**Property History:** The subject property was annexed in 1972 and originally zoned “Temporary R-1” One Family Residence District. The subject property was platted in 1976 (volume 6600, page 73 of the Deed and Plat Records of Bexar County, Texas)

The subject property established a Non-Conforming Use of a Lounge in 1972, shortly after the annexation process. Since this time the property has consistently updated the Non-Conforming Use to continue the Lounge/Bar establishment. A Certificate of Occupancy has been held by the property since 1983 with the last record of a Certificate of Occupancy being issued in 2008.

**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff and Zoning Commission (6-0) recommend Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the West Sector Land Use Plan and is currently designated as General Urban Tier in the land use component of the plan. The requested “C-2NA” base zoning district is consistent with the adopted land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff has not found evidence of likely adverse impacts on neighboring land in relation to this zoning change request. The proposed use is consistent with the established development pattern of the surrounding area.

**3. Suitability as Presently Zoned:**

The existing “R-6” base zoning is not appropriate for the surrounding area and is not consistent with the future land use plan.

**4. Health, Safety and Welfare:**

Staff has not found any indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The request does not appear to conflict with any public policy objective.

**6. Size of Tract:**

The 0.311 acre site is of sufficient size to accommodate the proposed development.

**7. Other Factors:**

The subject property is subject to the City's Vacant Building Registration Program, as it is located within a half mile of an active military base. The Vacant Building Registration Program requires that a vacant building owner register with the Office of Historic Preservation annually and maintain their building to a higher standard of care. Program staff has the ability to grant extensions to the registration deadline when an owner actively markets their vacant property for sale, and the owners of 7011 West Plaza have requested and received an extension for that purpose. According to the owners, this rezoning is to further a sale of the property.
