Mrs. Sculley addressed the Code Compliance Presentation from the previous day.

CODE COMPLIANCE

Rod Sanchez presented the FY 2017 Proposed Budget for the Development Services Department totaling \$46.7 Million. He provided an overview of the FY 2013 Code Improvement Plan which included the following goals: 1) Achieve quicker compliance; 2) Increase Proactive Efforts; 3) Increase staff accountability; 4) Improve Customer Service; and 5) Targeted Enforcement. He highlighted Performance Measures within Code Enforcement noting that they had decreased their response times to Tier 1 Complaints to 1.5 days and Tier 2 Complaints to 1.9 days. He mentioned additional improvements such as the implementation of the Neighborhood Code Enforcement Task Force; Outreach and Education; Increased Weekend Enforcement; and Updated Property Maintenance Code (2015).

Mr. Sanchez provided an overview of additional tools for enforcement to include the implementation of the Boarding Homes Ordinance, Administrative Hearing Officer, and Used Mattress Ordinance. He spoke of Illegal Dumping Enforcement and Cameras noting that they had utilized cameras in the past for graffiti and illegal dumping which had not been effective. He reported that they would be implementing new cameras and hiring additional staff to monitor and investigate. He mentioned the Absentee Property Owner Registration Ordinance and mentioned that over 1,000 properties had been identified with 39% registered.

Mayor Taylor asked of the partnership with Keep San Antonio Beautiful. Mr. Sanchez stated that they work with Keep San Antonio Beautiful on graffiti abatement efforts. Mayor Taylor spoke of her recent visit to Charlotte, North Carolina and mentioned how clean the city was. She asked if there any improvements in the budget related to the Absentee Property Owner Registration Program. Mr. Sanchez responded that they did not have any improvements related to same but they were working with the neighborhoods to get feedback on how the Ordinance was working. Mayor Taylor asked of assistance to Elderly Individuals or those without the means to pay for Code Violations. Mr. Sanchez mentioned a Compliance Assistance Fund that is available to assist in those types of situations.

Councilmember Viagran asked of the 45-day Compliance Rate on Code Enforcement. Mr. Sanchez noted that they responded that the 45 days includes notice and an opportunity to correct violations. Councilmember Viagran asked of the potential to utilize cameras in streetlights. Erik Walsh stated that there was new technology that they would discuss during the Smart Cities Budget Presentation. Councilmember Viagran thanked the Code Officers for the work that they do. She asked of the possibility to increase fines for repeat offenders. Mike Shannon replied that the fines increase for subsequent violations but there are maximum penalties defined by the State.

Councilmember Krier thanked Mr. Sanchez for the many improvements that have been made within the Development Services Department. He asked of the issue of bandit signs. Mr. Sanchez stated that they pick up 125,000 bandit signs per year and have about 20 Municipal Court cases pending. Councilmember Krier asked if staff picks up Political Signs. Mr. Sanchez replied that they do not pick up Political Signs at this time but are looking at doing so in the future. Councilmember Krier asked of the small fine assessed for people that store large machinery on their property. Mr. Sanchez replied that there were only very few cases but would be creative on getting property owners to comply.

Councilmember Warrick requested a list of community partnerships for citizens that need assistance with cutting grass or cleaning trash and asked of the 3-1-1 Phone Application. Mr. Sanchez replied that they would work with Government and Public Affairs to advertise the application as well as communicate with neighborhood leaders.

Councilmember Saldaña spoke to the issue of illegal dumping and asked of the education regarding free dump sites in the city. Mr. Sanchez stated that they would work with the Solid Waste Management to perform outreach to the community with regard to the free dump sites. Councilmember Saldaña commended Paula Stallcup for the weekly reports provided to the City Council.

Councilmember Gallagher thanked Development Services Staff for attending Neighborhood Association Meetings. He stated that he looked forward to the Sign Code Update noting that there had been some innovative ideas proposed. He asked that staff look at the potential to re-implement the Neighborhood Sweeps Program which had been very successful.

Councilmember Nirenberg spoke of the need to be more proactive with regard to bandit signs. He expressed concern with Landlords that purchase homes and rent them out but do not maintain the property or watch over the activities occurring.

Councilmember Gonzales spoke of the great work of Code Compliance Staff noting their proactive efforts in the District. She asked of the potential for the City of San Antonio to purchase a camera and have a Neighborhood Association monitor it with regard to illegal dumping. Mr. Sanchez replied that they could explore that option.

Mayor Taylor thanked staff for the presentation.

