, such as Babcock Road at Huebner Road. An example of a complex intersection would be a diamond operation, such as Braun Road at Loop 1604.

#### **4.4 City's Responsibilities**

The City will be responsible for:

- 4.4.1 Providing single point of contact for all technical and operational issues.

It is critical that all parties under contract to the City place mobility and congestion management as the number one priority. To that end, all parties shall uphold open communication and sharing of information such as any changes in the Contractor's software (subject to the stated technical requirements) shall be communicated immediately and openly to Kimley-Horn so that the KITS software can be modified accordingly for the life of the use of the software by either City. Non-Disclosure Agreements (NDAs) may be utilized to protect Contractor's rights. ### Temporary Contract Pending Award of Contract by City Council.

Occasionally, the City has a need for goods or services prior to the date set for the San Antonio City Council to consider a contract for award. If such a situation arises with regard to this solicitation, and if City intends to recommend Vendor's bid to the City Council for award of a contract, City may require Vendor to provide goods or services prior to the date set for City Council to consider the bid for award of a contract. City shall provide Vendor advance written notice if such occasion arises.

In such event, City's written notice shall constitute acceptance of Vendor's bid and shall result in a temporary contract to provide goods and/or services until City Council considers and awards the contract contemplated in this solicitation. The total expenditure under the temporary contract shall not exceed \$50,000. The temporary contract shall begin on the date set forth in City's written notice and shall terminate when the total expenditure reaches \$50,000, or upon subsequent written notice from City, whichever shall occur sooner. Should City Council authorize award of a contract to Vendor pursuant to this solicitation, said award shall automatically terminate the temporary contract upon the effective date of the newly awarded contract.

During the term of the temporary contract, all goods or services shall be provided in accordance with the terms and conditions contained in this solicitation, with the exception of the Original Contract Term, which is modified as indicated above for the temporary contract.

Acceptance of Vendor's bid for the purposes of award of a temporary contract does not constitute award of the full contract with the Original Contract Term. Such a contract may only be awarded by the San Antonio City Council by passage of an ordinance. Neither does award of a temporary contract obligate City to recommend Vendor's bid for award to the City Council, or guarantee that the City Council will award the contract to Vendor.

#### Payment by City.

In accordance with the Texas Prompt Payment Act, City shall have not less than 30 days to pay for goods or services. Time for payment, including payment under discount terms, will be computed from the later of: (1) the date the City receives conforming goods under the contract; (2) the date performance of the service under the contract is completed; or (3) the date the City receives a correct and valid invoice for the goods or services. Payment is deemed to be made on the date of mailing of the check. Payment is made in US dollars only.

This provision shall not apply where there is a bona fide dispute between the City and Vendor about the goods delivered or the service performed that causes the payment to be late, or where the invoice is not mailed to the address provided herein.

The payment amount due on invoices may not be manually altered by City personnel. Once disputed items are reconciled, Vendor must submit a corrected invoice or a credit memorandum for the disputed amount. City will not make partial payments on an invoice where there is a dispute.

**NECESSITY OF TIMELY INVOICE / WAIVER OF PAYMENT.** NOTWITHSTANDING THE FORGOING, CITY CANNOT PAY FOR ANY GOODS OR SERVICES WITHOUT AN INVOICE. VENDOR MUST INVOICE CITY NO LATER THAN 90 CALENDAR DAYS FROM THE DATE GOODS ARE DELIVERED OR SERVICES RENDERED. FAILURE TO SUBMIT AN INVOICE WITHIN SAID 90 DAYS SHALL NEGATE ANY LIABILITY ON THE PART OF CITY AND CONSTITUTE A **WAIVER** BY VENDOR OF ANY AND ALL RIGHT OR CLAIMS TO COLLECT MONEYS THAT VENDOR MAY RIGHTFULLY BE OTHERWISE ENTITLED TO FOR GOODS OR SERVICES PERFORMED.

The total price for all goods and/or services is shown on the Price Schedule. No additional fees or expenses of Vendor shall be charged by Vendor nor be payable by City. The parties hereby agree that all compensable expenses of Vendor are shown on the Price Schedule. If there is a discrepancy on the Price Schedule between the unit price for an item, and the extended price, the unit price shall govern. Unless otherwise provided in the Supplemental Terms and Conditions section of this document, all prices shown on the Price Schedule shall remain firm for the duration of the contract. Vendor's price stated on the Price Schedule shall be deemed a maximum price. Vendor may provide

a lower price at any time during the contract period for reasons deemed appropriate by Vendor, such as volume discount pricing for large orders.

Change Orders. In order to comply with Texas law governing purchases made by municipalities, the following rules shall govern all change orders made under this contract.

Any change orders that become necessary during the term of this contract as a result of changes in plans, specifications, quantity of work to be performed, materials, equipment or supplies to be furnished must be in writing and conform to the requirements of City Ordinance 2011-12-08-1014, as hereafter amended.

Any other change will require approval of the City Council, City of San Antonio.

Changes that do not involve an increase in contract price may be made by the Director.

No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated herein.

