On 18 April 2018 Councilman Perry submitted a CCR requesting a comprehensive overview of all Veteran-based initiatives and programs in place by City of San Antonio staff. The Office of Military and Veterans Affairs (OMVA) convened meetings with City of San Antonio Departments to identify current practices related to the CCR. These include Veteran hiring preferences, internship/fellowship opportunities, affordable housing, educational opportunities, Public-Public/Public-Private (P4) Partnerships, and Base Realignment and Closure (BRAC) preparations.

BACKGROUND INFORMATION:

The City of San Antonio's Human Resources, Finance, DHS, and OMVA (GPA) Departments, and the Chair, Commission on Veterans Affairs offer a number of support services/opportunities to Veteran City employees and non-City employee veterans. In addition, the City has partnered with the military in a number of areas such as P4, provision of services and infrastructure improvements to name a few. This review is intended to ensure the City is doing all it can to support military and Veterans.

RECOMMENDATION:

Staff recommends that the City continue to strengthen their relationship with the military in the San Antonio region. This includes supporting active duty, retirees, Veterans and their families. The goal of the overview is well stated in the CCR-Establish San Antonio as the number one city for Veterans to retire and remain in the community.
