This Certificate of Exemption is executed and filed with the Finance Department as follows:

1. The undersigned is authorized to approve an exemption.
2. An exemption according to Section 252.022 of the Local Government Code exists. More specifically, the following event has occurred:

All FBI Trained Public Safety Bomb Technicians are certified and trained through the FBI Hazardous Devices School on the use of the EOD 9 and EOD 10E Bomb Suits. In order to maintain our certification and standardization of equipment we would like to move forward with the purchase of two new EOD 10E suits. This will replace the units two EOD 9, which are getting ready to expire. At this time all of our Bomb suits have been purchased through this company (Met- Eng) which is the only manufacturer able to meet U.S. National Institute of Justice NIJ 0117.01 Public Safety Bomb Suit Standard.

3. Because the exemption stated above exists, the City of San Antonio intends to contract with MED-ENG, LLC. which will cost approximately \$ 77,954.00
