SUMMARY:

The 2nd Public Hearing for the FY 2017 Action Plan and Budget for the four federal grant programs funded by the U.S. Department of Housing and Urban Development (HUD) which include the Community Development Block Grant (CDBG), HOME Investment Partnerships Program, HEARTH Emergency Solutions Grant (HESG), and Housing Opportunities for Persons with AIDS (HOPWA) Program and for a Substantial Amendment to the FY 2013 - FY 2015 Annual Action Plans and Budgets to allow for city-wide application of the Owner Occupied Rehabilitation and Homebuyer Incentive Programs.

BACKGROUND INFORMATION:

The City of San Antonio is commencing the development of the FY 2017 Action Plan and Budget, which is the second year plan under the FY 2016-2020 Consolidated Plan. The City anticipates receiving approximately

\$23M in federal entitlements awarded through the U.S. Department of Housing and Urban Development (HUD). These grants include the Community Development Block Grant (CDBG), HOME Investment Partnerships Program, HEARTH Emergency Solutions Grant (HESG), and Housing Opportunities for Persons with AIDS (HOPWA) Program. These funds are designed to meet the needs of persons who are of low and moderate income and for preserving and developing low-income communities.

Consolidated Plan

The City of San Antonio receives four (4) federal entitlement grants awarded through the Department of Housing and Urban Development (HUD). These four grants include CDBG, HOME, HESG and HOPWA. Under the FY 2016-2020 Consolidated Plan, the City anticipates \$89.9 million in federal resources to be available through the four formula grants.

In order to determine the most pressing needs and develop effective, place-based market-driven strategies to meet these needs, HUD required the development of a FY 2016-2020 Consolidated Plan. In developing the Consolidated Plan, the City gathered information through a number of methods, including a facilitated engagement session with 42 local stakeholders, four public meetings, a community survey (over 1,650 responses received), and a review of available census and HUD data. This process formed the basis of the strategic plan element of the Consolidated Plan.

Annually, the City coordinates an Action Plan and Budget development process to identify and implement community development and affordable housing activities to advance the goals of the Consolidated Plan. The FY 2017 Action Plan and Budget is the second plan year of the Consolidated Plan.
