ALTERNATIVES:

Denial of the requested zoning change would result in the subject property retaining the present zoning district designations of “C-3” General Commercial District, “C-1” Light Commercial District and “R-4” Residential Single Family District.

The “R-4” Residential Single-Family District permits single-family dwellings (detached) with a minimum lot size of 4,000 square feet and a minimum lot width of 35 feet, foster family homes, public and private schools.

The “C-1” Light Commercial District permits neighborhood commercial uses which depend on a greater volume of vehicular traffic than an NC district. C-1 uses are considered appropriate buffers between residential uses and C-2 and C-3 districts and uses. Building size is limited to 5,000 square feet. Examples of permitted uses: arcade, boarding house, noncommercial athletic field, retail furniture sales, grocery store, nursery (retail - no growing of plants on site permitted), retail office equipment and supply, and retail rug or carpet sales. No outdoor storage or display of goods shall be permitted except for outdoor dining.

The “C-3” General Commercial District permits more intensive commercial uses than those located within the NC, C-1 or C-2 zoning districts. C-3 uses are typically characterized as regional shopping centers, power centers, and/or assembly of similar uses into a single complex. There are no building size limitations, and building height is limited to 35 feet. Examples of permitted uses: bar/tavern & nightclub, amusement/theme parks, dance hall, indoor movie theater, auto repair, auto sales, auto glass sales (installation permitted), auto muffler (sales and installation only), hotel, bookbinder, dry cleaning or laundry plant, indoor flea market, home improvement center, body piercing/massage/tattoo parlor. No outdoor storage is permitted. Outdoor operations and display shall be permitted in areas which are screened as provided in 35-510 of the Unified Development Code.

FISCAL IMPACT:

None.

PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:

The property is not located within a Regional Center. The property is within ½ of a mile of the Zarzamora

Premium Transit Corridor.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff recommends Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the Nogalitos/South Zarzamora Community Plan and is currently designated as “Mixed Use” in the future land use component of the plan. The requested “C-2” base zoning district is consistent with the future land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff finds no evidence of likely adverse impacts on neighboring lands in relation to this zoning change request.

3. Suitability as Presently Zoned:

The current “C-3”, “C-1” and “R-4” base zoning districts are generally appropriate for the current use and the surrounding area. The requested “C-2” base zoning is also an appropriate base zoning for the property.

4. Health, Safety and Welfare:

Staff has found no indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The request is consistent with the Nogalitos/South Zarzamora Community Plan which calls for a mix of commercial and residential. Surrounding zoning includes a mixture of commercial and residential uses, which makes the zoning change appropriate.

Relevant Goals and Policies of the Comprehensive Plan may include:

- GCF Goal 1: Higher-density uses are focused within the city’s 13 regional centers and along its arterial and transit corridors.
- GCF Goal 2: Priority growth areas attract jobs and residents.
- GCF P5: Invest in needed amenities and infrastructure that will facilitate higher-density development in the city’s priority growth areas.
- GCF P7: Ensure employment centers provide a variety of land uses and infrastructure that will allow the city to remain economically competitive.

Approval of this zoning case would be consistent with the goals, objectives, and future land use of the Nogalitos/South Zarzamora Community Plan and is consistent with guiding principles of the Comprehensive Plan. Approval of this zoning request is generally consistent with the goals and policies of the SA Tomorrow Comprehensive Plan. Staff recommends Approval.

6. Size of Tract:

The subject property is 1.915 acres, which could accommodate the requested Medical Clinic.

7. Other Factors:

The proposed rezoning is requested in order to locate a new CentroMed clinic on the subject property.
