The San Antonio Metropolitan Health District (SAMHD) received funds from the Centers for Medicare and Medicaid Services through the Texas Health and Human Services Commission as Grantee for the Texas Medicaid 1115 Waiver Program. The SAMHD and the Parks and Recreation Department entered into an Interdepartmental Agreement on June 1, 2015. The interdepartmental agreement stipulates that the Parks and Recreation Department will provide or procure services to create safe communities that provide increased opportunities for physical activity in San Antonio as outlined in the scope of services below for Highland Park, Denver Heights Park and Palo Alto Park in order to improve the health status of children and families. The Project and budget period began June 1, 2015 and is scheduled for completion by September 30, 2015.
