- ***How can we incorporate equity into our transportation decision-making processes?***
 - Department Coordination: Office of Equity, Transportation & Planning Departments
 - Identification of Best Practices in Transportation Project Prioritization
- **Recommended Next Steps**
 - Utilize the City of San Antonio [Equity Atlas Tool](#)
 - Identify & refine Equity Criteria to develop a score card for incorporation into transportation plans, studies and projects
 - Sample Categories: **Access to Opportunity**: employment, education, community services; **Health and Environment** – air quality; food deserts; **Mobility**: transit access and services; ADA considerations, etc.
 - Pilot application of Equity Score Card with an assessment of the Multi-Modal Transportation Plan in FY '22
