DEPARTMENT: Animal Care Services

DEPARTMENT HEAD: Heber Lefgren

COUNCIL DISTRICTS IMPACTED: City Wide

SUBJECT:

Authorizing a contract with Petshotz, Inc. through Dr. Fretorry B. Rogers for in-house spay/neuter services.

SUMMARY:

An Ordinance authorizing a contract in an amount up to \$100,000.00 with Petshotz, Inc. to provide in-house surgical services for a term of October 1, 2017 through September 30, 2018 with the option of one (1) one-year renewal.

BACKGROUND INFORMATION:

The Animal Care Services (ACS) clinic operates seven days a week maintaining the shelter health of pets in our care and preparing pets via spay/neuter and specialized surgeries for live release placement through adoption or transfer to ACS rescue groups; necessitating the need for relief Contract Veterinarians to aide ACS Veterinary staff in performing these valuable services. Retaining the services of high-volume surgery providers allows ACS to maintain maximum daily operations of performing over 17,000 spay/neuter and specialized surgeries in-house annually by our Staff and Contract Veterinary team.

Sterilizing pets through spay/neuter surgeries is key in controlling the stray and roaming animal population in

San Antonio. Nearly 60,000 spay/neuter surgeries are performed annually through the collaboration of many community partners including the City of San Antonio Animal Care Services Department (ACS) - who supports over 40,000 of surgeries. The owner of Petshotz Dr. Fretorry B. Rogers was selected for this contract during Fiscal year 2015 and has met all expectations of surgical services at ACS.

The City issued an on-going Request for Application (RFA) in August 2016 soliciting applications for qualified and experienced candidates for Contract Veterinarians at ACS. Due diligence was done by ACS staff ensuring that all Veterinarians are currently licensed to practice Veterinary Medicine in the State of Texas. For this contract, the Small Business Economic Development (SBEDA) Ordinance requirements were waived due to no certified Small, Minority, Women, and Veteran Owned Business Enterprise (SMWBE's) registered within the program.

ISSUE:

This Ordinance authorizes a contract in an amount up to \$100,000.00 with Petshotz, Inc. to provide in-house surgical services for a term of October 1, 2017 through September 30, 2018 with the option of one one-year renewal. Animal Care Services (ACS) is anticipating Petshotz to perform approximately 6,200 surgeries annually with this contract at an average rate of approximately \$16 per surgery.

The Animal Care Services Director is authorized to amend the contract and adjust surgery rates to accommodate for specialized surgeries or additional medical services and increase total compensation, subject to funding availability.

ALTERNATIVES:

If this contract is not approved, ACS will re-advertise the Request for Application to select another contracted veterinarian. This would result in a decrease in the number of surgeries performed daily at ACS.

FISCAL IMPACT:

Funds in the amount of \$100,000.00 are included in the General Fund Animal Care Services Department FY 2018 Adopted Budget.

RECOMMENDATION:

Staff recommends approval of this Ordinance authorizing a contract in an amount up to \$100,000.00 with Petshotz, Inc. for ACS surgical services.
