3	Squad First Responder RAM 2500, Crew Cab, SRW, AWD, Long Bed Truck w/ Camper Top (Replaces 8005)	1	0	1

2. Section 004 - Specifications / Scope of Services: #4.1.5 is hereby amended as follows:

~~Vehicle will be anticipated for quick delivery and a short guaranteed delivery can be considered.~~ Upon City’s issuance of the Purchase Order, vendor shall provide written acknowledgement of order placement and supply copy of build sheet and guaranteed delivery date of completed unit within the delivery time frame on Attachment A, Price Schedule. A 30 day or longer delay may cause cancelation of order at ordering department’s discretion. Electrical wiring schematics that include lighting and air conditioning systems for body shall be provided at time of delivery. Electrical wiring schematics shall be provided in paper and electronic format.

3. **Section 004 - Specifications / Scope of Services: #4.2** is hereby amended as follows:

Item	Quantity	Description
1	3	EMS Responder - Ram 3500, Crew Cab, DRW, AWD w/Utility Body

4. **Section 004 - Specifications / Scope of Services: #4.2.1** is hereby amended as follows:

ENGINE: Diesel powered, 6.7L, I6 Cummins Engine

5. **Section 004 - Specifications / Scope of Services: #4.2.10** is hereby added as follows:

CHASSIS STEPS: Each Side of chassis cab shall have ArcRite running boards with sure grip steps, or equivalent, installed the full length of cab.

6. **Section 004 - Specifications / Scope of Services: #4.3** is hereby amended as follows:

Item	Quantity	Description
2	6	First Responder Truck - Ram 3500, Crew Cab, DRW, AWD, Long Bed w/ Camper Top and Pull Out Bed

7. **Section 004 - Specifications / Scope of Services: #4.3.1** is hereby amended as follows:

ENGINE: Diesel powered, 6.7L, I6 Cummins Engine

8. **Section 004 - Specifications / Scope of Services: #4.3.11** is hereby added as follows:

CHASSIS STEPS: Each Side of chassis cab shall have ArcRite running boards with sure grip steps, or equivalent, installed the full length of cab.

9. **Section 004 - Specifications / Scope of Services: #4.3.12** is hereby amended as follows:

CAMPER SHELL: Cab high fiberglass camper shell. Large half slider side windows with expanded metal security screens for added security. Picture window in front of shell. Full lift rear door with dual gas shock struts and double "T" door handles. Unit shall have LED third brake light. One Whelen PSCOMPH 12 volt LED lights mounted inside to the top/rear of the shell and wired to constant power source with circuit protection in lieu of camper shell interior light. Switch shall be above tailgate level to be able to activate with tail gate closed. Shell shall be painted to match color of truck. A.R.E truck cap model "V" series, or equal from LEER or Century is acceptable as approved by fire department. Jason brand is not acceptable equal.

10. **Section 004 - Specifications / Scope of Services: #4.4.11** is hereby amended as follows:

CHASSIS STEPS: Each Side of chassis cab shall have ArcRite running boards with sure grip steps, or equivalent, installed the full length of cab.

11. **Section 004 - Specifications / Scope of Services: #4.4.12** is hereby amended as follows:

CAMPER SHELL: Cab high fiberglass camper shell. Large half slider side windows with expanded metal security screens for added security. Picture window in front of shell. Full lift rear door with dual gas shock struts and double "T" door handles. Unit shall have LED third brake light. One Whelen PSCOMPH 12 volt LED lights mounted inside to the top/rear of the shell and wired to constant power source with circuit protection in lieu of camper shell interior light. Switch shall be above tailgate level to be able to activate with tail gate closed. Shell shall be painted to match color of truck. A.R.E truck cap model "V" series, or equal from LEER or Century is acceptable as approved by fire department. Jason brand is not acceptable equal.

QUESTIONS SUBMITTED IN ACCORDANCE WITH SECTION 003, RESTRICTIONS ON COMMUNICATION:

On February 11, 2021, the City of San Antonio hosted a Pre-Submittal Conference to provide information and clarification for the Prisoner Transport Van for the Police Department. Below is a list of questions that were asked at the pre-submittal conference. The City's official response to questions asked is as follows:

Question 1: Should item 1 and 2 be built as dual rear wheels?

Response: The Fire Apparatus Committee has confirmed that these vehicles are to be built with single rear wheels.

Question 2: Can VINS of other builds be provided?

Response: Yes, see below:
Item 1 – Unit #889019; VIN#3C7WR8CL4KG631677
Item 2 – Unit #813019; VIN# 3C63R3GL8KG630939
Item 3 – Unit #864119; VIN# 3C6UR5HJ4KG650392

Question 3: Do you have the model of the Knapheide model used for Item 1?

Response: Knapheide Model: KC108U1478 Part #P19197687

Question 4: Will a Havis console be accepted as a substitute for the FrazerBilt console?

Response: Havis consoles are narrower than the FrazerBilt console. FrazerBilt is preferred, see photo below.

