Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	San Antonio is an amazing city, and I choose to live here, which means I am obligated to help make our city more beautiful. I've reached out to Murray Myers (Office of Sustainability) and District 1's office to share my interest in promoting environmental issues, from serving on the CAAP/Technical Advisor to the Planning Commission. I believe both roles are complementary to ensure that environmental issues are weighed strongly as we develop San Antonio lands. San Antonio is growing fast -- this is a good thing We just need to factor in

	<p>environmental preservation, sustainable materials and sound development practices with ethical builders as we grow our gorgeous city and its neighborhoods. I hope to be considered and look forward to learning from my Planning Commission teammates</p>
