## **BACKGROUND INFORMATION:**

The Texas Department of Housing and Community Affairs' (TDHCA) Housing Tax Credit (HTC) program is one of the primary means of directing private capital toward the development and preservation of affordable rental housing for low-income households in the state of Texas. HTCs are awarded to eligible participants to offset a portion of their federal tax liability in exchange for the production or preservation of affordable rental housing. There are two types of HTCs: competitive 9% and non-competitive 4%. The non-competitive 4% HTC program is available year round whereas the competitive 9% HTC program has a single annual application period. For the 2018 competitive application period, TDHCA requires applicants to submit completed applications, along with supporting documents, no later than March 1, 2018.

The HTC program awards competitive application points for a resolution(s) from a Governing Body of a municipality showing local government support on the following basis:

Within a municipality, the application will receive:

- Seventeen (17) points for a resolution from the Governing Body of that municipality expressly setting forth that the municipality supports the Application or Development; or
- Fourteen (14) points for a resolution from the Governing Body of that municipality expressly setting forth that the municipality has no objection to the Application or Development.

## **ISSUE:**

Using the City Council adopted evaluation criteria and TDHCA's 2018 Qualified Allocation Plan (QAP), staff developed an application process and schedule. The City issued a Request for Applications (RFA) on December 15, 2017 for multifamily rental housing development projects seeking a San Antonio City Council Resolution of Support or No Objection in connection with the Texas Department of Housing and Community Affairs

(TDHCA) Housing Tax Credit program. Applications were due on January 10, 2018 and were required to score at least 70 points in the City’s 100-point scoring system to be recommended for a Resolution of Support. Applicants earning between 50 and 69 points may receive a Resolution of No Objection, provided the applicant received at least 7 experience points in the “Owner/General Partner/Property Management Experience” section of the application.

A total of 21 applications were submitted with scores ranging from 70 points to 98 points, each located inside the city limits. Four applicants withdrew their applications from consideration and one will be considered at a future Council meeting; therefore, a total of 16 projects are being recommended for a Resolution of Support. Applicants for the following 17 projects earned 70 or more points and are recommended to receive Resolutions of Support:

The Residences at Thousand Oaks will not be considered as part of today’s action. This application will be considered by City Council separately on February 15.

**ALTERNATIVES:**

The City Council may elect not to issue Resolutions of Support to one or more of the recommended applicants, which would adversely impact the developers’ applications with TDHCA’s Housing Tax Credit program and may deem the affordable housing developments financially infeasible.

**FISCAL IMPACT:**

This authorizes Resolutions of Support for multifamily rental housing development projects by applicants seeking competitive 9% Housing Tax Credits with the Texas Department of Housing and Community Affairs for the 2018 program. There is no impact to the FY 2018 Adopted Budget with this action.

**RECOMMENDATION:**

Staff recommends City Council approval to issue Resolutions of Support for the multifamily rental housing development projects listed in the Summary section of this memo seeking housing tax credits from the Texas Department of Housing and Community Affairs. The Residences at Thousand Oaks will be brought forth for City Council consideration on February 15, 2018.
