SUBJECT: Consideration of Completed High Profile Solicitation

DATE: January 21, 2020

The following high profile project has completed the solicitation process. This item is presented to the Audit and Accountability Committee for review prior to the full City Council for consideration.

Summer Food Service Program - The Parks and Recreation Department solicited proposals for a qualified contractor to provide unitized meals to be served to children participating in the City’s Summer Food Service Program (SFSP). Food services will include daily preparation and delivery of hot/cold lunches and snacks to be served to approximately 3,500 children at 66 anticipated sites, which includes community centers, churches, elementary and middle schools, swimming pools and various other independent organizations located within Bexar County, Texas. The intent of the SFSP is to ensure that, during school summer vacation, children are able to receive the same high-quality meals made available to them through the National School Lunch Program. The SFSP is sponsored by the City of San Antonio, funded by the United States Department of Agriculture (USDA) and administered by the Texas Department of Agriculture/Food and

Nutrition Division (TDA/FND).
