

The background of the cover features a photograph of the Tower of the Americas in San Antonio, Texas, during the "blue hour" of dusk. The tower's observation deck is illuminated with warm yellow lights, and its upper section is lit with a vibrant green. A tall antenna spire rises from the top of the tower against a sky of soft pinks and purples. A large, dark blue diagonal graphic element, resembling a stylized arrow pointing left, cuts across the right side of the image.
