POSTING LANGUAGE:

Discussion and possible action to modify the terms of a loan agreement with JVGreen Enterprises, LLC., in an amount up to \$28,500.

SUMMARY:

Mr. Jacob Valenzuela of JVGreen Enterprises, LLC, dba Deco Pizzeria, requests to refinance a \$25,000 note with the WDC and to seek an additional \$3,500 loan for debt consolidation.

Based on recommendations from the Project and Finance committees, staff has negotiated terms for a modified loan agreement.

BACKGROUND INFORMATION:

Deco Pizzeria was an approved applicant for grant funds from the City of San Antonio’s (COSA) Operation Facelift program in 2013. The scope of improvements approved by COSA included an outdoor pergola with an integrated electrical system for lighting and overhead fans, in addition to a variety of interior improvements. The program reimburses an awardee upon completion of the project.

Midway through the project, cash assets were depleted and Mr. Valenzuela faced losing the matching grant from the City. He then reached out to the WDC to secure funding in order to complete the project.

The project was completed in the fourth quarter of fiscal year 2014 but has defaulted on the loan.

Staff has worked with the applicant to renegotiate terms that are favorable to both parties including an increase to principal for debt consolidation.

The Project and Finance Committees have reviewed the loan application and suggested terms and

recommend approval.
