Councilmember Gallagher added that it was an important process and he was pleased with the interviews and responses. Councilmember Warrick asked why the Presiding Judge was on a different schedule. Martha Sepeda stated that in 2004 or 2005, the City Council held over the Presiding Judge Appointment so that there was not a full transition. - 24A.** An Ordinance authorizing the execution of a contract with Coastal Securities, Inc. to provide Co-Financial Advisor Services in connection with various of the City's financings for a period to commence April 1, 2016 and terminate March 31, 2019, with an option to extend the contract for one additional two-year period under the same terms and conditions.

- 24B.** An Ordinance authorizing the execution of a contract with FirstSouthwest, a Division of Hilltop Securities Inc. to provide Co-Financial Advisor Services in connection with various of the City's financings for a period to commence April 1, 2016 and terminate March 31, 2019, with an option to extend the contract for one additional two-year period under the same terms and conditions.

Councilmember Saldaña thanked staff for their work on the item but stated that he would be

voting against the staff recommendation. He apologized to Mayor Taylor and the City Council. He added that said item was presented to the Audit Committee via High Profile Contracts and he should have addressed particular questions at that time. He noted that the incumbent which has had the contract for 22 years did not score in the top two but felt there should have been justification regarding same. He stated that Coastal Securities and Estrada Hinojosa had worked well together and felt confident in their work going into the 2017 Bond Process.

Councilmember Saldaña moved to extend contracts with Coastal Securities and Estrada Hinojosa for two years. Councilmember Krier seconded the motion.

Councilmember Viagran stated that she felt that the RFP Process had been fair and did not want to set a new precedent by changing that on the dais. She noted that she was comfortable with the staff recommendation which was the best team moving forward with the 2017 Bond Process.

Councilmember Viagran moved to approve the staff recommendation for Items 24A and 24B. Councilmember Gallagher seconded the motion.

Councilmember Gallagher stated that he appreciated Councilmember Saldaña's sensitivity to the issue but did not feel they should change the rules. He highlighted the experts that served on the Evaluation Committee and noted their great experience. Ben Gorzell added that this was a very competitive industry and that they had scored the proposals on other criteria than just past performance.

Councilmember Nirenberg stated that he takes the staff recommendation very seriously but was supportive of Councilmember Saldaña's comments. He noted that it was good policymaking to pause and answer questions that remain before moving forward and that they should examine the process in the future.

Councilmember Gonzales asked if it was typical that only City Staff reviewed RFP's. Mr. Gorzell replied that it depended on the contract. Councilmember Gonzales asked if the current contractors were working on the 2017 Bond Process. Mr. Gorzell responded that both contracts were expired so they were not actively engaged on any financial advisory work at this time. Councilmember Gonzales stated that she was pleased with the success of the previous Bond Programs and noted that Estrada Hinojosa was one of the largest Minority-Owned Firms in the country.

Councilmember Krier stated that it was very important for the city to have a Triple A Bond Rating and had achieved same due to the good team backing up City Staff. He noted that he

did not feel that the rules were changing but that as the City Council; they must make a thoughtful judgment on what was best for the city. He expressed concern with the process and recognized Estrada Hinojosa for their great work over the years.

Councilmember Treviño stated that this had been a thoughtful process and commended Councilmember Saldaña for his thoughtful leadership. He noted that the issue had become complicated but did not feel that it was appropriate to change the assessment on the dais. He added that they should take a closer look at the process in the future.

Councilmember Saldaña asked of the consequences of re-issuing the RFP. Mr. Gorzell replied that they needed to move forward on preparation for the 2017 Bond Program and spoke of the Airport Capital Improvements Program (CIP). Additionally, he noted that they need the assistance of the Financial Advisors to narrow down the Pool of Underwriters which will be up later this year. Mrs. Sculley added that the 2017 Bond Program would be the largest in the City's History and they need to get started as soon as possible. Councilmember Saldaña stated that all of the top four firms were of high quality and could perform work to satisfy the city's needs. He noted that Estrada Hinojosa had 22 years experience in working with the city and had positive outcomes.

Councilmember Lopez stated that he did not feel that a bad decision would be made between the two firms in question. He noted that there was a process in place that had worked but noted a gap with regard to the Small Business Economic Development Advocacy (SBEDA) Ordinance. He stated that they should move forward with the recommendation and fix the gap for the future.

Councilmember Gonzales asked why there was not a representative regarding SBEDA on the Evaluation Committee. Mr. Gorzell explained that the SBEDA Portion was formula driven and that the points for SBEDA were added to the total scored by the Evaluation Committee.

Councilmember Warrick stated that he appreciated all of the comments that had been made and hoped that some changes would be made to the process in the future. He noted that there should have been more communication with the firms but felt that the staff recommendation was sufficient to move forward.

Mayor Taylor stated that she was grateful to all of the firms that responded to the RFP and thanked the City Councilmembers for their thoughtful reflection on this decision. She noted that they should all be working to ensure that San Antonio is a globally competitive city. She stated that there are established policies and procedures that guide the decision-making process and felt uncomfortable extending the current contract. She added that there was

some work to be done on the SBEDA Ordinance and requirements for notifying firms of their performance.

The motion to extend the current contracts for two years failed by the following vote:

AYE: 4 - Saldaña, Gonzales, Nirenberg and Krier

NAY: 7 - Mayor Taylor, Treviño, Warrick, Viagran, Lopez, Medina and Gallagher

She stated that their goal was to improve the quality of Food and Beverage Service and showcase new and unique San Antonio Flavors. She noted that locally-owned Black Tie Affairs Catering created a Joint Venture with nationally known concessionaire, Savor, and won the bid on the project. She reported that the Alamodome's New Concession Program features four of San Antonio's most recognized restaurants that highlight the History and Culture of San Antonio: 1) Los Barrios Continental Mexican Cuisine; 2) The Big Bib Barbecue; 3) Earl Abel's; and 4) Frost 321.
