The "AHOD" does not restrict permitted uses, but can require additional review of construction plans by both the Development Services Department and the Federal Aviation Administration.

"MLOD-2"

All surrounding properties carry the "MLOD-2" Military Lighting Overlay District, due to their proximity to

ALTERNATIVES:

Current: The current zoning district designation of "R-4" is designed to allow a Single-family dwelling (detached) with a minimum lot size of 4,000 square feet and a minimum lot width of 35 feet, foster family home, public and private schools.

Proposed: The proposed zoning district designation of "C-2" accommodates community commercial uses, with unlimited building size, and building height limitation of 25 feet. Examples of permitted uses: liquor store, miniature golf and other indoor gaming facilities, small indoor movie theater, pet cemetery, auto & light truck oil, lube & tune-up, auto glass tinting, tire repair (sale and installation only), gas station, appliance sales & repair, charitable food & clothing banks and dry cleaning. No outdoor storage or display of goods shall be permitted except for outdoor dining.

The proposed "C-2 CD" allows all of the above, in addition to a Home Improvement Center.

FISCAL IMPACT:

None.

PROXIMITY TO REGIONAL CENTER/PREMIUM TRANSIT CORRIDOR:

The property is not within a Regional Center and is within a premium transit corridor.

RECOMMENDATION:

Staff Analysis and Recommendation: Staff and Zoning Commission (8-1 and 2 abstained) recommend Approval.

Criteria for Review: According to Section 35-421, zoning amendments shall be based on the approval criteria below.

1. Consistency:

The subject property is located within the West / Southwest Sector Plan and is currently designated as "General Urban Tier" in the land use component of the plan. The requested "C-2" base zoning district is consistent with

the adopted land use designation.

2. Adverse Impacts on Neighboring Lands:

Staff has not found evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. The proposed use is consistent with the established development pattern within most of this block and surrounding area. It appears that this block has slowly transitioned to commercial zoning and uses.

3. Suitability as Presently Zoned:

The existing “R-4” base zoning district is appropriate for the surrounding area and so is the proposed “C-2” Commercial District. The proposed “C-2” would allow for expansion of a Home Improvement Center.

4. Health, Safety and Welfare:

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

5. Public Policy:

The request does not appear to conflict with any public policy objective of the West / Southwest Sector Plan, which encourages the following:

Goal LU-1 Land use pattern emphasizes compatibility and appropriateness between uses, and protects neighborhoods and businesses from incompatible land uses

LU-1.1 Limit encroachment of commercial uses into established low-density residential areas.

6. Size of Tract:

The 0.1045 acre site is of sufficient size to accommodate the proposed commercial development.

7. Other Factors:

This zoning request includes the intention to demolish buildings. In accordance with the San Antonio City Unified Development Code, the Office of Historic Preservation reviews all demolition applications for any property located within the city limits of San Antonio. Approval of a zoning change does not imply approval of or take the place of such demolition review as directed by the UDC. To date, no application for demolition at this address to accommodate the proposed use has been submitted for review to the Office of Historic Preservation.

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JB SA was notified of the proposed request. The Military has indicated that there are no objections to the request.

The applicant is requesting to rezone from “R-4” to “C-2”, in order to provide parking and access for their adjacent home improvement business.