#### Termination.

Termination-Breach. Should Vendor fail to fulfill in a timely and proper manner, as determined solely by the Director, its material obligations under this contract, or violate any of the material terms of this contract, the City shall have the right to immediately terminate the contract in whole or in part. Notice of termination shall be provided in writing to Vendor, effective upon the date set forth in the notice. City may, in City's sole discretion, provide an opportunity for Vendor to cure the default. If City elects to offer an opportunity to cure, City shall provide notice to Vendor specifying the matters in default and the cure period. If Vendor fails to cure the default within the cure period, City shall have the right, without further notice, to terminate the contract in whole or in part. Such termination shall not relieve Vendor of any liability to the City for damages sustained by virtue of any breach by Vendor.

Termination-Notice. City may terminate this contract, in whole or in part, without cause. City shall be required to give Vendor notice ten days prior to the date of termination of the contract without cause.

Termination-Funding. City retains the right to terminate this contract at the expiration of each of City's budget periods. This contract is conditioned on a best efforts attempt by City to obtain and appropriate funds for payment of any debt due by City herein.

Termination by City may be effected by Director, without further action by the San Antonio City Council.

City shall pay Vendor for conforming goods delivered and services provided prior to the date of termination, offset by any amounts due and owing from Vendor to City.

Independent Contractor. Vendor covenants and agrees that it is an independent contractor and not an officer, agent, servant or employee of City. City shall not be liable for any claims which may be asserted by any third party occurring in connection with the services to be performed by Vendor under this contract and that Vendor has no authority to bind City. The doctrine of respondeat superior shall not apply as between City and Vendor.

#### **INDEMNIFICATION.**

**VENDOR covenants and agrees to FULLY INDEMNIFY, DEFEND and HOLD HARMLESS, CITY and the elected officials, employees, officers, directors, volunteers and representatives of CITY, individually and collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties, proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including but not limited to, personal or bodily injury,**

death and property damage, made upon the CITY directly or indirectly arising out of, resulting from or related to VENDOR'S activities under this Agreement, including any acts or omissions of VENDOR, any agent, officer, director, representative, employee, consultant or subcontractor of VENDOR, and their respective officers, agents employees, directors and representatives while in the exercise of the rights or performance of the duties under this Agreement. The indemnity provided for in this paragraph shall not apply to any liability resulting from the negligence of CITY, its officers or employees, in instances where such negligence causes personal injury, death, or property damage. IN THE EVENT VENDOR AND CITY ARE FOUND JOINTLY LIABLE BY A COURT OF COMPETENT JURISDICTION, LIABILITY SHALL BE APPORTIONED COMPARATIVELY IN ACCORDANCE WITH THE LAWS FOR THE STATE OF TEXAS, WITHOUT, HOWEVER, WAIVING ANY GOVERNMENTAL IMMUNITY AVAILABLE TO THE CITY UNDER TEXAS LAW AND WITHOUT WAIVING ANY DEFENSES OF THE PARTIES UNDER TEXAS LAW. In addition, Vendor agrees to indemnify, defend, and hold the City harmless from any claim involving patent infringement, trademarks, trade secrets, and copyrights on goods supplied.

The provisions of this INDEMNITY are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity. VENDOR shall advise CITY in writing within 24 hours of any claim or demand against CITY or VENDOR known to VENDOR related to or arising out of VENDOR's activities under this AGREEMENT and shall see to the investigation and defense of such claim or demand at VENDOR's cost. CITY shall have the right, at its option and at its own expense, to participate in such defense without relieving VENDOR of any of its obligations under this paragraph.

Intellectual Property. Respondent agrees to abide by the following regarding intellectual property rights:

Respondent shall pay all royalties and licensing fees. Respondent shall hold the City harmless and indemnify the City from the payment of any royalties, damages, losses or expenses including attorney's fees for suits, claims or otherwise, growing out of infringement or alleged infringement of copyrights, patents, trademarks, trade secrets, materials and methods used in the project. It shall defend all suits for infringement of any Intellectual Property rights. Further, if Respondent has reason to believe that the design, service, process or product specified is an infringement of an Intellectual Property right, it shall promptly give such information to the City.

Upon receipt of notification that a third party claims that the program(s), hardware or both the program(s) and the hardware or any other intellectual property infringe upon any United States or International patent, copyright or trademark, Respondent will immediately:

2. Alter the programs, hardware, or both the programs and hardware so that the alleged infringement is eliminated; and
3. Reimburse the City for any expenses incurred by the City to implement emergency backup measures if the City is prevented from using the programs, hardware, or both the programs and hardware while the dispute is pending.

