- eight and one-half (8.5) points for a resolution from the Governing Body of that municipality expressly setting forth that the municipality supports the Application or Development; or

ISSUE:

Utilizing the City Council adopted evaluation criteria and TDHCA's 2015 Qualified Allocation Plan (QAP), staff developed an application process and schedule. On January 30, 2015, the City issued a request for applications for multi-family rental housing development projects seeking a San Antonio City Council Resolution of Support or No Objection in connection with the Texas Department of Housing and Community Affairs Housing Tax Credit program. Applications were due on February 10, 2015 and must score at least 85 points on the 165 point scoring system to receive a staff recommendation for a Resolution of Support. Applicants scoring less than 85 points, will receive a staff recommendation for a Resolution of No Objection, provided the applicant received at least six experience points under "I. General Partner and Property Manager Experience" of the application.

A total of nine applications were submitted with scores ranging from 89 points to 109 points. All nine of the projects are recommended for a Resolution of Support:

ALTERNATIVES:

Not providing the opportunity for multi-family rental housing development projects to seek a San Antonio City Council Resolution of Support would adversely impact the developer's application with the Texas Department of Housing and Community Affairs Housing Tax Credit program and may deem the affordable housing development financially infeasible.

FISCAL IMPACT:

There is no fiscal impact to the City's Budget.

RECOMMENDATION:

Staff recommends issuing Resolutions of Support for the multi-family rental housing development projects listed herein seeking housing tax credits from the Texas Department of Housing and Community Affairs.
