Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	I am interested in serving San Antonio, my community, in a meaningful way. I was convinced to buy downtown when I saw the plans for San Pedro Creek, which for me is a great project because of its convergence of historical, cultural, and environmental components. I think my background qualifies me to understand the complexity of capital projects and my life experience qualifies me to appreciate the value of long term planning. I have 6 grandkids and I am passionate about respecting the past and curating the future, from basic infrastructure to bold aesthetics. The heart of a city is its core -- it needs to stay healthy. I would hope to bring clear reasoning to the discussion of projects and solid values to the understanding of trade-offs.
