**1. Consistency:**

The property is located within the North Sector Plan, and is currently designated as Mixed Use Center in the future land use component of the plan. The requested “MXD” Mixed Use base zoning district is consistent with the future land use designation.

The current “C-3” base zoning district is not compatible with the current Mixed Use land use. The requested Mixed Use provides the opportunity to foster a mix of activities and social interaction.

**4. Health, Safety and Welfare:**

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The rezoning request does not appear to conflict with any public policy objective, because the request is consistent with the plan.

**6. Size of Tract:**

The subject property totals 0.599 acres in size, which will reasonably accommodate the uses permitted in “MXD” Mixed Use District.

**7. Other Factors:**
