 City of San Antonio

Site and Fence Plan

Fence is 6 ft tall and has been in place for 20 years.

Gate to enter back yard

Home

Plans are to continue this new fence all the way around the yard but had to pause

Driveway

<- No fence from the rock fence to the entrance of the back yard

→ New fence is built here from beginning of rock fence up to the front end of home. Approximately 5.5 ft high

Original fence was rotted out and I had to have it removed, therefore I had to put a new fence → (where the green is)

Rock Fence lining the front of the house and approximately 4 ft, this fence is parallel to sidewalk.
