**CITY OF SAN ANTONIO  
GOVERNMENT & PUBLIC AFFAIRS DEPARTMENT  
MEMORANDUM**

**TO:** Intergovernmental Relations Council Subcommittee

**FROM:** Jeff Coyle, Director of Government & Public Affairs

**SUBJECT:** Federal Legislative Update

**DATE:** August 7, 2020

At the Intergovernmental Relations Subcommittee meeting on August 12, 2020, Government & Public Affairs staff will provide a legislative update regarding the status of negotiations for additional Congressional Coronavirus stimulus funding.

House and Senate leadership are continuing negotiations on the scope of the next Coronavirus response funding package. On May 15, the U.S. House of Representatives passed the *Health and Economic Recovery Omnibus Emergency Solutions Act* (HEROES Act). The legislation would provide \$3 trillion in additional stimulus funding to help address COVID-19.

On July 27, the U.S. Senate unveiled a \$1 trillion Coronavirus relief package, the *Health, Economic Assistance, Liability protection and Schools Act, S.1624* (HEALS Act). The *HEALS Act* is a collection of nine bills introduced by several Republican Senators.

Each proposed legislative package served as the opening bid for negotiations between the two chambers. While the Senate is scheduled to begin a month-long break today, August 7<sup>th</sup>, negotiators will continue to work on a compromise and Congress will return to Washington to vote if an agreement is reached.
