-Grant Summary:-

The Office of the Governor, Criminal Justice Division has opened a special grant opportunity (Edward Byrne Memorial Justice Assistance Grant Program) to apply for up to \$250,000.00 for the purchase of one (1) additional National Integrated Ballistic Information Network (NIBIN) BrassTRAX station.

The NIBIN system allows the collection and analysis of firearm shell casings recuperated as evidence at crime scenes. This technology is a highly-automated desktop acquisition station that collects images of the fired cartridge cases and forwards them to be searched against the NIBIN Database. The data resulting from this system provides actionable intelligence to assist in addressing gun crime. The SAPD is currently participating in the NIBIN program with one BrassTRAX station and this grant would allow for the purchase of an additional station and the expansion of the program.
