BACKGROUND INFORMATION:

The FY 2015 Proposed Budget was presented to the Mayor and City Council on August 7, 2014. The FY 2015 Proposed Budget is balanced and focuses on streets, drainage, parks, libraries, neighborhoods, and affordable public safety. This budget reflects the City's commitment to provide high quality services to the public while maintaining a strong financial position and with no increase to the City's property tax rate. The budget proposal does not recommend any layoffs of uniform or civilian employees.

The Proposed Consolidated Annual Budget, comprised of all funds excluding transfers, totals \$2.4 billion. The General Fund budget is \$1.05 billion; restricted funds, including Aviation, Development Services, and Solid Waste, total \$710 million; and the FY 2015 Capital Budget is \$665 million.

Following the Proposed Budget presentation, five area-wide Community Budget Hearings were held between August 11 and August 14, 2014. Approximately 275 residents attended the meetings and provided 315 comments.

Two City wide Public Hearings on the Budget and the City's Property Tax Rate were held on Wednesday, August 20, 2014 and Wednesday, September 10, 2014 and two Human & Workforce Development Delegate Agency Public Hearings were held on Tuesday, August 19 and Tuesday, August 26. All four public hearings were held in the City Council Chambers. These events allowed San Antonio residents to voice their opinions about the FY 2015 Proposed Budget.

Finally, Budget Worksessions were held with City Council between August 11 and September 17, 2014. These Worksessions presented to City Council detailed information about the proposals addressing City Council-identified service delivery priorities included within the FY 2015 Proposed Budget.