PARKS & RECREATION

Xavier Urrutia presented the Parks and Recreation Proposed Budget for FY 2017 totaling \$98 Million. He highlighted park enhancements which include 7 new positions for Park Acquisition & Development and the Linear Greenway Program. He reported that \$65,000 was included for Mobile Fit SA while \$42,700 in efficiencies were identified. He stated that funding for Environmental Sustainability was included for Community Gardens, Municipal Golf Association of San Antonio, and the CPS Energy Green Shade Program. He spoke of the Deferred Maintenance that would be addressed at various Park Facilities through the General Fund and the Building and Equipment Services Department Capital Improvements Fund. He provided an overview of Revenue Enhancements noting that the Admission Fee would be increased at the Botanical Garden from \$10 to \$12 for Adults and from \$7 to \$9 for Children. Lastly, he highlighted FY 2017 Initiatives to include the Park Strategic System Plan, Brackenridge Master Plan, and Connectivity to Neighborhoods.

Mayor Taylor asked that staff keep her informed of the integration between the Park Strategic System Plan and SA Tomorrow. She asked of the education components of the Summer Program. Mr. Urrutia stated that over the last few years, they had incorporated four enrichment components into the Summer Program: 1) Art, 2) Science, 3) Math, and 4) Fitness. He noted that they hire trained instructors in those disciplines at their various Summer Camps. He mentioned that they are also the largest participant in the SA Reads Summer Reading Program. Mayor Taylor stated that it was critical to maximize resources and ensure that they relate to other goals in the community.

Councilmember Nirenberg asked of the park safety improvements being implemented. Mr. Urrutia replied that improvements such as cameras and call boxes have become part of the budget for all Trails and Parks. Councilmember Nirenberg asked who monitors illegal dumping on the trails. Mr. Urrutia replied that their Trail Stewards are trained to monitor and report when they identify illegal dumping or homeless encampments. Councilmember Nirenberg asked of additional personnel for the Edwards Aquifer Protection Program. Mr. Urrutia stated that they have added 2 staff members and are working with the Edwards Aquifer Authority as well as utilizing new technology such as drones.

Councilmember Warrick asked of the foundations and conservancies. Mr. Urrutia stated that they were all different in scope and noted that the Parks Foundation provides activities and events on behalf of the city. He mentioned that the Botanical Center has focused on raising capital and is now transitioning into providing programming. Councilmember Warrick asked of Community Gardens Funds. Mr. Urrutia replied that the program was funded by the Green Space Alliance and they partner with Neighborhood Associations to ensure the projects are followed through. Councilmember Warrick asked of the \$750,000

that would be allocated to the Municipal Golf Association. Mr. Urrutia stated that the funds would be used to purchase and plant trees, as well as install irrigation systems, at the San Pedro and Riverside Driving Ranges. He noted that the funding would not be used for Administration. Councilmember Warrick requested a list of Community Gardens and Deferred Maintenance Projects for District 2.

Councilmember Medina asked of the Parks Reservation System and if other departments could utilize the technology. Mr. Urrutia replied that it was limited to Parks Services at this time but could be utilized by other departments in the future. Maria Villagomez mentioned other technology such as a card for Seniors utilizing services at Senior Centers that will help identify the days of attendance and participation in activities and programs as well as meals. Councilmember Medina asked of the potential to add properties for golf courses throughout the city. Mr. Urrutia stated that he had some initial conversations with Jim Roschek, President of Alamo Golf Trails and would work on analysis and recommendations.

Councilmember Viagran stated that she was pleased with the environmental sustainability of Mission Del Lago Golf Course and highlighted the Green Line, a 43-acre Urban Linear Park on the Brooks City Base Campus. Councilmember Viagran expressed support for the security enhancements at City Parks to include lighting and call boxes at all Linear Parks. She asked of the maintenance for Hemisfair Park. Mr. Urrutia replied that \$700,000 was included in last year's budget for maintenance of Yanaguana in Hemisfair Park. He noted that the FY 2017 Budget included funds to maintain some areas of the Convention Center that have been demolished. Councilmember Viagran asked of the number of staff and the responsibilities for staffing the Hemisfair Park Area Redevelopment Corporation (HPARC). Mrs. Sculley noted that \$1.7 Million was funded via the General Fund.

Councilmember Krier clarified the \$1.7 Million allocated for HPARC. Ms. Lori Houston stated that the goal was for them to be self-supporting by 2021. Councilmember Krier asked who would cover operational expenses if they were unable to secure private funds. Mrs. Sculley replied that they had performed an analysis and felt that they could operate with less city staff and funds if necessary. Councilmember Krier thanked staff for their work on the Steubing Ranch Project and stated that he is already getting requests from their area residents for parking and trails. He noted the Mays YMCA Park that the city claims as a city park but requires a membership. He asked staff to make it clear that there is a fee for membership and not open to the general public.

Councilmember Gonzales stated that she utilizes HPARC and travels along the West Side Creeks daily and sees Trail Stewards regularly. She also mentioned a pocket park where she utilized the water fountain that was extremely clean. She stated that she was grateful for the

continued success of the parks and how they are utilized.

