Please provide a brief narrative outlining your reasons for seeking appointment to this board or commission:	I am very fortunate to have had the assistance of Project Quest when I wanted to further my education. I was a medical assistant but as a mother of two- I could not afford to work- Id pay more Im childcare than Id make working full time. My passion had always been to become a nurse but it felt out of reach. I wasnt sure how Id be able to manage all of the costs associated with school as well as childcare. Luckily I heard about Project Quest and they took me in.

	<p>Without their assistance, I have no doubt that I would not be where I am. I needed Project Quest and I know that there are so many others that need them and aren't even aware of the resources available to them. I want to be a part of getting those people the resources they need. I want potential donors to know the difference they are making in San Antonio- specifically in the healthcare industry- where we see people are desperately needed.</p>
<p>Do you have any relatives who are employed with the San Antonio Police Department?</p>	<p>No</p>
