SUBJECT: Joint Base San Antonio review of Plan Amendment PA202011600027, Dietz Elkhorn Road

1. Plan Amendment PA202011600027, Dietz Elkhorn Road, has been reviewed by JBSA-Camp Bullis organizations. JBSA does not object with this request, however there are additional comments for consideration in planning and development.
  - a. The proposed development is within the Military Lighting Overlay District (MLOD). The developers will need to comply with MLOD ordinance guidance and habitat compliance.
  - b. In order to mitigate potential interference with existing JBSA operational systems, please coordinate with 502 CS Spectrum Manager prior to use of any Spectrum dependent systems (i.e.: two-way radio communications, or any type of wireless technologies) during construction. If applicable, coordination is also requested by facility user prior to installation/use of any Spectrum dependent commercial or manufacturing equipment.
2. Point of contact for this action is Sharonn D. Brew, 502 ABW/CI.