Councilmember Viagran requested a Work Session on HPARC due to the fact that she had other questions.

Councilmember Treviño asked of the Brackenridge Master Plan. Mr. Urrutia replied that they had removed two of the five strategies recommended due to community concerns. He stated that they were creating some events centered on the Master Plan and would utilize an interactive and hand-on approach. Councilmember Treviño thanked the Parks Foundation for their work and support of City Parks.

Mayor Taylor thanked staff for the presentation.

WORLD HERITAGE

Colleen Swain presented the World Heritage Office FY 2017 Proposed Budget. She stated that their mission was to promote the World Heritage Designation and Implement and Manage the Work Plan. She highlighted FY 2016 Accomplishments to include hosting over 40 Stakeholder Meetings and conducting a Signage Inventory. She reported a total budget of \$4.2 Million which includes \$2.8 Million for Capital Projects. She noted Proposed Budget Enhancements for FY 2017 such as Wayfinding, Trail Beautification, Land Use, and Zoning Changes. She mentioned that \$250,000 was allocated for Business Development Funding to support the preservation of legacy businesses. She noted that they would add one new position to support the World Heritage Director and re-organize 2 positions from the Center City Development Office. She added that they recommended moving the operation and management of the Spanish Governor's Palace and Mission Marquee Plaza to the World Heritage Office.

Mayor Taylor thanked staff for the presentation and asked of the Cultural Mapping Efforts. Ms. Swain replied that they utilized the collection of photographs for banners and that the information could possibly be used for a future exhibit. Mayor Taylor asked staff not to lose sight of that as it was important to keep people connected through sharing their stories.

Councilmember Viagran thanked everyone for their work on World Heritage. She stated that San Antonio was leading the way with regard to World Heritage throughout the United States and expressed support for the enhancements to the World Heritage Office.

Councilmember Krier spoke of the importance of Wayfinding for World Heritage and stated that he felt they were on the right track. Mayor Taylor thanked staff for the presentation.

TRICENTENNIAL

Edward Benavides presented the Tricentennial FY 2017 Proposed Budget totaling \$1.8 Million funded by the Hotel Occupancy Tax Fund. For FY 2017, he recommended that three Temporary Positions be added. He outlined the proposed enhancements including \$325,000 for Education & History; \$350,000 for Commemorative Week; and \$300,000 for Marketing & Branding. He reported In-Kind Support totaling \$5.5 Million within the Public Art Master Plan for Tricentennial Branded Public Art and \$250,000 for Centro de Artes Building Improvements for a Visitor & Information Center.

Mayor Taylor thanked staff for the presentation and stated that she was pleased with the work thus far. She encouraged everyone to think of the effort as an investment into San Antonio's Future. She spoke of the economic development benefits that would occur during the year-long celebration and stated that she was supportive of the recommendations.

Councilmember Medina thanked staff for their work and asked of the coordination with the Military Community. Mr. Benavides replied that they were engaging with the Military Community through Joint Base San Antonio.

Councilmember Nirenberg stated that he was pleased with the planning and activities occurring and that it was important to ensure that they had the necessary resources to make this a successful celebration. He requested an additional briefing on the Tricentennial Office.

Councilmember Krier asked of the \$5.5 Million for Tricentennial Branded Public Art. Mr. Benavides replied that it was part of the existing Public Art Budget consisting of 1% from the Bond Program. He noted that it had not been designed and that they were pleased to leverage the funds for Tricentennial Art Projects. Councilmember Krier asked that they look at the allocation of expenditures and the potential to use Local Artists. Mayor Taylor thanked staff for the presentation.

ARTS AGENCY FUNDING

Debbie Racca-Sittre presented the Department of Arts & Culture FY 2017 Proposed Budget totaling \$10.8 Million. She highlighted their work to include Arts Marketing, Arts Activation, Art Installations, and Art Funding. She spoke of the Art Agency Funding Timeline and noted that contracts would be approved by the City Council through Budget Adoption on September 15, 2016. She reported that they recommended funding for 51 Art Organizations and that no agency allocations would be lower than their FY 2016 Level.

She stated that City Funding provides accessibility to the Arts and builds an Art Culture. She indicated that this year, they would work to increase ticket sales, support efforts in applying for grants, and implement a Mentoring Program.

Mayor Taylor stated that she was very supportive of improving and streamlining their efforts on Arts and Culture.

Councilmember Treviño stated that he was pleased with the new name of the department and with efforts to build an Art Culture. He noted that they made a big impact with a small investment and asked of their investment in Film. Mrs. Racca-Sittre stated that the Film Community had developed a plan that includes incentives and improving the workforce. She noted that they would continue to work on the Film Strategic Plan. Councilmember Treviño thanked the department for their involvement in Centro de Artes and noted the importance of Public Art.

