ALTERNATIVES:

Denial of the requested zoning change would result in the subject property retaining the present zoning district designation. The I-1 district accommodates areas of heavy and concentrated fabrication and manufacturing and industrial uses which are suitable based on the character of adjacent development. Examples of permitted uses: auto & light truck auction, truck stop, abrasives manufacturing, food & drug manufacturing, sand & gravel storage & sales, outdoor flea market, manufactured homes/oversized vehicles sales, service and storage. C-2 districts accommodate community commercial uses, with unlimited building size, and building height limitation of 25 feet. Examples of permitted uses: liquor store, miniature golf and other indoor gaming facilities, small indoor movie theater, pet cemetery, auto & light truck oil, lube & tune-up, auto glass tinting, tire repair (sale and installation only), gas station, appliance sales & repair, charitable food & clothing banks and dry cleaning. No outdoor storage or display of goods shall be permitted except for outdoor dining. Neighborhood Preservation District uses are the same as within the “R-6” zoning district. Designed to protect existing platted subdivisions which are substantially developed with single-family detached dwelling units (10,000 sq. ft. minimum lot size).

FISCAL IMPACT:
None.

PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:

The subject property is not within proximity to a Regional Center or a Premium Transit Corridor.

RECOMMENDATION: Staff and Zoning Commission (9-0) recommend Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The property is located within the I-10 East Corridor Plan and is currently designated as “Industrial” and “Parks/Open Space”. The applicant has submitted a plan amendment to change all the property to “Industrial”. Staff and Planning Commission recommend Approval of the Plan Amendment.

2. Adverse Impacts on Neighboring Lands:

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

3. Suitability as Presently Zoned:

The current “I-1” base zoning district is consistent with the current uses of the surrounding properties, as it is an expansion of the current uses.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

Staff finds that the request is not contrary to any stated public policy objective, as the land use is consistent with the surrounding uses. The applicant is seeking an amendment to the plan for expansion of offices for current construction uses.

6. Size of Tract:

The 7.2798 acre tract is of sufficient size for the requested “I-1” base zoning district.

7. Other Factors:

None.
