RECOMMENDATION:

Staff Recommendation & Analysis: Staff recommends Approval.

The applicant seeks a Plan Amendment from “Neighborhood Commercial” to “Community Commercial” to allow for slightly more intense commercial development along the major thoroughfare of Thousand Oaks Drive. The proposed land use change to “Community Commercial” provides the applicant the ability to operate an Auto Sales business without needing the higher intensity “Regional Commercial” land use. Additionally, the requested “Community Commercial” is consistent with the adjacent property to the west.

ALTERNATIVES:

1. Recommend Denial of the proposed amendment to the San Antonio International Airport Vicinity Plan, as presented above.
2. Make an alternate recommendation.
3. Continue to a future date.
