This Certificate of Exemption is executed and filed with the Finance Department as follows:

1. The undersigned is authorized to approve an exemption.
2. An exemption according to Section 252.022 of the Local Government Code exists. More specifically, the following event has occurred:

*Ruben A. Flores*

SWMD uses the Hino 195h Hybrid Rear Load sanitation truck ~~that is available on Buy Board Contract #60140~~. This the only known diesel hybrid chassis available locally. This make and model has been in use since 2018. There are 8 hybrid diesel rear load refuse trucks in service today. This combination meets the Green Fleet Acquisitions Policy and would continue the commitment to alternative fuel vehicles when advantageous to the City.

3. Because the exemption stated above exists, the City of San Antonio intends to contract with Rush Truck Centers of Texas, LP which will cost approximately \$ 119,000.00.
