DEPARTMENT: Planning Department

DEPARTMENT HEAD: Bridgett White, AICP

COUNCIL DISTRICTS IMPACTED: Citywide

SUBJECT:

Briefing on the Medical Center Area Regional Center Plan

SUMMARY:

The Planning Department will provide a briefing on the Medical Center Area Regional Center Plan, the fourth of the SA Tomorrow Sub-Area Plans slated for adoption. The Sub-Area Plans implement the SA Tomorrow Comprehensive Plan.

BACKGROUND INFORMATION:

The SA Tomorrow Comprehensive Plan is one of three growth-related plans addressing how the City of San Antonio’s expected population growth will be balanced with social, economic, and environmental resources. The Comprehensive Plan provides strategic direction for decision making and public investment to prepare our communities for anticipated growth at the citywide level. The major “building blocks” of the Comprehensive Plan include:

- Regional Centers

- Urban Centers
- Corridors
- Neighborhoods

The Medical Center Area Regional Center Plan aims to create a realistic and implementable strategy to address projected growth in the Medical Center Area Regional Center, one of the thirteen (13) Regional Centers identified in the SA Tomorrow Comprehensive Plan. The South Texas Medical Center is a major cluster of over 40 healthcare and medical-related facilities, including hospitals and specialty institutions. The Medical Center Area is also home to USAA, one of the City's largest employers. This area will continue to be the primary hub of medical-related activities in San Antonio with potential to evolve into a vibrant mixed-use center. The main topics covered by the Plan include Land Use, Mobility, Amenities and Infrastructure, Focus Areas, Catalytic Projects, Economic Development, Housing, and Neighborhood Priorities.

As success of the Sub-Area Plan depends on broad participation from area stakeholders, Planning Department staff worked with a wide range of community members throughout the planning process. These included neighborhood associations, business and property owners, residents, employers, educational and cultural institutions, public and nonprofit organizations, and other City departments.

ISSUE:

The Planning Department will provide a briefing on the Medical Center Area Regional Center Plan. A Public Draft of the Plan was released to the public for comment on March 19, 2019 and public input was gathered through April 21, 2019. An Administrative Draft, which incorporates many of the community comments received thus far, is currently available and is scheduled to be considered by City Council on August 15, 2019. The Administrative Draft is available online at the following address: <https://medical-center.sacompplan.com/>.

ALTERNATIVES:

This briefing is for informational purposes only.

FISCAL IMPACT:

There is no fiscal impact associated with this briefing.

RECOMMENDATION:

Staff recommends that the Comprehensive Plan Committee forward the Medical Center Area Regional Center Plan to the Planning Commission for formal consideration.
