Describe your Educational history.	I graduated with a Bachelor of Science degree in civil engineering from Clarkson University in Potsdam, New York in 1992.
Describe your Professional History & Certification designations (Current and historical).	I began work as a civil engineer in 1991. I have worked as an engineer in San Antonio for my entire professional career. I have worked for Fisher Engineering, Ford Engineering, W.F. Castella and Associates, Turner Collie and Braden, AECOM, Galo Properties and currently Civil Engineering Consultants. My work experience has been entirely composed of private development projects which consist of residential, commercial, industrial, and institutional projects. I am a licensed Professional Engineer in the State of Texas and received my professional registration in 1996.
Describe your Volunteer Experience & Community Service	I currently serve as the Chair Pro-Tem of the City of San Antonio Planning Commission and as the Chairman of the Technical Advisory Committee. Additionally, over the past several years I have performed volunteer work for the Real Estate Council of San Antonio which entailed serving on numerous committees dealing with rule changes and proposed code amendments. I also serve on the executive committee of the Real Estate Council and have been involved with Professional Engineers in Private Practice, San Antonio Council of Engineering Companies, Greater San Antonio Builders Association, and the National Society of Professional Engineers.
Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	The Planning Commission plays a vital role in the orderly growth and development of our community. Based on my personal and professional experience, interest in community service, understanding of the development process, and participation with local industry organizations, I can and currently do fulfill all the duties of a Planning Commissioner and add value to the commissions deliberations. My experience over the past eight years on the Planning Commission has been both rewarding and enjoyable. I feel I have played an integral role in the functions and decisions of the commission and with eight years of experience, I feel I can contribute even more in the years to come. I am seeking reappointment to continue adding value to the Planning Commission and as a way to give back to the community in a positive manner and in a way which I am most qualified to do so. As the Chairman of the Technical Advisory Committee I also feel that with my

	<p>vast knowledge of and experience with the Unified Development Code I will be able to add tremendous value to and facilitate the review of the proposed UDC modifications which will be brought forth once the process begins to move forward again. I have 29 years of experience with the UDC and have played an integral role in its development over the past 13 years. Additionally, the 2020 UDC amendments which have been on hold due to the Corona Virus Pandemic will most likely be brought forward and considered by the TAC and the Planning Commission before the term I am applying for will expire. My vast knowledge of and 29 years experience with the UDC will prove invaluable as the proposed amendments are processed and considered by the TAC and the Planning Commission.</p>