Question 5: Is a Jason brand camper shell an acceptable brand?

Response: Acceptable brands are A.R.E, LEER, and Century.

Question 6: Can a substitute the front bumpers for Item 1, 2, and 3 be considered?

Response: Ranch Hand Part# GGD191BL1 is used interchangeably on all Fire Department trucks and ambulances. It is preferred this be the same. Substantially different designs will not be accepted. See photo below.

Question 7: Can a substitute ArcRite running board be provided?

Response: Yes, a slip resistant running board can be supplied the full length of the cab. See specification adjustment ~~below~~.

Question 8: Can the vehicle be made available for inspection?

Response: These vehicles are in use 24/7 and would be difficult to schedule a date and time due to the nature of their use.

Question 9: Can a different slide out be used on #4.3.13?

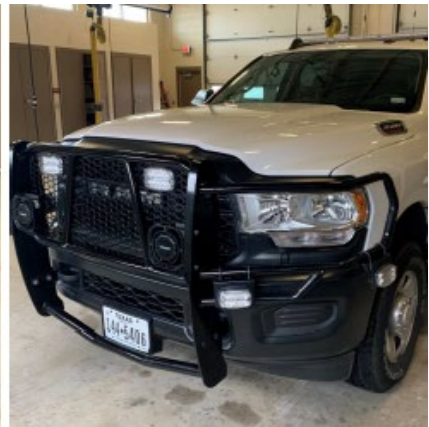

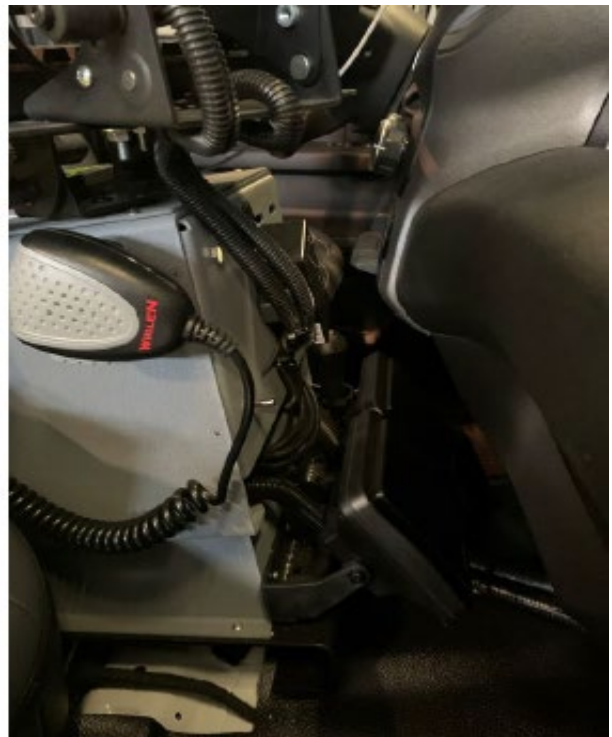

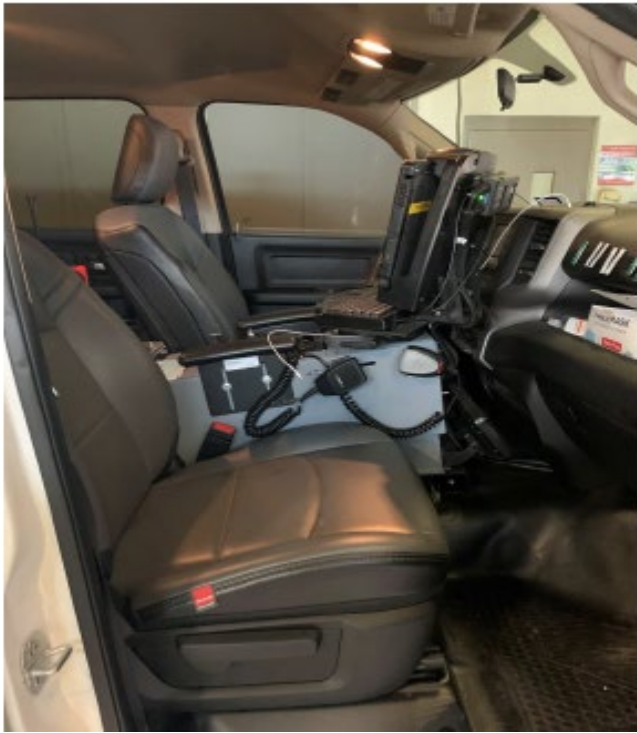

Response: No, there will be no changes to specification #4.3.13.

Question 10: Can photos of the vehicle be made available?

Response: Yes, please see below.

All vehicles will have similar roof layout, exact same console and grill design

All vehicles will have same battery box design

Bid Item 1:

Bid Item 2 & 3:

Item 2 and 3 are similar just different chassis

Item 2 and 3 are similar just different chassis and no slide out in item 3.
