

Review of Head Start Program Monitoring

City of San Antonio Head Start Program

Monitoring Report – July 2021

The City of San Antonio Head Start Program has developed a comprehensive and thorough approach to monitoring our programs for non-compliances and areas of concern. Once identified, a timeline is developed, training and technical assistance is given, and corrective action plans are implemented to correct systemic issues so that areas of weaknesses are corrected and strengthened. Follow-up monitoring events are conducted to ensure that the program has been successful in implementing corrections.

Comments:

Due to CoVID-19, several areas of this review may have been affected by the pandemic and marked as “CoVID-19”. The City of San Antonio understands the barriers that CoVID-19 has caused in conducting and obtaining screenings. These areas will not affect the compliance percentage for this program year and do not require any action.
