**DEPARTMENT:** Parks and Recreation

**DEPARTMENT HEAD:** Homer Garcia III, Interim Director

**COUNCIL DISTRICTS IMPACTED:** 7

**SUBJECT:**

Task Order for Woodlawn Lake Area Tree Installation

**SUMMARY:**

This ordinance authorizes a task order to a Job Order Contract for a tree installation initiative in the Woodlawn Lake area, including the Woodlawn Lake, Jefferson and Monticello Park neighborhoods located in Council District 7, in an amount not to exceed \$250,000.00 payable to Sabinal Group. This ordinance also appropriates funds from the FY 2019 Tree Canopy Preservation and Mitigation Fund.

**BACKGROUND INFORMATION:**

A series of destructive storms with heavy winds blew through San Antonio in June 2019. These storms impacted several areas, including that around Woodlawn Lake Park in Council District 7. This area is known to

have a declining tree canopy and many of these trees were severely damaged beyond repair. In addition, past studies have shown this area has a lower than average tree canopy coverage city-wide. In an effort to restore and increase lost tree canopy, the Parks and Recreation Department will be using Tree Canopy Preservation and Mitigation Funds to plant new trees on both public and private properties around Woodlawn Lake Park.

As part of this initiative, recovery trees will be provided to residents who live within the footprint of the Woodlawn Lake, Jefferson and Monticello Park neighborhoods near Woodlawn Lake Park. This area represents approximately 4,000 residential homes, which the proposed tree enhancements for the target-area include the installation of large caliper native shade and ornamental trees of various designated species. Outreach for this tree canopy restoration project is anticipated to begin in Fall 2019 and estimated for completion by Fall 2020 to coincide with ideal planting seasons and accommodate residential schedules.

This Project was selected to utilize the Job Order Contracting (JOC), an alternative Project delivery method which ten contractors were approved through Ordinance 2019-02-21-0134 by City Council on February 21, 2019. The use of the JOC delivery method provides the City with on-call construction, renovation and maintenance services for City projects. Assignment of JOC contractors to specific jobs is based on the contractor's current workload, overall capacity, and familiarity with a specific facility, expertise in completing specific task and/or managing a specific trade needed to carry out the requested repair or rehabilitation. Of the ten contractors, Sabinal Group was selected to submit an estimate and project schedule for this Project.

Sabinal Group has committed to a 24% M/WBE and 4% AABE subcontractor participation.

#### **ISSUE:**

The proposed task order to a Job Order Contract is for a tree installation initiative in the Woodlawn Lake area, including the Woodlawn Lake, Jefferson and Monticello Park neighborhoods located in Council District 7, in an amount not to exceed \$250,000.00 payable to Sabinal Group. This ordinance also appropriates funds from the FY 2019 Tree Canopy Preservation and Mitigation Fund.

City Council approval is required for projects utilizing Job Order Contracts over \$100,000.00.

#### **ALTERNATIVES:**

This project could be bid out versus utilizing the Council-approved Job Order Contracting delivery method. However, this would significantly extend the timeline by approximately two months to complete the project and be subject to market pricing and forego current economies of scale.

#### **FISCAL IMPACT:**

This ordinance authorizes a task order to a Job Order Contract for a tree installation initiative in the Woodlawn Lake area, including the Woodlawn Lake, Jefferson and Monticello Park neighborhoods located in Council District 7, in an amount not to exceed \$250,000.00 payable to Sabinal Group. This ordinance also appropriates funds from the FY 2019 Tree Canopy Preservation and Mitigation Fund.

#### **RECOMMENDATION:**

Staff recommends approval of the task order to a Job Order Contractor for a tree installation initiative in the Woodlawn Lake area, including the Woodlawn Lake, Jefferson and Monticello Park neighborhoods located in Council District 7, in an amount not to exceed \$250,000.00 payable to Sabinal Group; and appropriating funds from the FY 2019 Tree Canopy Preservation and Mitigation Fund.

The Contracts Disclosure Form required by the City's Ethics Ordinance is attached.
