BACKGROUND INFORMATION:

The City of San Antonio, Department of Human Services (DHS) is the designated Community Action Agency (CAA) and Community Services Block Grant (CSBG) eligible entity for San Antonio and Bexar County. DHS has operated the Community Action Program since 1979. The Community Action Advisory Board (CAAB) acts in an advisory capacity regarding implementation of Community Action Programs. The CAAB is a tri-partite board consisting of 1) representatives of the low income population by geographical area; 2) representatives of non-profit organizations in San Antonio; and 3) public officials.

The primary goal of the CSBG funding is to transition individuals and families out of poverty and promote financial self-sufficiency to reduce poverty in the Bexar County area for residents at or below 125% of the Federal Poverty Level (FPL). CSBG funding is provided by the U. S. Department of Health and Human Services (HHS) with oversight by the Texas Department of Housing and Community Affairs (TDHCA). Through the DHS-Training for Job Success (TFJS) Program, education and employment support services are provided as part of intensive case management. Program participants are enrolled in high-demand occupations. Educational support services include: tuition assistance, textbooks, supplies,

uniforms, equipment, rent and utility assistance as well as referrals to address barriers to student success. Employment support includes: resume writing, interviewing skills, interview preparation and assistance with job searches. In Calendar year 2017, program graduates annual earnings increased from \$15,078 to \$58,679.17 post program. Case managers work with committed program participants to complete individual assessments, develop case management service plans, arrange for necessary services and follow-up and monitor participants' status to help them achieve a sustained family income above 125% of the FPL. DHS anticipates serving 1,900 individuals with CSBG in FY 2021.

ISSUE:

As part of the annual planning process required by TDHCA, CSBG eligible entities must conduct a public hearing prior to submitting a proposed 2021 budget and Community Action Plan. A public hearing was held on Sept 24, 2020. Also, on this date, the CAAB approved the Program Year 2021 Community Action Plan that includes Individual, Family and Community National Performance Indicators, Targets and the proposed Program Year 2021 budget.

A final award amount from TDHCA will be provided upon authorization of the Fiscal Year 2021 Federal Budget. As requested by the state, DHS proposed a budget based on 2021 estimated CSBG allocations in the amount of \$2,051,128. The CSBG contract with TDHCA for Program Year 2021 will be executed once the federal budget is approved or a Continuing Resolution is authorized, and final award amount is received by the City of San Antonio.

ALTERNATIVES:

The City of San Antonio is the only designated CSBG eligible entity for Bexar County and no other agency may apply for these funds. If the proposed ordinance is not approved, services provided by the City of San Antonio may be delayed while TDHCA undergoes a process to identify a new designated entity for Bexar County.
