RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission (10-0) recommend Approval with Conditions.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The property is located within the North Sector Plan and is designated as General Urban Tier land use. The requested "C-2" Commercial District base zoning district is consistent with the adopted land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff has found no evidence of likely adverse impacts on surrounding properties.

3. Suitability as Presently Zoned:

The applicant requests this zoning change in order to have a nightclub. The requested zoning designation is consistent with the existing development pattern. The property is surrounded by other "C-3" uses and it is within walking proximity to high density residential.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The request does not appear to conflict with any public policy objective.

6. Size of Tract:

The subject property is 3.208 acres in size, which accommodates the proposed development with adequate space for parking.

7. Other Factors:

The conditional use zoning procedure is designed to provide for a land use that is not permitted by the established zoning district, but due to individual site considerations or unique development requirements would be compatible with adjacent land uses under given conditions.

The subject property is located within the Camp Bullis Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding between Fort Sam and the City of San Antonio, the Military did not review the request because the property is less than 10 acres in size and does not directly abut the installation.

Staff recommends the following conditions:

1. The nightclub use is restricted to no more than 5000 square feet.
2. Hours of Operations shall not start before 5:00 pm.
3. No outdoor seating, outdoor music or outdoor live entertainment.
4. Fencing adjacent to residential uses.
5. Lighting shall be directed away from residential uses.
6. Food Sales shall comprise of 5% of gross revenue.
