Describe your Educational history.	M.S., Global Energy Management, University of Colorado, 2017 Certificate, Energy Innovation and Emerging Technologies, Stanford University, 2014 Ph.D., Environmental Systems Analysis, University of Georgia, 2001 M.Sc., Hydrology, Imperial College, University of London, 1992 B.Sc., Civil Engineering, Obafemi Awolowo University, Ile-Ife, Nigeria, 1987
Describe your Professional History & Certification designations (Current and historical).	(1) Founder/Managing Director. Amojos Consulting, Inc., San Antonio, TX. 2016-Present. Provides strategic management and technical consulting services towards resource efficiency, business process improvement, risk management and product leadership. (2) Senior Consultant. Cimbria Consulting, Houston, TX. 2018-Present. Provides technical expertise in project management and business transformation with focus on agribusiness, water technology and renewable energy sectors in North America, Africa, Australia, and Europe. (3) Senior Research Engineer. Southwest Research Institute, San Antonio, TX. 2006-2016. Managed research, development and demonstration projects. Conducted advanced data analyses, modeling and simulation. Developed and maintained business relationships with clients. Mentored junior technical staff. (4) Research Engineer. Southwest Research Institute, San Antonio, TX. 2004-2006. Accomplished specific tasks in research, development and test projects. Performed data analyses, modeling and simulation, and proposal writing. Provided project management and oversaw business development. (5) Post-Doctoral Fellow. University of Georgia, Athens, GA. 2002-2004. On contract to the EPA National Exposure Research Laboratory, developed and applied system analysis methods for uncertainty and sensitivity evaluation in multimedia environmental

	<p>simulation models. Analyzed several mathematical models supporting EPA's hazardous waste, ecological assessment, and water quality management programs. (6) Assistant Data Center Manager. Citibank, Lagos, Nigeria. 1994-1997. Managed the Networks and Engineering Unit with direct report to the Vice President for Technology. Supervised a team of full-time engineers supporting local and countrywide banking operations networks. Responsible for information security administration and contingency planning for business continuity. (7) Management Associate. Citibank, Lagos, Nigeria. 1993-1994. Executive training program by rotation across multiple departments covering banking operations, credit administration, and financial control. (8) Hydrologist / Project Engineer, Enplan Group, Nigeria. 1988-1991. Member of the engineering consulting team for a US\$100 million dam, irrigation and water supply project in northern Nigeria. Conducted hydrologic analyses for a 115,000 AF reservoir, including capacity allocations and compensatory releases for compliance with international cross-boundary flow regulations. Supervised construction of 110 miles of canals to feed 8,500 acres of irrigated agriculture.</p>
<p>Describe your Volunteer Experience & Community Service</p>	<p>(1) Co-Chair, Steering Committee. SA Climate Ready. 2018-2019. Volunteered 10 hours per month (on average). Led a 21-member advisory committee in providing strategic guidance and citizen's inputs to San Antonio's first climate action and adaptation plan. Coordinated five technical working groups to identify key policies, evaluate strategies and prioritize actions to reduce greenhouse gas emissions, and build resilience to the impacts of climate change. Served as liaison to the Energy and Buildings technical working group. (2) Technical Specialist. Austrian Climate and Energy Fund. 2012-Present. Evaluates prospective research projects and informs on various aspects of Austria's national climate policy. To date, has reviewed 19 grant proposals with total value exceeding 5.1 million Euros from European institutions on the human dimensions of climate change, mitigation of greenhouse gas emissions, and adaptation to climate change impacts. (3) Expert Advisor. National Advisory Council for Environmental Policy and Technology, U.S. Environmental Protection Agency (EPA). 2010-2017. Provided independent advice to the EPA Administrator on a broad range of environmental</p>

	<p>policy, technology, and management issues. Volunteered 15 hours per month (on average). Led three working groups on sustainability policy, citizen science data quality, and strategic workforce planning. Produced seven advisory documents (reports and advisory letters), including 60 high-level, national policy recommendations.</p>
<p>Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:</p>	<p>The simple reason I am seeking this appointment is to serve the City of San Antonio in yet another capacity. Having served previously on the Steering Committee for the Climate Action and Adaptation Plan, I have become more engaged with various communities and constituencies across the City. This engagement has taught me the invaluable role of citizens and stakeholders in securing a sustainable future for our great city. San Antonio Water System (SAWS) provides an essential service to the City's residents and businesses. In my 16 years as a San Antonio resident and a SAWS customer, I have observed that the governance of SAWS, with its diverse demand and supply characteristics, requires a dedicated, holistic, and balanced approach to planning and operational decision-making. I am motivated by this challenge, and I welcome the opportunity to serve as a SAWS trustee.</p>
<p>APPLICATION SIGN-OFF</p>	
<p>As a board, commission, or committee member, you will be asked to adhere to: Code of Ordinances, City of San Antonio, Part II, Chapter 2, Article IX, Sec.2-534. All board and commission members must file a Financial Disclosure Report with the Office of the City Clerk upon appointment, and annually thereafter, throughout the member's term. Failure to file a Financial Disclosure Report within the time required by the City's Ethics Code will be considered an automatic removal.</p>	
<p>I understand that if any member of the public makes a request for information included in this Application for Appointment, most of the information must be disclosed under the Public Information Act. I understand that the City of San Antonio will attempt to maintain the confidentiality of highly</p>	<p>Acknowledged</p>

private matters by seeking an Attorney General's opinion in accordance with the Public Information Act. I understand that it may not be legally possible to maintain the confidentiality of such information, and I hereby release the City of San Antonio, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Public Information Act or any other law requiring its release.

I recognize that I am an applicant for San Antonio Water System Board of Trustees (SAWS)~Other~South Sector~04, as a City of San Antonio board or commission that is more than advisory in nature. As a city officer, I understand that I, my immediate family members, and any business in which I and/or they hold a 10% or greater ownership interest will be prohibited from seeking or accepting contracts with the city for the duration of my service on this board. I further understand that this restriction will extend with regard to many types of discretionary contracts for a period of one year after leaving city service.

Acknowledged

OATH: I have read and understand the guidelines set out in this application. The foregoing statements are true, accurate, and complete. I agree that any misrepresentation or omission of facts may result in my disqualification for appointment.

Acknowledged
