**RECOMMENDATION:**

**Staff Analysis and Recommendation:** Staff recommends Approval.

**Criteria for Review:** According to Section 35-421, zoning amendments shall be based on the approval criteria below.

**1. Consistency:**

The subject property is located within the Nogalitos / South Zarazamora Community Plan and is currently designated as “Community Commercial” in the future land use component of the plan. The requested “C-2” base zoning district is consistent with the future land use designation.

**2. Adverse Impacts on Neighboring Lands:**

Staff does not find evidence of likely adverse impacts on neighboring lands in relation to this zoning change request. Surrounding properties are zoned more intensely as “C-3” General Commercial, “I-1” General Industrial and “L” Light Industrial.

**3. Suitability as Presently Zoned:**

The current “C-1” Light Commercial District is an appropriate zoning for the property and surrounding area. The proposed “C-2” General Commercial District is appropriate to the area and accommodates the additional square footage of the proposed buildings.

**4. Health, Safety and Welfare:**

Staff has not found indication of likely adverse effects on the public health, safety, or welfare.

**5. Public Policy:**

The proposed rezoning does not appear to conflict with the following goals, principles, and objectives of the Nogalitos / South Zarzamora Community Plan:

**Goal 3 Economic Development**

Improve the commercial corridors in the planning area in order to attract and support a mix of uses including professional offices, residences and a variety of retail shops that will meet residents’ daily needs and bring vitality to the area.

- Objective 3.1 Diverse Businesses  
Attract and support a variety of businesses in a walkable, mixed-use environment.
- Objective 3.2 Business Character  
Build upon the historic, walkable character of the Nogalitos corridor to create a unique place to walk for shopping, working, and re- laxing.

**6. Size of Tract:**

The subject property is 7.74 acres, which could reasonably accommodate commercial uses and the additional buildings proposed.

**7. Other Factors:**

The subject property is located within the Lackland AFB Awareness Zone/Military Influence Area. In accordance with the signed Memorandum of Understanding, JBSA was notified of the proposed request. The Military has indicated that there are no objections to this request.

The proposed rezoning is to allow for additional square footage of the proposed buildings, which is currently restricted by the existing “C-1”.