Councilmember Viagran also thanked the staff for the name change and stated that when they visited Spain; there was public art everywhere. She asked of funding for the Symphony. Mrs. Sculley stated that they had hired a Fundraiser to raise Private Sector Funds and develop a Strategic Plan for the Symphony. Mrs. Racca-Sittre added that they recommended City Funding in the amount of \$614,000. Councilmember Viagran spoke of the need for exceptional service standards at museums and stated that staff at reception desks should be bilingual.

Councilmember Medina asked of the potential for funding a Music Office and how it could be funded. Mrs. Racca-Sittre replied that they were working with Community Groups and the Music Industry looking at the same model as they used for Film. Councilmember Medina noted a Hip Hop Music Event that will be coming to San Antonio and stated that they would need to have resources available so that they feel supported. Mayor Taylor thanked staff for the presentation.

CONVENTION & SPORTS FACILITIES

Mike Sawaya presented the Convention & Sports Facilities (CSF) FY 2017 Proposed Budget totaling \$43.7 Million. He stated that they would implement Facilities Improvements at the Convention Center and Alamodome, as well as Develop CSF Facility Parking Solutions. He indicated that they would pursue Revenue Enhancements through CONCACAF Soccer and the Big 12 Championship. Additionally, they will implement a Sponsorship Sales Program for Alamodome Naming Rights and develop a Local Marketing Plan for Catering Sales. He spoke of their work on the Visit San Antonio Management Agreement and added that they would advocate for preservation of the Events Trust Fund.

Mayor Taylor thanked staff for the presentation and asked if the Local Event Trust Fund was perceived to be at risk. Mr. Sawaya stated that it was always discussed during the State Legislative Session but there was a Statewide Coalition engaged to protect it.

Councilmember Nirenberg asked if the Alamodome was prepared for the Army versus Notre Dame Football Game. Mr. Sawaya replied that the East and West Concourse would be under construction but the North and South Plazas would be utilized. Councilmember Nirenberg asked of the Alamodome Naming Rights. Mr. Sawaya stated that they felt very strongly about going the market with the naming rights and that the City Council would have to approve the recommendation.

Councilmember Viagran asked of the management agreement with Visit San Antonio. Mrs. Sculley stated that it would be implemented after adoption of the Budget and would include monitoring standards and performance criteria.

Councilmember Krier noted the compensation for the Alamo Bowl Executive Director and the nominal rental rate they paid. Mr. Sawaya noted that he, Casandra Matej and Carlos Contreras serve on their Board of Directors and their Executive Committee was looking at Compensation and potential investment in the Alamodome. Councilmember Krier asked if the Alamodome Renovations would include improving Information Technology (IT). Mr. Sawaya replied that IT Improvements were not included in the scope. He noted that they were currently performing a Comprehensive Study to address same. Councilmember Krier spoke of the relationship with UTSA Football and asked of efforts to increase attendance. Mr. Sawaya replied that they had met with Dr. Romo and Lynn Hickey and they were supportive of the improvements that were recommended. He noted that they would limit increases to ticket prices and parking as much as possible and utilize the Events Trust Fund for eligible items. Mrs. Sculley added that they highly valued the relationship with UTSA and mentioned that the Alamodome was used 200 days per year for various events.

Councilmember Lopez asked of the bandwidth necessary to accommodate specific events. Mr. Sawaya replied that it was brought in as needed for specific events.

Councilmember Treviño stated that hosting the UTSA Football Games had a great impact on the Alamodome. He mentioned boxing events that had gotten more popular and asked of recruiting these types of events. Mr. Sawaya mentioned that boxing events were difficult to accommodate due to the limited dates available at the Alamodome and the amount of time needed to convert the facility. However, he stated that they were open to recruiting boxing events due to their popularity.

Councilmember Medina spoke of the importance of supporting UTSA and asked of the Naming Rights options at the Alamodome. Mr. Sawaya replied that there were several Naming Rights Opportunities and they would pursue those options. Councilmember Medina asked of attracting live music to the Alamodome. Mr. Sawaya stated that they recruited them when possible but there was a great amount of competition to include the Tobin and Majestic Theatre.

Councilmember Gallagher asked of Major League Soccer. Mr. Sawaya stated that they had a great partner with the Spurs Organization and were continuing to pursue same.

Councilmember Gonzales asked of the Total Concessions Revenue at the Alamodome and for UTSA Games. Mr. Sawaya replied that Total Concession Revenue was \$8 Million per year but did not have the information for UTSA Games. He stated that he would provide that information to the City Council.

Mayor Taylor thanked staff for the presentation. She noted that due to the lack of time; the Aviation Budget Presentation would be rescheduled.
