BACKGROUND INFORMATION:

The City of San Antonio utilizes annual contracts for procuring high volume repetitive purchases. Annual contracts are an efficient method of securing the best prices through volume purchasing and reducing large amounts of work related to the bid process. Utilization of annual contracts allows the City to procure numerous different commodities in support of the normal daily operations.

Contract procured on the basis of low bid:

A. Advanced Healthstyles Fitness Equipment, Inc. for Fitness Equipment for SAPD Substations, \$76,250.00 annually; \$305,000.00 contract period, upon award through June 30, 2021 with two, one year renewal options - will provide the City of San Antonio Police Department with new fitness equipment, inclusive of all labor, material and equipment necessary for the inside delivery and installation of the fitness equipment for six SAPD substations.

Sole Source:

B. 24-7 Software, Inc. for Incident Management System for CSF, \$46,000.00 annually; \$92,000.00 contract period, upon award through July 31, 2020, with a one year renewal option - will continue to provide the Convention and Sports Facilities Department with an incident management reporting system at the Henry B. Gonzalez Convention Center and Alamodome. The software reporting program includes modules for incident management reporting, 2-way text communication, activity logs, applications for 2-way hand held devices, lost and found capabilities, and for radio frequency identification for security control of the equipment and location inspections. These modules will allow staff to report and handle all incidences at an event in a timely manner which is vital to ensuring the safety of patrons visiting the facilities. The Contractor shall provide required maintenance at no additional cost to the City. The incident management reporting system was implemented at the Convention Center in 2014 and at the Alamodome in 2017.

These items are being purchased as Sole Source according to the provisions of Texas Statutes Local Government Code 252.022.07. No other source can supply the items listed nor can any comparable item fulfill the same requirements. Vendor acknowledges, with his/her signature, that all items offered are considered a Sole Source.

Cooperative:

C. Unifirst Corporation for Work Uniform Rental & Laundry Service, \$175,000.00 annually, upon award through May 31, 2020 with one, one-year renewal option - will provide City departments with work uniform

rental and laundry service for use by approximately 700 City employees composed of trades, janitorial, maintenance, public works, management and office staff. The uniform categories include custodial & maintenance, supervisory/executive and trade related uniforms. The items in these categories include industrial pants, shorts, work shirts, woven commercial shirts, executive men/women shirts, smocks, lab coats, aprons, and lightweight, mid-heavy weight insulated outdoor wear, and coveralls. This contract does not include any type of footwear or accessories.

This procurement is made utilizing the BuyBoard cooperative contract number 587-19 and will be made in accordance with Interlocal Agreement approved through Ordinance Number 97097 passed on January 30, 2003.

Amendment:

D. On June 22, 2017, City Council approved and issued Ordinance 2017-06-22-0486 authorizing the City to execute a contract with Digital Markets, Inc. DBA Vista Com for logging recorders to record, monitor and playback all phone and radio communications for the San Antonio Public Safety Radio System, used by both SAPD and SAFD, and for Bexar Met 911. This amendment will provide the Aviation Department with the same equipment and services. The contract term was for a period of one year with eight, one year options to renew.

This amendment to the City's contract with Digital Markets, Inc. DBA Vista Com, approved by Ordinance 2017-06-22-0486, will provide the Aviation Department's communications center with logging recorders and related services to record, monitor and playback all phone and radio communications. The proposed amendment, in the amount of \$68,696.00, will be an Aviation Department expense and cover the initial hardware purchase, software installation and all necessary on-going maintenance and support through the contract term. The revised contract value will be \$1,316,619.00.

B. Incident Management System for CSF - Should this contract not be approved, the Convention and Sports Facility Department would not be able to accurately report and handle all incidences at the Henry B. Gonzalez Convention Center and the Alamodome in a timely manner which is vital to ensuring the safety of patrons visiting the facilities.

C. Work Uniform Rental & Laundry Service - Should this contract not be approved, City departments will be required to secure rental and laundry services for uniform garments on an as needed basis resulting in increased costs and a potential delay in uniform delivery.

D.
