RECOMMENDATION:

Staff Analysis & Recommendation: Staff and Planning Commission (5-1) recommend Approval.

The proposed land use amendment from “Low Density Residential” and “Low Density Mixed Use” to “Low Density Mixed Use” is requested in order to rezone the property to “C-2 CD” Commercial District with Conditional Use for Auto & Light Truck Repair. This is consistent with the Guadalupe Westside Community Plan’s goal to support residential uses with limits on commercial development. The proposed Plan Amendment to “Low Density Mixed Use” is a compatible future land use to the surrounding residential areas.

ALTERNATIVES:

1. Recommend Denial of the proposed amendment to the Guadalupe Westside Community Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.
