BACKGROUND INFORMATION:

The City of San Antonio’s fiscal year begins on October 1, and ends September 30. Each year the City

Manager transmits a budget development calendar to the City Council with key dates for each phase of the budget process. The phases include (1) Trial Budget & Five-Year Financial Forecast and public input before the budget is prepared, (2) City Council Budget Goal Setting Session, (3) Proposed Budget for the upcoming fiscal year, (4) City Council budget worksessions, and public input meetings/public hearings on the proposed budget, and (5) adoption of the Budget for the next fiscal year. The Annual Operating and Capital Budget must be approved by the City Council not later than September 27 of every year in accordance with the City Charter.

Trial Budget & Five Year Financial Forecast: On June 18, 2020, City Council was provided a briefing on the City's Five Year Financial Forecast covering Fiscal Year 2021 through Fiscal Year 2025 as well as the FY 2021 Trial Budget.

As a result of the impact of COVID -19 on the economy, financial challenges are expected in FY 2021. On June 18, the City Manager presented a Trail Budget to City Council for the General Fund, Hotel Occupancy Tax, Airport Fund, and Development Services Fund.

The Trial Budget includes certain revenue and expenditure assumptions, as well as potential reductions to certain funds as a result of the impact of COVID-19 on the economy. The Trial Budget provides an opportunity to discuss potential reductions to the budget before the proposed budget is developed.

Additionally, the City will be holding virtual community outreach between June 18 and June 24 to receive feedback from the community on the FY 2021 Trial budget. Results of this outreach will be presented to the City Council at the Goal Setting Session on June 26th.

Proposed Budget: On August 6, 2020 the City Manager will present the FY 2021 Proposed Operating and Capital Budget to City Council. This budget will be prepared from June to July and will incorporate the policy direction provided by the City Council on June 26 and the community input provided through the SASpeakUp Campaign.

Budget Adoption: After the Budget is proposed on August 6, 2020, the City Council will have an opportunity to review the budget in detail at several worksessions between August 10 to September 16, 2020.
