BACKGROUND INFORMATION:

Recent efforts by the City, Bexar County (County) and Spurs Sports & Entertainment (SS&E) to work collaboratively in an effort to pursue a Major League Soccer (MLS) franchise have resulted in a proposal to purchase Toyota Field from Sports and Outdoor Recreation (SOAR) Park for the purpose of establishing a SS&E affiliated minor league soccer franchise at the facility as a roadmap to future MLS expansion or relocation. The City and County have each agreed to provide \$9 million to purchase Toyota Field for a total purchase price of \$18 million. SS&E has agreed to provide an additional \$3 million to SOAR for associated soccer rights, for a total transaction cost of \$21 million. Ownership of Toyota Field shall be vested in a City/County Public Facility Corporation and separate lease agreements have been concurrently negotiated to provide SS&E, or a SS&E affiliate, with a 20- year lease of Toyota Field and the STAR Soccer Complex where SS&E, or a SS&E affiliate, will operate its minor league soccer team and youth soccer programs while pursuing an MLS franchise.

ISSUE:

Resolution 2015-11-12-0059R of the City Council, passed and approved on November 11, 2015, authorized City staff to negotiate for the purchase of Toyota Field and its subsequent lease under the following parameters:

- The City and County each providing \$9 million towards the \$18 million purchase of Toyota Field;
- SS&E providing an additional \$3 million to Gordon Hartman;
- SS&E agreeing to enter into a 20 year lease for Toyota Field where it will operate a minor league soccer

team;

- The City contributing \$500,000 to the deferred maintenance of Toyota Field;
- SS&E using best efforts to establish an MLS franchise in San Antonio throughout the lease term;
- SS&E agreeing to repay up to \$5 million should it be unsuccessful in establishing an MLS franchise in San Antonio prior to year 6 of the lease term; and
- City and County maintaining ownership of Toyota Field.

City staff is now presenting agreements which reflect the above stated parameters.

ALTERNATIVES:

City Council could direct City staff to redefine the parameters for the purchase and lease of Toyota Field or decline to further negotiate with SOAR and SS&E.

FISCAL IMPACT:

This ordinance authorizes the City Council to appropriate \$9,000,000.00 from the Redemption and Capital Reserve Fund to Sports and Outdoor Recreation Park on behalf of the City/County Public Facility Corporation (PFC) to pay the City's share of the \$18,000,000.00 earnest money for the purchase of Toyota Field.

This ordinance authorizes the appropriation of \$500,000.00 from the Redemption and Capital Reserve Fund to the PFC. These funds will be deposited into the PFC's Initial Facility Fund for deferred maintenance and improvements of Toyota Field.

RECOMMENDATION:

Staff recommends approval.