Respondent further agrees to

assume the defense of any claim, suit, or proceeding brought against the City for infringement of any United States patent, copyright, trademark or any other intellectual property rights arising from the use and/or sale of the equipment or software under this Agreement,

assume the expense of such defense, including costs of investigations, reasonable attorneys' fees, expert witness fees, damages, and any other litigation-related expenses, and

indemnify the City against any monetary damages and/or costs awarded in such suit;

provided that

Respondent is given sole and exclusive control of all negotiations relative to the settlement thereof, but that Respondent agrees to consult with the City Attorney of the City during such defense or negotiations and make good faith effort to avoid any position adverse to the interest of the City,

the Software or the equipment is used by the City in the form, state, or condition as delivered by Respondent or as modified without the permission of Respondent, so long as such modification is not the source of the infringement claim,

the liability claimed shall not have arisen out of the City's negligent act or omission, and

the City promptly provide Respondent with written notice within 15 days following the formal assertion of any claim with respect to which the City asserts that Respondent assumes responsibility under this section.

#### Ownership of Documents and Licenses.

In accordance with Texas law, Respondent acknowledges and agrees that all local government records created or received in the transaction of official business or the creation or maintenance of which were paid for with public funds are declared to be public property and subject to the provisions of Chapter 201 of the Texas Local Government Code and Subchapter J, Chapter 441 of the Texas Government Code. Thus, no such local government records produced by or on the behalf of Respondent pursuant to this Contract shall be the subject of any copyright or proprietary claim by Respondent.

Vendor acknowledges and agrees that City shall have access to any and all such Documents at any and all times, as deemed necessary by City, during said Retention Period. City may, at its election, require Vendor to return the documents to City at Vendor's expense prior to or at the conclusion of the Retention Period. In such event, Vendor may retain a copy of the documents.

Compliance with Law. Vendor shall provide and perform all services required under this Agreement in compliance with all applicable federal, state and local laws, rules and regulations.

Non-waiver of Performance. Unless otherwise specifically provided for in this Agreement, a waiver by either Party of a breach of any of the terms, conditions, covenants or guarantees of this Agreement shall not be construed or held to be a waiver of any succeeding or preceding breach of the same or any other term, condition, covenant or guarantee herein contained. Further, any failure of either Party to insist in any one or more cases upon the strict performance of any of the covenants of this Agreement, or to exercise any option herein contained, shall in no event be construed as a waiver or relinquishment for the future of such covenant or option. In fact, no waiver, change, modification or discharge by either party hereto of any provision of this Agreement shall be deemed to have been made or shall be effective unless expressed in writing and signed by the party to be charged. No act or omission by a Party shall in any manner impair or prejudice any right, power, privilege, or remedy available to that Party hereunder or by law or in equity, such rights, powers, privileges, or remedies to be always specifically preserved hereby.

Vendor shall provide equal opportunity for subcontractors, vendors and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the City's Relevant Marketplace. Vendor understands and agrees that a material violation of this clause shall be considered a material breach of this agreement and may result in termination of this agreement, disqualification of Vendor from participating in City contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party. Vendor shall include this nondiscrimination clause in all subcontracts for the performance of this contract.

### CERTIFICATE OF INTERESTED PARTIES (Form 1295)

Texas Government Code §2252.908, and the rules issued by the Texas Ethics Commission found in Title 1, Sections 46.1, 46.3 and 46.5 of the Texas Administrative Code, require a business entity to submit a completed Form 1295 to the City before the City may enter into a contract with that business entity.

Form 1295 must be completed online. It is available from the Texas Ethics Commission by accessing the following web address:

[https://www.ethics.state.tx.us/whatsnew/elf\\_info\\_form1295.htm](https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm)

**Print and sign your completed Form 1295. Submit your signed Form 1295 with your response to this solicitation. Where requested to provide the name of the public entity with whom you are contracting, insert "City of San Antonio". Where requested to provide the contract number, provide the RFCSP number shown on the cover page of this solicitation (e.g. IFB 6100001234, RFO 6100001234 or RFCSP 6100001234).**

The following definitions found in the statute and Texas Ethics Commission rules may be helpful in completing Form 1295.

"Business entity" includes an entity through which business is conducted with a governmental entity or state agency, regardless of whether the entity is a for-profit or nonprofit entity. The term does not include a governmental entity or state agency. (NOTE: The City of San Antonio should never be listed as the "Business entity".)

"Controlling interest" means: (1) an ownership interest or participating interest in a business entity by virtue of units, percentage, shares, stock, or otherwise that exceeds 10 percent; (2) membership on the board of directors or other governing body of a business entity of which the board or other governing body is composed of not more than 10 members; or (3) service as an officer of a business entity that has four or fewer officers, or service as one of the four officers most highly compensated by a business entity that has more than four officers. Subsection (3) of this section does not apply to an officer of a publicly held business entity or its wholly owned subsidiaries.

"Interested party" means: (1) a person who has a controlling interest in a business entity with whom a governmental entity or state agency contracts; or (2) an intermediary.

"Intermediary," for purposes of this rule, means, a person who actively participates in the facilitation of the contract or negotiating the contract, including a broker, adviser, attorney, or representative of or agent for the business entity who:

- (1) receives compensation from the business entity for the person's participation;
- (2) communicates directly with the governmental entity or state agency on behalf of the business entity regarding the contract; and
- (3) is not an employee of the business entity or of an entity with a controlling interest in the business entity.

Publicly traded business entities, including their wholly owned subsidiaries, are exempt from this requirement and are not required to submit Form 1295.
